

Badminton Class a Regular Feature at Lincoln School

Are you looking for a place to play Badminton? Tuesday night from 7:30 to 9:30 a good time for you to play! Then put next Tuesday in your notebook and come visit this community adult education class.

George Ekdahl is the instructor and offers lessons to those just beginning the game.

From all indications Badminton will be our most popular athletic activity this Fall and Winter. It is a sport that is co-recreational and is great fun.

For more information call Mr. X, phone 2692.

Former Resident Is Honor Guest of Creative Writers

Highland Park's "Creative Writing" group, meeting on Thursday mornings at the Y.W.C.A. under the direction of Rowena Bennett, has members coming from as far as Evanston and Libertyville to enjoy the exchange of ideas and techniques. Manuscripts of all kinds from one act plays to problem stories are being turned in to Mrs. Bennett for anonymous reading and class criticism so every session promises to increase in interest. The group includes those who have published successfully as well as those who have "also wanted to write."

The first luncheon meeting will be held following the Thursday, October 19 class when Edith Lovejoy Pierce will be a guest of honor. Mrs. Pierce, who has had verse accepted by "Poetry" magazine, "The Saturday Review of Literature" and "The Christian Century," is a former Highland Park resident. These optional luncheon meetings are open only to registered members of the course. Editors as well as writers will be guests of honor.

Girl Scouts NEWS AND NOTES

The Girl Scout Troop 10 of the Elm Place School is working on their outdoor badges. Thursday night they cooked bacon on tin cans in Mrs. Williams' back yard.

The first meeting of the Girl Scout Star Gazing group under the direction of Mrs. Raymond Watts met at the home of Mrs. C. Eugene Pfister on Monday. There were over a hundred and thirty-seven people present. Mothers and scout leaders were there, too. They would like to have the mother of every Girl Scout come to see what wonderful work they are doing. They brought box dinners and enjoyed them together. The second meeting held this week was at the Braeside gymnasium because of the size of the group. They could not star gaze outside because of the weather, so Mrs. Watts told stories of the constellations. Then groups of the scout's chose one story to act out. The mothers also did one of the stories to the great delight of the girls. There will be two more meetings of this group. They meet Monday nights at 5 o'clock and stay until 7:30.

Church News

First Church of Christ, Scientist
First Church of Christ, Scientist, Highland Park, Ill., 337 Hazel avenue, is a branch of The Mother Church, the First Church of Christ, Scientist, in Boston, Mass.

The Sunday morning service is held at 11 o'clock, and the Wednesday evening meeting, which includes testimonies of Christian Science healing, is at 8 o'clock.

Sunday school is open to pupils up to the age of 20 years, and is held Sunday morning at 9:30.

Subject for next Sunday's lesson sermon, "Doctrine of Atonement."

A free public reading room is maintained by this church at 43 N. Sheridan road which is open daily from 9 o'clock in the morning to 6 in the evening. On Sunday the reading room is open from 2:30 to 5:30. Here the Bible and all authorized Christian Science literature may be read, borrowed, or purchased.

All are cordially invited to attend the services and make use of the reading room.

CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 8.

The Golden Text was, "Bless the Lord, O my soul, and forget not all his benefits: who forgiveth all thine iniquities; who healeth all thy diseases" (Psalms 103:2, 3).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Then he called his twelve disciples together, and gave them power and authority over all devils, and to cure diseases. And he sent them to preach the kingdom of God, and to heal the sick. And they departed, and went through the towns, preaching the gospel, and healing every where" (Luke 9:1, 2, 6).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "It is possible,—yea, it is the duty and privilege of every child, man, and woman,—to follow in some degree the example of the Master by the demonstration of Truth and Life, of health and holiness" (p. 37).

Sunday, Oct. 15, is the beginning of our new conference year and is

Rally Sunday in the Sunday school, church and Young People's fellowship. Mr. Carr has been appointed to serve this church for another year by Bishop Waldorf at the last session of the annual conference at St. James church, Chicago, last Sunday evening. He was ordained deacon this same afternoon by the Bishop. He will preach Sunday morning as usual. Special features have been planned for both church and Sunday school. Sunday school is now meeting at 9:30 and church at 10:30.

At the opening fall meeting of the Young People's Fellowship at 7:30 this Sunday evening, Dr. Edward Staples, director of young peoples work in the Methodist church of this country will carry on an informal discussion with the group. A recreational program has been arranged and light refreshments will be served. We issue a special invitation to all young people.

Let us truly make this Rally Day at Grace church.
