Jantzen Glamour Swim Suits

Loveliest swim suit fabric of the year are by Jantzen. They're new—startlingly new. Aptly they've been termed Glamour Fabrics. Lovely new textures make them a delight to wear—a delight to feel—a delight to behold. They are soft, rich, lustrous. "Velva-Lure" and "Satin-Knit" are triumphs of the knitters' art. "Knit-In Prints" are very gay, very colorful. All contain Lastex yarn for perfect girle fit.

Illustrated Below

A fun-in-the-sun destiny awaits you in the Jantzen "Coolie Two-some"—so brief, so gay, with its bright coolie hat print. Very practical too! The bra snugs to the figure and is cleverly adjustable. It is one of Jantzen's new Knit-In Prints, soft, rich, and lustrous, with just the right amount of two-way stretch achieved with Lastex yarn. \$4.95.

Illustrated Above

Here in the Jantzen Princesse is the very newest innovation in swim-suit design! It has ingenious quarter panels both in front and back that deftly slim your waist and sleek your hips to the new silhouette. There's no problem of the suit "riding up" because the panel seams hold it firmly in place. The bra is effectively designed for the coveted up-curve bustline. You may wear the straps parallel, crossed or halterneck. Tailored of Jantzen's beautiful textured "Satin-Knit"—one of those rich, new Glamour Fabrics with Lastex yarn added for two-way stretch and figure control. \$5.95.
