High School Teams Win Third Victory **Defeat Morton 26-6**

For the third successive Saturday both Highland Park High School teams scored victories. In the froshsoph game the fireworks started in the first quarter when Barnhardt went inside tackle and dashed 20 yards to score. Detmer's kick was blocked. Highland Park scored again in the second frame when Werhane went around right end for 6 yards and a touchdown. Jones' kick went wild. A few minutes later a Morton player got away and ran 40 yards for their lone touchdown of the game. The try for extra point failed and the score at the half was 12 to 6 in favor of the home team. In the third quarter Highland Park took the ball to the 3 yard line. From there Crocetti went inside right tackle for the third touchdown. Maechtle's drop kick split the uprights. In the last quarter Werhane made a 20-yard pass to Jones who caught it in the end-zone. Again Maechtle's kick was good for the extra point. The final score was Highland Park 26. Morton 6.

The outstanding lineman for Highland Park was Jack Evers who played both guard and center positions. Rossi and Detmer each played a great defensive game backing up the line. Crocetti, who scored one of the touchdowns made many long gains and was aided greatly by Maechtle's offensive blocking. The best play of the game occurred in the third quarter. Detmer after centering the ball to Rossi, came back, took a lateral and then threw a 40-yard pass to Jones which put thriller and regardless of the outthe ball on the 10-yard line. Fifty Highland Park players were used Floyd's team will give a good acin the game. The starting lineup was: Jones, l.e.; D. Baracani, r.t.; Evers, l.g.; Detmer, c.; Dever, r.g.; Chambers, r.t.; Maechtle, r.e.; Werhane, q.b.; Barnhardt, l.h.; Crocetti, r.h.; Rossi, f.b.

In the varsity game the Little Giants took the lead in the second quarter when Flint threw a 10-yard pass to Summers who raced 15 yards to a touchdown. Picchietti placedkicked the extra point. In the third quarter Heath made the score 13 to 0 in favor of the local boys when he raced 35 yards to the end zone. The try for extra point was no good. In the fourth quarter Heath again scored, this time on a 75-yard run. This play brought the spectators to their feet. Heath by elusive dodging got by the line of scrimmage from where a quartet of his players escorted him safely down the field. With the score 19 to 0 in their favor the Highland Parkers didn't worry when the try for extra point failed.

Flint, the quarterback, did an excellent job of calling signals. In addition he threw some nice passes. Joseph Joseph was out of the lineup in previous games but played fullback and appears to be near his old-time form. He replaced Nelson who was out with a cold, but

Tuesday

who expects to be in shape for the by consistently reeling off long gains. makers removed with the exception cannot be given the linemen for the road. stand they made against a team that far outweighed them. Earhart, who has been an outstanding guard all season, was removed from the game in the second quarter when he received a cut lip. He will be in the lineup for Saturday's game against Evanston as his injury is now healed. The remaining linemen Bob and Ray Johnson, Aiston, Grinde, Lyon, Tanelian, Miller, Shelton and Boilini all played good ball and are battling hard for first place on a team that is hard to make. Clark and Mazzetta did a nice piece of work on defense. Picchietti, the team member with the educated toe, gave good service with his long

If there was anything outstanding about last Saturday's game it was the good team work of the Highland Park players. Time and again the player with the ball would lateral and then block out an opponent enabling his mate to make many yards gain. When a player once broke loose his squad members lost no time in forming interference for him. The behavior of such a large crowd was evidence that spectators at athletic contests as well as participants can be good sports. This Saturday on the High School athletic field the varsity will play the undefeated Evanston eleven. This game is expected to be a come one thing is sure-Coach count of themselves.

The lineup against Morton was: Summers and McDonald, ends; Ray Johnson and Lyon, tackles; Shelton and Earhart, guards; Bob Johnson, center; Flint, quarterback; Heath and Menduno, halves, and Joseph fullback. Substitutions: Clark, Aiston, Boilini, Miller, Grinde, Mazzetta, Picchietti and Tanelian.

Removal of Speed Signs From Skokie **Provokes Protest**

A protest against the removal of speed limit signs and the changing of city limit markers on Skokie highway was made to C. H. Apple, district engineer of the state highway department, last Friday, when he visited the city officials here.

Chief Moroney said that Apple claimed he was powerless to restore the signs until he had conferred with state highway authorities in Springfield.

highway is a super-highway, and gave the fans their money's worth "the sky's the limit" with speed he fell ill. out of the air they were both good north limits of Berkeley road and pany. on the defense. Too much credit about 1,000 feet south of Deerfield

Although this does not change the law regarding speeding within the city limits it does however make the situation most hazardous for motorists who attempt to cross the highway at other intersections than those governed by said restriction

Lake Forest official have also protested to the state department, and it is hoped that an agreeable adjustment of the situation will soon

VITAMIN D MILK HELPS A LOT! They're just babies today. Then a few breathless, speeding months and they are well on their way through child-

Every mother dreams and plans for her boy or girl . . . plans for proper care and at-

tention-a good education-the good health so essential to success in any walk of life. Yet, is that boy or girl getting everything they need to equip them for the climb up the ladder in years to come? Proper nutrition is an

hood.

important factor in good health. Our Homogenized Soft Curd Vitamin D Milk is offered to you to assist in your job. Each quart contains 400 Vitamin D units which help build strong bones and sound teeth. In addition, this milk is "homogenized." The cream is broken up and distributed evenly throughout the entire bottle of milk -and it stays that way!

Thus, every drop has its share of extra nutrition and creamy delicious taste. It's more quickly digested, too, because the cream break up produces a smaller, softer curd in the stomach. Helps prevent that "full feeling." Ask for it today-you will be repaid in extra food value.
