

Adult Education Classes to Start Next Monday Night

From the results of the registration this week, everything points to a decided increase in enrollment over any previous year. More than two hundred registrations have already been received. By far the greater number of registrations will be made on Monday evening before classes start.

Bookbinding will definitely be offered this year and new equipment for this class is now being purchased because of the great interest shown during the registration period.

The Badminton classes on Monday evenings are nearly full. However there is still plenty of room for persons in the Wednesday evening classes.

Only a few more registrations can be made in Mr. Schneider's and Mr. Durbahn's Woodwork class.

Great interest is being shown in Current Affairs lectures. Prof. Streyer, who has been here for the

past five years, will again open the series on Wednesday evening. His talk will be on "The Problem of American Neutrality" in the present crisis.

The second lecture will be given by Prof. Earl DeLong of the Economics Department of Northwestern University. Prof. DeLong is a member of the Republican Planning Committee.

There will also be a class in Citizenship offered on Wednesday evenings.

Everyone should remember that registrations can still be made on Monday and Wednesday evenings of next week.

There has been heavy enrollment also in Bookkeeping, Sewing, Typing, and Public Speaking.

Everyone in the community should take advantage of the wonderful opportunity offered at the High school for recreation, hobbies and vocational interests.

Classes will start promptly at 7:30 p.m. Come on over and join the most enthusiastic and growing project in town.

Alumni Welcome at High School Homecoming Dance

"Fifth Quarter Jive," the Boys and Girls Club third annual Highland Park High School Homecoming Dance, will be held in the boys' gym on Saturday, October 21, at 8:30, following the game with Waukegan. Bud Beal's popular North Shore orchestra will furnish the music.

The orchestra was selected by Mary Ann Jones, Peggy Jones, Dan Scully, Bob Weinberg, and Bill Aiston.

Alumni are extended a special invitation to this dance. They may bring friends as partners even though such friends did not go to this school, but students who are now in school must be accompanied by partners who are in school at the present time or who have attended at some time in the past.

Alumni may purchase tickets in advance or at the door. Students are to purchase tickets from session representatives or members of the ticket committee before the date of the dance. The ticket committee is composed of C. Jones, J. Heath, J. Grinnell, J. Kelly, F. Bangs, A. Flint, J. Wonnell, E. Detmer, T. Summers, E. Zaeske, F. Menduno, with T. Starrels as chairman.

Last year more than fifty alumni couples returned to renew relations with the school at the homecoming dance. An even larger number are anticipated this year because of the success met with on previous occasions.

Rummage Sale to Be Held Oct. 19 at Presbyterian Church

A rummage sale will be held at the Highland Park Presbyterian church on Thursday, Oct. 19, starting at 9 a.m.

All donations should be at the church not later than Wednesday afternoon, Oct. 18. If you have large articles, such as furniture, to donate, call Mrs. Chas. Baker, H. P. 2956, and a truck will be sent Wednesday morning to pick them up.

Let us remind you that a rummage sale is of three dimensional benefit: you relieve storage congestion in your home; someone obtains at small cost a much-needed article of clothing or home equipment; and the money so obtained is used to relieve needs in our parish at home and abroad.

Any useable article is saleable.

Merchant Gridders Open Season With 1 Lost and 1 Won

Playing two games in three days, the Highland Park Merchants football team opened another season at Sunset park last week.

In the first encounter, on Friday night, the Wrightwood A. C. was defeated, 6-0, as a result of a touchdown made in the third period by left halfback George Bowden after the team had pushed steadily down the field for 70 yards.

Several fellows playing for the first year with the Merchants were prominent in the Sunday afternoon game but the play was generally ragged and in the end the Chicago Hi-Hatters were the winners by a score of 7-0.

Additional players for the team are still welcome to try out this Friday at Sunset park, although Coach George Hall has a good-sized squad, composed mainly of members from teams of the last two years.
