Richard J. Lyons Pledges Reduction in **Government Costs**

A very large and appreciative audience were privileged to hear Richard J. Lyons of Libertyville, who is Republican candidate for Governor in the coming primary election on April 9, when he addressed the Young Republicans of Highland Park, Monday evening in Sher-Park apartments club rooms. His talk was enthusiastically received.

In addressing the meeting he said: There are two things in which the people of the United States are most deeply interested: (1) Keeping America out of war; and (2) Re-establishing truly representative government in State and Nation, as guaranteed by the Federal Constitution.

Experience has proven that war is not only destructive of human life and accumulated wealth but is There will be a regular meeting the prolific cause of high taxes, busof the Board of Directors of the iness depression and unemployment.

> Similar conditions threaten us. They are in the forefront of the 25 at 100 rate 1940 campaign. The New Dealers have had almost seven years of unlimited power and have spent over forty billion dollars in political manipulation of production, prices and markets, but unemployment is still our most pressing problem in the country at large and in the State of Illinois.

To save ourselves and our country, our first big job as citizens is to turn the New Deal wasters out of public office and install an honest, less costly, sane and sensible government in State and Nation as the first step toward renewed agricultural and industrial activity with more jobs in private employ-
