Work on New Pier to Begin Shortly

Work on the new pier, which has been under discussion for the past few months in connection with the securing of a life boat for the safety of bathers at Highland Park beach, will be begun within the next few days. The contract has been let to O. Lawrence Olesen, 369 Moraine road. The contract calls for the construction to be completed within ten working days.

The pier will be located 75 feet south from the north line of the Park board property, and will extend 125 feet into Lake Michigan. A boat landing, steel catwalk and hoisting device will be included in the construction.

The new life boat and motor will soon be delivered and John Peters and Mr. Byrne were appointed by the Safety committee to go to Waukegan and acknowledge delivery as soon as it is ready.
