CHRISTIAN SCIENCE CHURCHES

"Is the Universe, including Man, Evolved by Atomic Force?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 18.

The Golden Text was, "To us there is but one God, the Father, of whom are all things, and we in him" (1 Corinthians 8:6).
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For, lo, he that formeth the mountains, and createth the wind, and declareth unto man what is his thought, that maketh the morning darkness, and treadeth upon the high places of the earth, The Lord, The God of hosts, is his name" (Amos 4:13).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The notion of a material universe is utterly opposed to the theory of man as evolved from Mind. Such fundamental errors send falsity into all human doctrines and conclusions, and do not accord infantly to Deity" (p. 646).

Highwood Council Ends Long Discord; Appointments

A halt was called Tuesday night to the two-months old dissension among members of the Highwood city council as Mayor Charles Portilla made departmental appointments which were confirmed unanimously by aldermen. Shirt-sleeve sessions, which for the past weeks had led to continual secret conferences, recesses, adjournments, and postponements of meetings, ended with a truce.

Although council approval was given for 16 appointments, the post of city attorney was not awarded. Wrangling about appointments resulted in irregular meetings. Monday night the council convened an hour late, heard the minutes read, recessed for a 20-minute period that lengthened to 70 minutes, and gathered again to go through the formality of an adjournment motion. The Friday previous all that took place was a calling to order and an adjournment at the suggestion of the mayor.

Appointees are John DeSmidt, chief of police; Nels Englund, sergeant; Walter Henderson, Clyde Cameron, John Crovetti, and Edward Cassidy, patrolmen; Thomas Russell, Jr., city collector; Floyd Peterson, head of the water department; Patrick Roach, city dump at-

endant; David Olson, building inspector; Dr. N. C. Risjord, city health physician; Raymond Ueberham, health inspector; Arthur Englund, fire chief; and Alphonso Burgoni, janitor.

Vetted by the mayor was the ordinance requiring councilmanic countersignatures of all checks, warrants, and vouchers drawn upon the treasury. Signatures of the mayor and city clerk are now alone necessary.

Investigation into the financing for the widening of Railway avenue from Highwood to Prairie avenues was delegated to the street department by action of the council. Councilmen also decided to continue in effect the ordinance prohibiting the sale of fireworks for the Fourth of July.

Members of the council, since the April 18 elections, are Paul Pagliai, J. M. Cowgill, George Kenry, John M. Simpson, Joseph Cahia, Gino Picchi, Joseph Farneti, and Albert H. Bjork.

Mrs. F. W. Parker Jr. Passes on Tuesday

In addition to her husband she is survived by two sons, Francis W. III, and Emerson Parker; a daughter, Jeanne, and her mother, Mrs. Harriet E. Hinchliff of Rockford. Services will be held at 1 p.m. today in Graceland cemetery chapel.
