PEAT BOG — NOT INCINERATOR

In spite of the fact that Highland Park's incinerator was a campaign factor in the city's spring election, it is really not the cause of all foul odors which are emitted within the limits of our fair city.

During the past few weeks, Mayor Ronan has been besieged with calls blaming the incinerator for the terrible odor which continues day and night in this area.

Fact is, that the incinerator is not to blame, for it has been put in order and is operating in fine condition.

However, if one will go west on Clavey road to the drainage canal district he will find that the putrid aroma rises from the peat bogs, which cover about twenty acres west of Highland Park between the Skokie Highway and Green Bay road, stretching along the drainage ditch west of Clavey road.

Every year rag weeds accumulate on these bogs and during extremely dry weather are either accidentally or spontaneously set on fire and the accumulation of weeds burns down to the peat bogs where constant smoldering continues until a heavy rain storm puts out the fires.

This is one of nature's formations for which our incinerator need not take the blame.

Elm Place School Annual Fall Festival Is Now in Progress

Due to the marriage and subsequent resignation of Miss Irene Stark, kindergarten teacher at the Greenbay Road school since the school opened, some last minute changes were necessary in the staff of the Greenbay Road and Elm Place schools. Miss Caroline Delle, kindergarten and first grade teacher at Elm Place, was transferred to Greenbay road. Miss Harriet Marks, also a kindergarten and first grade teacher, was given charge of the kindergarten at Elm Place. Mrs. Mary Neale Burr was engaged to teach first grade at the Elm Place school. Mrs. Burr grew up in Evanston, is a graduate of Wellesley college, and has had extensive graduate training at Northwestern university and at the National College of Education.

The schools got off to a good start last week in spite of the terrific heat. The children were dismissed at noon on Friday because the heat had finally become unbearable. In the assembly at the Elm Place school on Thursday, colored slides of fall flowers were shown and explained by Mr. Bert Leech, science teacher. These slides are part of the collection of the late Jesse L. Smith. The collection is owned by the school and is a continued source of pleasure to the children.

The annual Fall Festival is being held in the gymnasium of the Elm Place school on Wednesday and Thursday, September 20 and 21. At this festival the children will exhibit flowers, vegetables, and

fruits that they and their parents, working together, have grown during the summer. The children are also urged to display nature collections or interesting things discovered during the vacation period. Products of the school garden are also included in the exhibit. These comprise mainly the common grains and many plants with which Highland Park children may not be familiar, such as kaffir corn, broom corn, sorghum cane, flax, milo maize, buckwheat, peanuts, hemp, etc.

A program celebrating the 150th anniversary of the adoption of the Constitution of the United States will be held in the Elm Place School Auditorium at the regular weekly assembly period on Thursday, September 21, at 1:30 p.m. Since Constitution Day, September 17, falls on Sunday, the school program will be given at the regular assembly time. This program will be a simple one, geared to the interest and maturity of elementary school children. It is being prepared by a group of eighth grade pupils under the direction of Miss Doretta Grunewald, social studies teacher. Parents and other interested citizens are cordially invited to attend this and all other school assemblies.

Highland Park Is Again Leading in County Building

Highland Park, which has been the construction leader in Lake county throughout the year, continued to stay ahead with a total of \$63,419 last month. The construction of a business building in the community, estimated at \$24,800, was a factor in bolstering the total.

Waukegan, the second placer, was active to the extent of \$56,011, according to the survey. In July the city rated \$30,012.

In fourth place was Lake Forest with \$28,692 followed by Barrington with \$26,676. The list was closed with \$19,875 for North Chicago and \$142 for Lake Bluff.

"Captain Fury" in Return Showing at Deerpath Theatre

Dramatizing the roaring adventure and rich romance of the frontier days in Australia in the early 19th century, "Captain Fury", co-starring Brian Aherne, Victor McLaglen and June Lang, will be shown Thursday and Friday, Sept. 21 and 22, at the Deerpath theatre.

"The Adventures of Robin Hood" starring the dashing Errol Flynn, will play a return engagement Saturday, Sept. 23. The huge technical color melodrama received some of the highest praise ever accorded a motion picture from critics and audiences when it had its Hollywood premiere.

"Daughters Courageous," the Warner Bros. comedy of domestic life which is playing Sunday, Monday and Tuesday, Sept. 24, 25 and 26, could be termed a first cousin to the same studio's highly successful "Four Daughters," but it is not a sequel to that picture.

"Wuthering Heights" will play a return engagement at the Deerpath theatre on Wednesday, Sept. 27. The cast supporting the three principal players boasts such well knowns as Flora Robson, Geraldine Fitzgerald, Donald Crisp, Hugh Williams and Miles Mander.

The famous story of the Great Northwest in the making, "Susannah of the Mounties," comes to the Deerpath Thursday and Friday, September 28 and 29, ablaze with action, conflict, emotion and courage.

