TRUE COMMUNITY SPIRIT

Community minded citizens of Highland Park turned out "enmass" Sunday to witness the benefit baseball game staged between Highland Park and North Chicago junior teams. Not everyone was present, but it was perhaps one of the largest aggregations to ever attend one of our home town sports given by a group of her friends at events.

What a splendid spirit of cooperation and how grand it ning at 8:00. She was the recipiwould be if these boys could have the same encouragement every game.

The American Legion is one of this city's most outstanding and community minded organizations. It is ever ready to assist in every worth while project and is prepared to take the initiative at all times.

With less than two weeks to prepare for it, the American Legion put over one of the most successful benefit affairs ever staged in Highland Park. It is more of this community Moose was very well represented at spirit that Highland Park needs.

More cooperation and backing of civic projects, not with chapters brought their candidates to selfish motives, but rather to improve our city. What Highland Park needs is consideration of the masses, not the classes.

Every day at the New York World's

Fair I survey an have traveled hundreds and even thousands of miles to get away from their kitchens and cook stoves.

The miracles of the World of Tomorrow hold their attention only until they hear the whir of my egg beater or the sizzle of my skillet as I demonstrate new ideas in cookery from my rostrum in the Court of Flames. In that instant they forget their tired, throbbing "World's Fair" feet. They don mental aprons and forget all else as they picture themselves in a Cinderella kitchen preparing a feast for the loved ones back home.

Truly there is magic and romance in this thing called cookery.

P. S.-I will be lecturing all summer in the Court of Flame, New York World's Fair. I'll be happy to have you visit me. G. R.

But here is an excellent substitute.

Ham-and-Chicken Supreme

Cut thin slices from a Wilson Tender Made Ham, boneless in tin. (Those Meal-Sized tins are a treasure and they are ready to serve.) Broil lightly and open a jar of Wilson's Certified Boneless Chicken and arrange on top of the ham, first the dark meat and then the delicate slices of white meat. A 31/2 oz. jar will make four servings. Pour over each serving my Supreme Sauce made as follows:

SUPREME SAUCE

2 tablespoons Clear Brook Butter 2 tablespoons flour 1 cup Wilson's Certified Chicken Broth 1/2 cup heavy cream 1 Clear Brook egg yolk

Melt the Clear Brook butter, blend in the flour, then gradually pour on hot chicken broth and cream. Bring to boiling point, stirring constantly. Season with salt and a few grains of nut-meg. Add egg yolk slightly beaten. Strain, and pour over the chicken. Top with broiled mushroom caps.
