CHRISTIAN SCIENCE CHURCHES
"Soul and Body" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 19.
The Golden Text was, "What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own?" (1 Corinthians 6:19).
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Let Israel rejoice in him that made him: let the children of Zion be joyful in their King. For the Lord taketh pleasure in his people: he will beautify the meek with salvation" (Psalms 149:2,4).
The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The material body and mind are temporal, but the real man is spiritual and eternal. The identity of the real man is not lost, but found through this explanation; for the conscious infinitude of existence and of all identity is thereby discerned and remains unchanged" (p. 302).
