

### Call Women for Jury Service in County After Oct. 23

Lake county women will be on the local circuit court jury panels after Oct. 23, according to reports from the office of Circuit Clerk L. J. Wilmot. They will be included in the panels to be drawn from the jury list in County Clerk Jay B. Morse's office from now on.

There are 413 women's names in the list of 1,000 petit jurors approved by the board of supervisors for jury service in the circuit, county and probate courts for 1939 and 1940. The 1,000 names are being typed on individual cards today and will be placed in the special box.

From time to time, when Judge Ralph J. Dady or Judge Perry L. Persons or Judge Martin C. Decker orders a venire for his respective court, one of the court clerks will be blindfolded and with at least one judge present will draw the names. The box contains the cards with the names of 587 men and 413 women.

A jury venire of 36 being summoned for service in the circuit court for the first part of October is composed of all men. These names were drawn out of the box for 1938-1939. Cards for the mixed jurors will be placed in the box for future drawings.

The all-male petit jury will report to circuit court on Oct. 3, the day after the October grand jury is impanelled by Judge Dady. This last all-male venire includes the following from Highwood and Highland Park:

Ernest Bergdahl, 323 Grove, Highwood.

Herbert Leonard, 641 Carroll ct., Milton Hardacre Jr., 221 Park ave., John Miller, 236 Beach st., Conrad Swan, 917 S. St. Johns, Henry Dubin, 363 Cedar ave., Thos. Browning, 1531 S. St. Johns, George J. Kirkgasser, 1030 S. Sheridan rd., Sidney McAllister, 2134 S. Deere Park dr., all of Highland Park.

### Daylight Savings to End Next Sunday

Daylight Saving time will end in Highland Park next Sunday morning at 2 a.m. as well as in Chicago and all other nearby communities.

Clocks will be set back one hour next Sunday in compliance with an ordinance established last spring, bringing to an end the summer time schedule.

North Shore line and Chicago and North Western train schedules will be revised to comply with the winter schedules. All railroads have operated on Central Standard time during daylight saving time, so they will simply carry on their regular schedules.

Highland Park churches will begin the new schedule Sunday, and all church members are requested to note that services will begin an hour earlier according to the change in time.

### Inklings from Neighboring Towns

Hitler was hung in effigy from the tallest tree in Market Square, Lake Forest, early last week. A work shirt and trousers stuffed with paper formed the body of a dummy whose head was a painted cloth sack. So that there would be no mistaking the identity of the dummy it was labeled "Hitler." Lieut. Alex Brebner requisitioned the longest ladder obtainable and removed the "remains" to the police station.

William S. Brown, instructor in industrial arts at New Trier High school since 1921, was one of the passengers aboard the ill-fated British passenger steamer, the Athenia, it was learned this week. He is listed as "not accounted for" by the state department.

Mr. Brown was in Great Britain visiting relatives when the war broke out. Members of the high school faculty were advised by Mr. Brown's family that he had embarked on the Athenia. His name has not yet appeared in any list of rescued passengers.

Mr. Brown made his home at the Pembroke hotel in Evanston.

Assets of the Libertyville Federal Savings and Loan association now exceed \$300,000 with an increase of \$16,000 in investment funds within a month a report made to members of the association last Tuesday by W. E. Larson, secretary of the group, disclosed.

The annual invitational tournament of the Chain O'Lakes Country club at Antioch will be held Sept. 23, William E. Brandt, chairman of arrangements committee, announced today.

Mixed foursomes will play in the morning, while the afternoon will be devoted to tournament play. Attractive prizes will be awarded.

August Schwerman, proprietor of the general store at Gilmer, reports that thieves removed all four wheels from his truck some time Saturday night. Discovery of the theft was made when he went out in the yard Sunday morning, Mr. Schwerman informed the sheriff's office.

Ten Waukegan property owners recently deposited \$205.24 to improve their street under the city-wide WPA sidewalk improvement plan.

They are residents of Runyard place from Elmwood avenue east to the deadend of the street.

The work will consist of installing curb and gutters on both sides of the roadway, covering about 300 feet, according to estimates made by Andrew Klarkowski, assistant city engineer in charge of the project.

The property owners pay the cost of materials, WPA labor puts in the work and the city supervises the project.

### \$7,000 Fire Destroys Skylon Club Early Wednesday Morning

Fire believed to have been caused from the grease chute at the Skylon club, damaged the club early yesterday morning to an estimated \$7,000.

The Highland Park fire department responded to the alarm at 1 p.m. Wednesday, and assisted the Glencoe department in extinguishing the blaze which had gained considerable headway before the firemen arrived.

Damage to the exterior was estimated at about \$3,000, while \$4,000 damage was placed on the contents. How much insurance was carried on the building is not known.

The Skylon club which is located on Skokie highway just south of County Line road, is perhaps more familiarly known as the Skyrocket.

Wonder when Lake Forest will decide on the spelling of one of its roads... the street and railroad signs differ... one says "Westleigh" road... the other "Wesleigh" road... If you delve into the pages between the covers, you find that distemper isn't only a canine malady... it's also the oldest form of painting... In describing the Egyptian temple symbolic services, Van Loon says, "As for the congregation, it
