### CHRISTIAN SCIENCE CHURCHES

"God the Preserver of Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 11.

The Golden Text was, "Thy righteousness is like the great mountains; thy judgments are a great deep: O Lord, thou preservest man and beast" (Psalms 36:6).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "I will extol thee, my God, O King; and I will bless thy name for ever and ever. Every day will I bless thee; and I will praise thy name for ever and ever. The lord preserveth all them that love him: (Psalms 145:1, 2, 20 to :).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The relations of God and man, divine Principle and idea, are indestructible in Science; and Science knows no lapse from nor return to harmony, but holds the divine order or spiritual law, in which God and all that He creates are perfect and eternal, to have remained unchanged in its eternal history" (pp. 470-1).

### "I'm from Missouri" Starring Bob Burns at Deerpath Theatre

Bob Burns, your favorite native humorist, has changed his overalls for top hat, white tie and tails and forsaken the prairies for Piccadilly and Mayfair in his newest picture, "I'm From Missouri!" to be presented Thursday and Friday, June 15 and 16 at the Deerpath theatre. Burns at the head of a large cast of popular players, including Gladys George, who plays his wife, Gene Lockhart, Patricia Morison, Judith Barrett, William Henry and George P. Huntley. The last three, incidentally, are the principals in the romantic story that weaves in and out of the adventures of Burns and Miss George.

Mr. Moto finds his most breathtaking adventures on "Danger Island" in 20th Century-Fox's exciting new mystery, "Mr. Moto in Danger Island," starring Peter Lorre as Moto, which comes to the Deerpath Saturday, June 17. Jean Hersholt, Amanda Duff, Warren Hymer, Richard Lane, Leon Ames, and Douglas Dumbrille head the brilliant supporting cast, every last member of which turns in a splendid performance.

Errol Flynn, hero of some of the screen's most thrilling adventures, will be seen for the first time as a Western Hero in "Dodge City," the huge Technicolor production which will be presented Sunday, Monday and Tuesday, June 18, 19 and 20. The turbulent days of the brawling west of the 1870's is the colorful background against which Flynn projects his virile and adventurous

personality. Olivia DeHavilland has the romantic lead opposite him. Grimly gripping story of the New York police and of a father who must put a halt to the criminal activities of his own son, "Sergeant Madden," playing Wednesday and Thursday, June 21 and 22, presents Wallace Beery in his most masterful characterization to date. The cast includes Alan Curtis, Tom Brown, Laraine Johnson and Fay Holden.
