

Inklings from Neighboring Towns

George Stickert, 11 years old, who was apparently dead when pulled from the lake at Wauconda last Sunday, was restored to life by the excellent work of nearby swimmers, coupled with the skilled efforts of members of the Wauconda fire department. The youth had gone to the lake with his aunt and uncle, Mr. and Mrs. John Kamem-poff of Maywood, with whom he lives, for an outing. He was found floating face downward in the lake by another bather, who pulled him to the shore where resuscitation efforts were started at once. The inhalator was rushed to the scene and within forty-five minutes the boy was restored to life.

A civic drive to advertise Libertyville in connection with the Richard J. Lyons for Governor campaign was started there this week with a movement to finance the cost of erection of an illuminated sign at the northeast corner of the Park and Milwaukee avenue corner.

The Antioch Country Fair, which began as an annual poultry show but has expanded into a general exhibit, will be held August 24, 25 and 26 at the Antioch high school grounds. This will be the 17th anniversary of the fair.

Mario Savocchi, 18 years old, of 391 Provident avenue, Glencoe, employed as water boy on the grade separation project, sustained a broken pelvic bone and bruises and abrasions on his entire body, last week when a 36 inch concrete pipe struck him, knocked him down and rolled over him.

Lake Forest's oldest drug store changed ownership July 1, when Frank J. Wenban sold his interest in the business of Wenban and Griffis to Willis W. Griffis.

Joseph P. Daly, Waukegan postmaster, is the first to receive reappointment as a postmaster in a first class Illinois postoffice under the new civil service regulations.

His permanent appointment was confirmed late yesterday by the United States senate, with that of Joseph O. Hucker, Jr., to the Lake Villa postoffice.

Under provisions of recent civil service legislation, Daly was appointed without term, indicating that the job is permanent.

Cherry street, Winnetka, both 15 years old, and Karl Humphrey, 520 Ash street, Winnetka, were rescued by Wilmette coast guardsmen last week Monday when a 12 foot kayak in which they had been paddling about, capsized a quarter of a mile off Elder lane beach in Winnetka.

H. H. Windsor, Jr., who lives at 419 Sheridan road, witnessed the accident from his home on the bluff and after notifying the coast guard station proceeded out to their assistance in a canoe he dragged from his basement.

The kayak, which belongs to Humphrey, was being towed along by the boys, as they attempted to swim ashore, when the coast guards arrived 15 minutes after they were called. The boat was salvaged.

Wilmette Playground and Recreation board has announced an improvement program by which the Village Green, adjacent to Howard school and fronting on Ridge road, will undergo a transformation, from which it will emerge as one of the finest modern playground and recreation plants on the North Shore, with up-to-the-minute equipment and facilities and fieldhouse designed for the comfort and convenience of the public as well as for beauty of architecture and interior decorative features.

This much-needed improvement, it is stated, has been made possible by a grant from the Works Progress Administration, and the development will be made as a WPA project. The financial arrangements, it is added, are so favorable that it will not be necessary for the board to go outside its regular budget to meet its share of the cost.

Legion Auxiliary Reports on Results

At the regular meeting of the Legion Auxiliary of Dumaresq Spencer Post No. 146, held last Thursday evening, Mrs. W. E. Salyards, Jr., presided in the absence of the president, Mrs. H. G. Eitner, who was called to Streator by the death of her father, Mr. Nelson.

Mr. Sutherland, who served as carnival chairman, gave an excellent report on the carnival, the proceeds of which were most gratifying. Mrs. Sutherland sponsored a hand work booth, as a new innovation this year, which proved a valuable asset to the carnival's success.

Max Ekelman, Jr., who was sent to Boy's State at Springfield by the Auxiliary the latter part of June, told of the meeting there, and how much he enjoyed it.

At a previous meeting of the Auxiliary the following officers were chosen for the ensuing year:

Mrs. W. E. Salyards, president; Mrs. Kenneth Wilson, 1st vice president; Mrs. Sture Swanson, 2nd vice president; Mrs. Norman Culver, treasurer; Mrs. Henry Eitner, historian; Miss Edith Hansen, chaplain; Mrs. Bernardi, sergeant at arms.

These officers will be inducted into office at the September meeting of the group.

Mrs. Eitner and Mrs. Salyards were elected to serve as delegates to the state convention to be held in Peoria the latter part of August.
