A birthday gift was purchased by the juniors and given to a girl at the Dorcas Home, also three birthday cakes were baked and delivered there.

After the games were played the

H. P. High Defeat Downers Grove in Games Saturday

That the Highland Park High school football players can beat their opponents in enemy territory was proven last Saturday when the varsity and frosh-soph teams traveled to Downers Grove and rang up two victories. The varsity won by a score of 19 to 13, while the frosh-soph won by the margin of one point, the final score being 13 to 12 in their favor.

In the curtain raiser Downers Grove lights took the lead by scoring a touchdown in the first quarter but failed to convert the extra point. Neither side scored again during the first half so at the midpoint the Downers boys lead by 6 to 0. Barnhardt gave the fans a thrill when the second half started. He caught the kickoff and behind perfect interference ran 85 yards for a touchdown that tied the score. The try for extra point failed. Again in the third quarter after the Highland Park team had fought their way down the field, Barnhardt went through the line on a quick opening play for his second touchdown. He then ran around his right end to score the extra point and give his team a 13 to 6 lead. In the last period Downers Grove made a touchdown but were unable to convert the extra point that would have tied the score. Barnhardt scored all the points for his team with the aid of good support from all his team mates. The ends did an especially fine job of rushing their opponents.

Far from being awed when they found themselves up against a team whose line averaged 190 pounds, the Highland Park varsity went to work and took the lead in the first quarter. Flint with the aid of some nice blocking went around right end and travelled 57 yards for a touchdown. Nelson kicked the extra point. When Jenkins threw a long pass for Downers Grove that was good for a touchdown and made the extra point the score was tied. In the second quarter Flint threw a 15 yard pass to Summers who raced 30 yards to a touchdown. This was

a nice play which completely fooled the Downers defense. The try for extra point was no good and the half ended with Highland Park leading 13 to 6. Shortly after play was resumed Menduno went through the line on a quick opening drive and raced 70 yards for a touchdown. His shiftiness enabled him to shake off two tacklers while his interference took care of the remainder. Again the try for extra point failed. In the final quarter some beautiful passing by Jenkins put the ball in scoring position for Downers Grove. With 50 seconds of play left they made their second touchdown but failed to convert the extra point. After the kick off the Highland Parkers got possession of the ball and kept it until the final whistle blew with the score 19 to 13 in their favor.

Jenkins, whose passing was always to be feared starred for Downers Grove. No one player stood out on the Highland Park squad. The starting lineup and substitutes all played smart, clean football against an outfit that out-weighted them by many pounds. This Saturday on their home field they play the strong Morton eleven, and judging by their first two games they will give a good account of themselves.
