

**"Yale Puppeteers" to Be Presented by Gamma Phi Beta**

Under the auspices of Gamma Phi Beta sorority for the benefit of their camp and endowment funds, the "Yale Puppeteers" will present their second edition of "It's a Small World" on Wednesday evening, Oct. 11, at the Woman's club of Evanston.

This is one puppet show that has no Sleeping Beauty, no Little Red Riding Hood, no Damozels in Distress; in short, none of the familiar trappings that make the popular conception of the ordinary marionette show. The "Yale Puppeteers," who present a satirical revue with puppets, are experienced hands at adult entertainment and are unique in their field. They are now on their twelfth coast to coast tour. The slogan of the "Yale Puppeteers" is, "Today's headlines in tonight's performance" and it is this timeliness, plus the clever lines and melodic music that make "It's a Small World" unusual and sparkling entertainment.

The sale of tickets is headed by Mrs. David T. Sanders of Highland Park, assisted by Mrs. Thomas Leeming of Highland Park, Mrs. Charles Swann of Glencoe, Mrs. George Grant and Mrs. H. Mathias of Winnetka, Mrs. Harold Brown and Mrs. Lewis Ermeling of Wilmette, and Mrs. Joseph Landes of Evanston.

**Dr. Walter Metcalf Family Arrives in New York Tuesday**

Dr. and Mrs. Walter B. Metcalf, with Walter B. Jr., and Miss Edith Metcalf of Deerfield, Carl Eklund, and Miss Sara Eklund of Glencoe, and Dr. and Mrs. Karl Beck, of Waukegan, arrived in New York Tuesday from Gothenburg, Sweden, when the liner Gripsholm drew into port after a roundabout trip.

The ship, they reported, traveled north a day and a half along the Norwegian coast, then turned west to a point near Iceland before venturing toward the regular traffic lanes. The object was to avoid mine fields north of Scotland. Though far off course, they were contacted last Monday night by a British warship which inquired their identity by blinker signal.

The 1,188 aboard included Prince Sigvard Bernadotte of Sweden, here to display his designs of hand-wrought silver, Ginjiro Fujihara, of the House of Peers, Japan, who noted that American styles now prevail abroad, and Bruce Cabot, actor, who has just completed the picture "Traitor Spy" in England.

**Lady Elks Elect Officers Tuesday**

At a meeting of the Lady Elks held Tuesday, Mrs. Herbert Moran, who has served as president of the organization for the past three years, resigned. Mrs. Elmer Malmquist, vice president, was elected to the position of president. Mrs. Gus Klem will replace Mrs. Malmquist as vice president and the outgoing secretary, Mrs. George Haessler, will be replaced by Mrs. William Mooney.

Arrangements were made for the annual luncheon which will be held at Open House Tea room in Deerfield, October 17th. Serving on the committee are Mrs. Joseph Stipe, Mrs. James Mooney and Mrs. William Mooney.

**Robert's "Believe It or Not" Story Is Rather Costly**

Robert C. L. Price, 1334 Judson avenue, Ravinia, believes he has a story worthy of a berth in Robert Ripley's "Believe It or Not" columns.

While on business in Washington, D. C., a week ago Saturday evening, directly across the street from the White House, he was held up by four young men presumably in the late teens or early twenties.

Among the valuables taken was a watch which he prized very much for its value as well as the sentiment connected with it.

Almost simultaneously with the robbery in Washington thieves broke into his home at 1334 Judson avenue, in this city, that same evening, taking among the many valuables another watch belonging to him.

Mr. Price is still wondering whether it was flattery or insult which prompted these two incidents. At any rate, he knows that it is an unpleasant as well as a costly encounter. However he has gotten his watch back, for the Washington police located it in a pawn shop in that city.

**Missionary Rally**

**Winners Dinner of N. S. Yacht Club to Be Held Oct. 11**

The North Shore Yacht club will hold its annual Winners Dinner at Hill's Tea Room on October 11th. Dinner will be served at 6:30 p.m.

Guests of honor include Messrs. Malcolm Vail, John T. (Bud) Snite, Albert P. Snite, Jim Hobelman, secretary of the Chicago Corinthian Yacht club and the Snipe Fleet captain of the same club.

The trophies to be awarded are: The "George G. Greene Trophy" awarded to the skipper whose boat has crossed the finish line first the most number of times on elapsed time; "N.S.Y.C. Handicap trophy" awarded to the skipper whose boat has finished first the most number of times on corrected time; the "High average trophy" awarded to the skipper whose boat has the highest average on both elapsed and corrected time; "The Consistency trophy" awarded to the skipper whose

boat has consistently placed on both elapsed and corrected time.

The highlight of the evening will be the awarding of the "Malcolm Vail Safety trophy." This trophy has been presented to the club for the purpose of encouraging safety in sailing off Highland Park. To be eligible the skipper must equip their boats with certain equipment necessary to safe sailing, they must store and keep their boats in "ship-shape" order. The boats are to be rigged to withstand the maximum strain and the skipper during the season should exhibit careful and intelligent seamanship.

The latter part of the banquet will be used by sound motion film of particular interest to sailors and 400 feet of film taken at the Yacht club. Guests are invited at a nominal fee and a fine evening is promised to all who attend. The meal will be preceded by a Smorgasbord.

Edgar A. Boehm is chairman of the Winners Dinner committee.
