Ladies' Aid ditty... entitled "The Dollar and the Cent"...

*"A big silver dollar and a little brown cent  
Struggle along together west,  
Rolling along the smooth sidewalk  
When the dollar remarked—for dollars can  
talk:  
"You poor little cent, you cheap little mite,  
I'm bigger and more than twice as bright;  
I'm worth more than you, a hundred fold,  
And written on me in letters bold  
Is the motto drawn from the silver creed,  
"In God We Trust," which all may read."  
"Yes, I know," said the little cent,  
"I'm a cheap little mite, and I know  
I'm neither good nor big, nor bright  
And yet," said the cent with a snick little  
slight,  
"You don't go to church as often as I."*

## Approximately \$20,300 Is Paid Unemployed in County in Sept.

Job insurance payments of approximately \$20,300 were made to unemployed workers in Lake county during the month of September by Compensation, State Director of Labor Martin P. Durkin, announced today.

Thousands of Illinois jobless are receiving unemployment compensation checks each week. The amount ranges from \$7 to \$16 depending upon the worker's previous earnings in insured employment. The average check for total unemployment is about \$13.

Most of the unemployed worker's benefit check is spent right in his home county for rent, food, and other necessary living expenses, Director Durkin pointed out.

"Unemployment compensation is not a form of relief, charity or dole," said Director Durkin. "It is a type of State operated insurance designed to protect workers in insured employment against complete loss of income when they lose jobs through no fault of their own. Benefit payments are made as a matter of right, they are not based on need."

Most jobs in commercial and industrial businesses which employ eight or more persons are insured under the Illinois Unemployment Compensation law. Farm workers, domestic workers in private homes, government employees, and workers in certain other groups are not insured.

To be eligible for Unemployment Compensation benefits, workers must have earned not less than \$225 in insured work during 1938, must be available for work and able and willing to work, and must register and file claim for benefits at the Illinois State Employment Service office in their neighborhood.

## Autumn Clean-up Week to Be Held in Ravinia Nov. 1-5

As a good housekeeper does not brush sweepings under the bed, so the Ravinia Woman's club is not counting on snow to cover irrelevant material in the community's vacant property. We might not, after all, have a white winter. At any rate, the club's civic committee, of which Mrs. Lewis E. Baker is chairman, is sponsoring an autumn cleanup week from November 1 to 5.

The project is already gaining momentum among the children of the Ravinia and Branside schools from a poster contest which will close on October 27. Selected posters from this competition will be shown at the Helen Beach Studio Gallery, 1532 Judson avenue, on Saturday, October 28, and prizes will be awarded. Afterwards, the posters will be distributed locally to give publicity to the drive, and many of the young artists will show versatility by joining their fellows in active cleanup work under the direction of

members of the civic committee. They will have the cooperation of the Boy Scouts, and the city has agreed to be helpful in the disposal of their findings.

## Christmas Seals Are Being Prepared for Coming Mail Sale

The regular chest clinics of the Lake County Tuberculosis Association will be held on Wednesday and Friday mornings, from 8:30 to 11 a. m. at St. Therese hospital with Dr. Charles K. Petter as examining physician. New patients wishing an appointment will please call the office of the Association, Majestic 1805.

Miss White of the Lake County Tuberculosis Association reports that the office is quite busy addressing envelopes for the coming mail sale of Christmas Seals, the proceeds of which sponsor their work. The present office space is not sufficient to store the necessary supplies for the sale and the super-

visors have kindly loaned the Association the rooms in the Court House formerly occupied by the Library.

These rooms will be used as the central headquarters of the Seal Sale and the Association is sending out an invitation for volunteer help in folding Seals, letters, stuffing envelopes, etc. It may be that members of some of the social clubs and other organizations will wish to help as a part of their community program. Anyone wishing to lend assistance will please call the office, Majestic 1805.

## Frank Teurfs Will Present Concert of American Classics

posers. A summer of painstaking research and study will culminate in a concert of American song classics on November 5th at the Studebaker theater in Chicago.

## Invite Public to Hospital Meeting

The meeting will be held at 8 o'clock in the public room located on the ground level of the west wing of the Highland Park hospital. Your attendance is urged.

Your hair won't turn white in a night; or stand on end with fright; or grow after you're dead; blondes aren't more sensitive than redheads or brunettes; explains Dr. Donald A. Laird, among other things—but worry can make you bald. Read this interesting Article in The American Weekly, the magazine distributed with next Sunday's Chicago Herald-American.
