

State All Star Game at Elgin to Aid Buster Olson

During the course of the testimonial benefit game, held last Sunday at Sunset Park, announcement was made to an overflow crowd, that in behalf of Mr. E. P. Klehr, president of the Illinois State Amateur Baseball league, that the proceeds from all tickets sold in Highland Park for the coming all-star game at Elgin, August 23, would be donated to young Olson. Sunday's game was in honor of "Buster" Olson, young Highland Park boy and junior legion pitching star who has been confined in the hospital with infantile paralysis, and the entire proceeds turned over to him.

The game in Elgin will begin at 8:30 p.m. Wednesday evening, Aug. 23, at the Stadium in that city, between the all-stars of the northern Illinois section under the direction of Mr. Dots and the all-stars of the southern section of the state under the direction of Russel Porter. Tickets for the game are being printed and sold in Highland Park.

This announcement came as a climax to several of the many events that made "Buster" Olson day one of thrill and enthusiastic demonstration by the overflow attendance which gave "Buster" an ovation everytime his name was mentioned over the public speaking system which had been installed and donated by Jack McCarthy for the occasion.

The Junior Legion teams of North Chicago and Highland Park played a brilliant game and the final score of six to three in favor of Highland Park hardly indicates how close and well fought it was. Major Frank Ronan of Highland Park tossed out the first ball and at the end of the seventh inning after reading a letter from "Dizzy" Dean to young Olson, made a formal presentation

to Mr. and Mrs. Lester Olson, the boy's parents, of a check for the proceeds, a ball bat from Gus Mancuso, a baseball autographed by all the members of the Chicago Cubs ball team and another autographed by all of "Buster's" teammates.

Much of the success in conducting this event is due to Harry Chambers of the Legion who directs the Junior Legion team, the members of the team and Jas. Rankin. The game was sponsored by the Highland Park Junior Legion team and the Dumaresq Spencer Post under the direction of Leslie McCaffrey, commander, and Harry Chambers, assisted by a committee composed of Major Ronan, Ed. Eitel and Wm. Logan, vice-commanders, T. Fiora, adjutant, and H. B. Aiston.

Mrs. Philip Cole Escaped Serious Injury in Accident

Mrs. Violet Cole, wife of Philip Cole, city surveyor, narrowly escaped serious injury last Wednesday evening, when the car she was driving was struck by another car, turning it over several times and damaging it almost beyond repair.

The driver of the other car was Mrs. Elizabeth Woodman, 63, 317 Center street, Waukegan, who was headed west on Southland avenue, when she hit the Cole car, which was headed south on Sunnyside avenue. Mrs. Cole escaped with a scratch on her left arm, while her car was badly damaged and the front end of the other car damaged.

Cars Slightly Damaged

Two cars were slightly damaged Monday when W. Quirk of Deerfield, driving east on Deerfield avenue, collided with F. H. Schweiger, 534 Gray avenue, who was going north on Green Bay road.

CHRISTIAN SCIENCE CHURCHES

"Soul" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, August 13.

The Golden Text was, "The Lord is my portion, saith my soul; therefore will I hope in him" (Lamentations 3:24).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "O God, thou art my God; early will I seek thee, my soul thirsteth for thee, my flesh longeth for thee in a dry and thirsty land, where no water is. To see thy power and thy glory, so as I have seen thee in the sanctuary. My soul shall be satisfied as with marrow and fatness; and my mouth shall praise thee with joyful lips: Because thou hast been my help, therefore in the shadow of thy wings will I rejoice. My soul followeth hard after thee; thy right hand upholdeth me" (Psalms 63:1, 2, 5, 7, 8).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy:

"Soul and Spirit being one, God and Soul are one, and this one never included in a limited mind or a limited body" (p. 335).

Thanksgiving Date Should Remain "As Is" Concensus Here

Considerable controversy has developed all over the country regarding President Roosevelt's recent announcement moving the date of Thanksgiving day up a week. In other words it will be observed November 23 instead of November 30.

Highland Park citizens are also expressing their views on the situation. The concensus of opinion here is that the 75 year tradition should remain as it was founded.

Mayor Frank Ronan, when approached on the subject, said, "I believe that this is not the time to make the change. It will work a hardship in some instances and will involve considerable readjustment to meet the new schedule. I do not approve of changing this historic date which was set by our forefathers. It is an historic event demanding our respect and consideration."

Ernest Belmont, Highland Park Chamber of Commerce secretary, said, "I believe that Thanksgiving day should be observed on the day which has been established for its observance. Think of the many changes which will have to be made. Calendars and almanacs will have to be reprinted, football schedules revamped and numerous other revisions made. I really cannot say I am in favor of it, altho I can readily understand how some merchants might feel regarding it."

Rev. H. F. Siemsen, who has just returned from a vacation in Wisconsin, said, "I haven't given much thought to the matter as I have been rather out of touch with current events during my stay up north. However, I do not feel that it is good policy to change this date for when you once open the door, there is no end to trouble. Everyone will have another date which they will feel justified in changing."

The HIGHLAND PARK PRESS will be very glad to receive any other expressions on this subject which is of interest to everyone in the United States.

Roy Delhaye of Highland Park and Lawrence Freeman of Lake Forest spent the week end in Northern Wisconsin.

Shirley Anne and Jacqueline Noerenberg of Wilmette are visiting their grandparents, the F. C. Noerenbergs this week.

Watch Fat Go!

If you want to take off ugly fat easily and pleasantly all you have to do is—
First... eat sensibly which means you avoid over-eating. Second... mix 1/4 of a glass of Welch's Grape Juice with 1/4 of a glass of water and drink before meals and at bedtime. Thus you reduce caloric intake considerably. But you do not suffer a hungry moment. There are no strict diet lists, strenuous exercises or taking drugs. Yet!—in a test conducted by Dr. Damrau of New York, with this method among a group of intelligent and cooperative people who followed directions implicitly, an average weight loss of seven pounds was registered per month. This remarkable method is just as beneficial and effective for overweight men as it is for overweight women. There is only one thing to watch. Eat sensibly which means you avoid over-eating; and be sure to use Welch's Grape Juice—always made from the pick of the grape crop; always full strength; always pure.

Try This Amazing Welch's Tomato Juice if you think all Tomato Juice is alike, try Welch's "vitamin-rich" Tomato Juice. It is so rich and thick you can add 1/2 water or ice and still have a most delicious Tomato Juice.

Former Resident Sends Greetings To H. P. Press

George G. Rock of Kenosha, Wis., who was former proprietor of a meat market known as the Palace Cash Market in this city, sent greetings to the HIGHLAND PARK PRESS and John L. Udell, when he sent in his annual subscription to this paper early this week. Mr. Rock has been a constant subscriber to this paper for nearly twenty years.

It is these friendly gestures which are deeply appreciated by "old timers" in a city. Thanks a lot, George.

The old Palace Cash Market was located at the corner of Central avenue and Second street in what is now Baum's bakery. Later it removed to the opposite side of the street where it was operated for a number of years.

Murdock was headed west on Central avenue, when he hit the Lang car which was north bound on Green Bay road.