Chicago Symphony Orchestra Opens 49th Season Oct. 12

On Thursday evening, Oct. 12, the Chicago Symphony orchestra will open its forty-ninth season. Frederick Stock will enter his thirty-fifth year as conductor and Hans Lange his fourth as associate conductor. Full details of the Orchestra hall season follows:

There will be twenty-eight consecutive Thursday night concerts and a like number on Friday afternoons. Programs for these two major series are identical. An independent cycle, consisting of twelve concerts, will be given on the second and fourth Tuesday afternoons of each month, beginning with the fourth Tuesday of October, the 24th. The six young people's concerts are scheduled for the third Wednesday of each month, starting Nov. 15. The fourteen popular programs begin on Oct. 21 and continue on alternate Saturday evenings until the end of the season.

Seat charts with prices of seats, further information and assistance may be had by calling Highland Park 362.

Helen Straus Aaron School of Dance Opens in Ravinia

Helen Straus Aaron School of Dance has opened in Ravinia and is located at 1534 Judson avenue, one block from Ravinia station, across from Ravinia school.

Miss Evelyn Mannion will again be associated with the studio, teaching classes in tap, acrobatic and ballroom dancing.

In view of the increased importance of the Modern American Dance as a creative art form, Helen Straus Aaron spent the summer at the Bennington school of dance participating in dance groups conducted by Doris Humphrey, Martha Graham, Hanya Holm, Bessie Schonberg, Charles Weidman and Norman Lloyd.

The classes in ballroom dancing at the Ravinia school will again be under the direction of Helen Straus Aaron.

There will be ballet for beginners, intermediate and advanced pupils. Modern dance open to adults and classes for children, tap and acrobatic classes.

WILSON'S Weekly MEMO by GEORGE RECTOR
Those of you fortunate enough to own, rent or otherwise have access to a clump of terra firma have, I trust, been handing yourselves bouquets of mint, parsley, thyme and the like all summer. But now is the time to gather them in and dry them before the frost does it for you.

To do so: Spread them out on cookie sheets and dry quickly in a moderate oven. Remove stems, crumble leaves and put them at once in tightly corked bottles. With a few such bottles, you can face the long winter with all the nonchalance of a provident squirrel.

HAM WITH A WHAM
If you sensibly purchase your Tender Made Hams whole or by the half, cut a thick steak from the center. Or your dealer will let you have a steak 1 to 1 1/2" thick. Rub it with a little butter (Wilson's Clear Brook has the best flavor, I find). Also butter the pan. Place in a hot oven (400° F.) for 7 minutes. Sprinkle brown sugar on both sides and heat for another 7 minutes. That is really all there is to it, except that so delicious, so mouth-watering a ham steak as this deserves the very best sauce accompaniment that even I can give you, and this is it:

- RECTOR'S RAISIN SAUCE FOR HAM**
- 1/4 cup raisins
 - 1 cup water
 - 4 or 5 cloves
 - 1/4 cup brown sugar
 - 1 teaspoon cornstarch
 - 1/4 teaspoon salt
 - Few grains pepper
 - 1 tablespoon Clear Brook butter
 - 1 tablespoon vinegar or lemon juice
 - 1/4 teaspoon Worcestershire sauce
- Cover the raisins with water, add the cloves and simmer for 10 minutes. Add the sugar, cornstarch, salt and pepper, mixed together. Stir until slightly thickened, and add the remaining ingredients.

