#### CHRISTIAN SCIENCE CHURCHES

"Unreality" was the subject of the Lesson-Sermon in all Churches of Christ. Scientist, on Sunday, October 1.

The Golden Text was, "There is that maketh himself rich, yet hath nothing: there is that maketh himself poor, yet hath great riches" (Proverbs 13:7).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "I have seen all the works that are done under the sun; and, behold, all is vanity and vexation of spirit" (Ecclesiastes 1:14).

The Lesson-Sermon also included the following passages from the Christian Science textbook. "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Error of thought is reflected in error of action. The continual contemplation of existence as material and corporeal—as beginning and ending. and with birth, decay, and dissolution as its component stages—hides the true and spiritual Life, and causes our standard to trail in the dust" (p. 550).