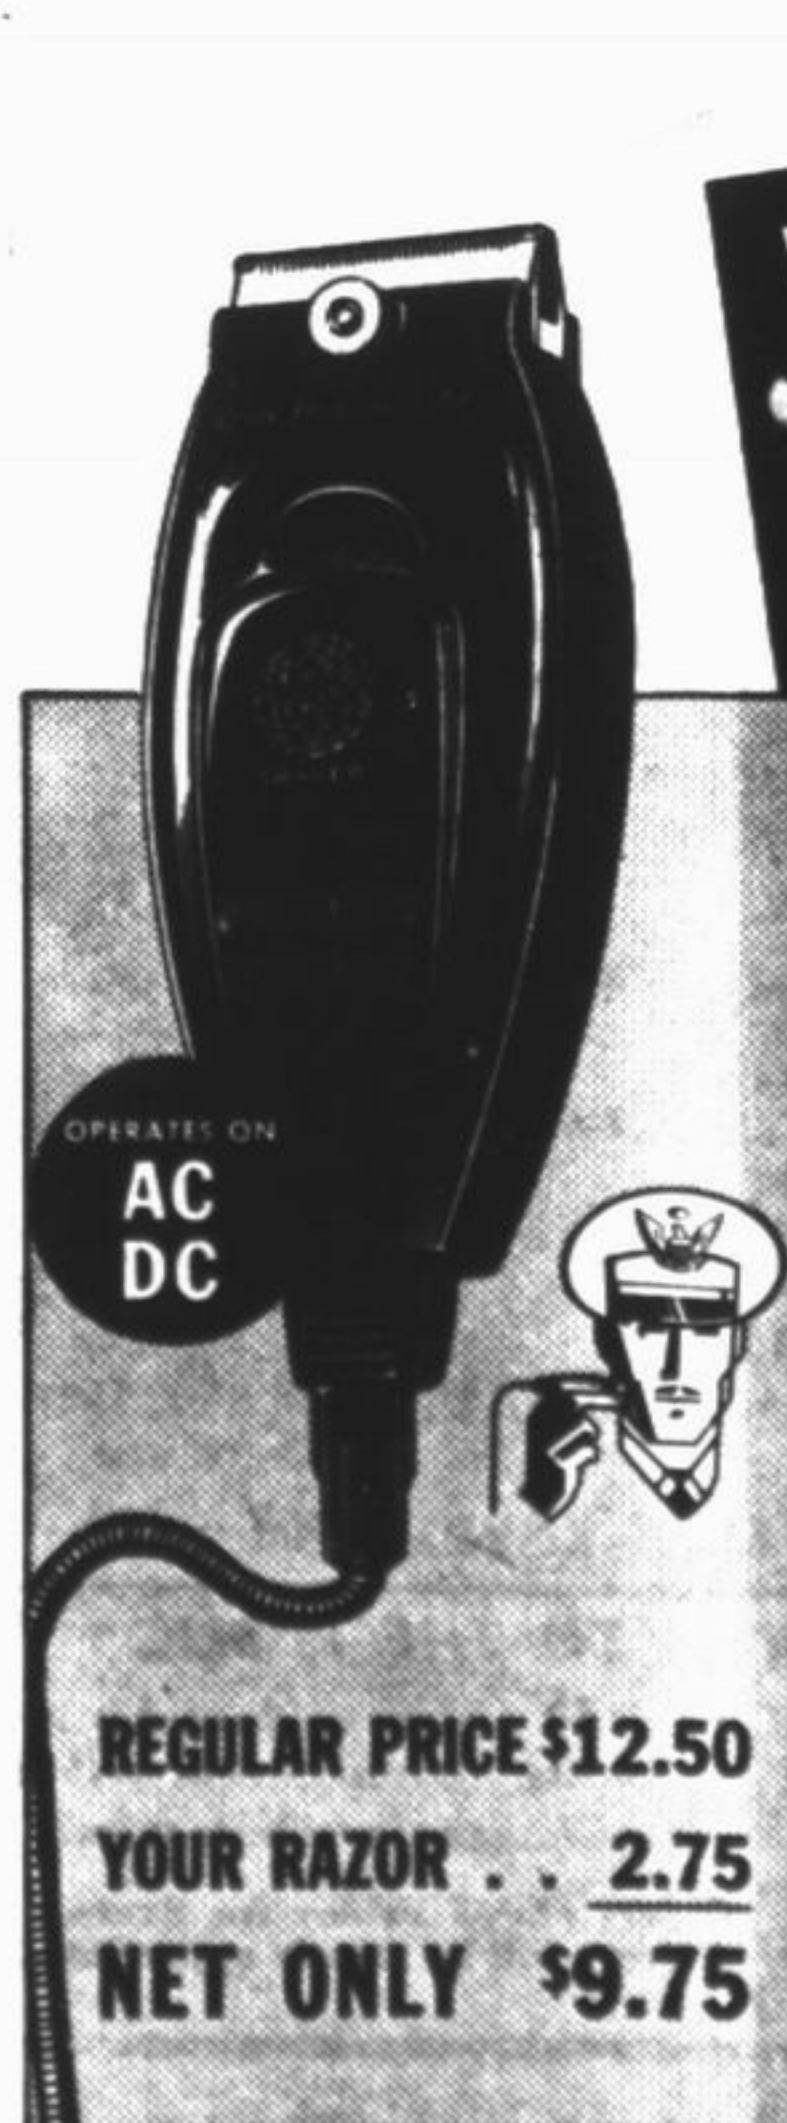

CORNERED BEEF DE LUXE
I could tell you how to make the most delicious cornered beef that ever threw a hungry man into transports of rapture. But this is 1939. So instead, I am simply going to tell you that Wilson's Certified Brisket Beef, which comes in a tin, ready to eat, is literally the best cornered beef I have ever tasted. I have never met anything like it for flavor, texture and tenderness. There are about 4 pounds to the tin, and that's not an ounce too much, take it from me.

Easy to Serve
Put a tin of Wilson's Certified Brisket Beef in the refrigerator until thoroughly chilled. Then open and remove contents. Slice very thin, as part of a cold meat platter, with horseradish sauce near at hand. Or, for plate service, arrange individual servings on a plate, with a roll, some potato chips and a tomato stuffed with cabbage salad, and there's your meal. Note:—If there is any left over, heat in a steamer, and serve with boiled carrots, turnips and potatoes. Or make a cornered beef hash that is a delight to mose on—seasoned just the way you like it and with a poached Clear Brook egg smuggled up to each serving.
