

Legion Announces Annual Xmas Bonus and Korno Party

For the benefit of the many who have already inquired, Leslie McCaffery, Commander of the Du-maresq Spencer post announces that plans have been completed to hold the annual American Legion Big Korno and Christmas Bonus party, Friday evening, Dec. 15th, at Labor temple.

Each year the large attendance and many attractions have made this an out-standing north shore event and this year according to Commander McCaffery there will not only be many new and added features but accommodations and facilities will be increased to entertain over 700 guests.

In addition to the Big Korno game and several contests for which there will be beautiful Christmas baskets and other valuable prizes there will be dancing to a popular band engaged for the evening, entertainment, many fine door prizes refreshments and more than \$100 in cash will be given away by Santa Claus who will attend in person and make the Christmas Bonus awards.

John Peters is general chairman and his committee includes, vice commanders, Ed. Eitel, Wm. Logan, Bob Fiala, Adjut., Dewitt Manasse and Matt Maiman. Prominent members of the post on the honorary committee for this event are Major Frank Ronan, Mayor of Highland Park, Gen. Robt. E. Wood, Gen. Karl Truesdale, Commander of Ft. Sheridan and Miller Schreiner, Commander of the Tenth District of the American Legion.

Various chairmen of the other committees include, Bob Fiala, ticket committee; Paul Webb, bingo committee; John Guthrie, finance committee; Harry Earhart, prize committee; H. Mrazek, games committee; Saylor Schanfelt, turkey award committee; John Olson, arrangements committee; Steven Urban, refreshment committee and Art Swanson, entertainment committee. Henry Hansen is in charge of the invitation extended to Santa Claus and he promises his appearance will be one of the highlights of the evening.

Commander McCaffery further adds that the general public is cordially invited to attend what promises to be one of the biggest and most entertaining events of the year. He likewise adds that as the proceeds of this party are for the benefit of the Legion's fund for Americanism, Child Welfare and Christmas donations to the needy its support will be in a most worthy cause.

Admission tickets include everything for the entire evening and may be secured from any Legionnaire or Bob Fiala, Adjut. American Legion, 21 N. Sheridan road.

Sparrows Point Way to Halt Airplanes

It is said that sparrows taught an Illinois inventor an important lesson in the field of aviation. Octave Chanute, a Peoria resident, it is related, observed how the little birds turn their tails downward in increase air resistance when stopping their flight. The result was the "tail low" theory of landing airplanes.

Chanute made several other important contributions to aviation. Among them was the Chanute Bi-plane, a motorless glider, which weighed only 23 pounds and could carry 178 pounds at 23 miles per hour, say research workers of the Illinois Writers' Project, W.P.A. In 1889, when Chanute was 60 years of age, he arranged what has been called the first successful glider demonstration in the United States at Dune Park along Lake Michigan.

Christmas Vesper Service at Y.W.C.A.

The monthly Vesper service at the Y.W.C.A. has come to mean much to many people in this community. Mrs. Clinton Fritsch, a member of the Woman's board has arranged a service of beauty and significance for each second Sunday of the month and the December one will bring the spiritual emphasis on the holiday season. The November meeting was much appreciated, although Dr. Sherwin was called away his assistant Dr. Lugenbill gave a fine message, and the singing of Mr. Ray Steiner, bass, was very much enjoyed.

The Community Chorus will sing on Sunday next and a beautiful candle lighting service is to be presented. This program will take place in the auditorium of the "Y" at 4 o'clock. At the close tea will be served and all are cordially invited to come and bring friends.

Cradle Auxiliary Meets Next Monday with Mrs. Hadley

The Cradle Auxiliary of Highland Park will meet on Monday, December 11, at the home of Mrs. R. W. Hadley at 248 Oakland drive at 2:30 p.m. Mrs. Fred Tuerk will act as assistant hostess.

Mrs. William White, treasurer of the Auxiliary, will give her report of the very successful Cradle party held at Villa Moderne the night before Thanksgiving. Mrs. Charles De Leuw will present additions to the by-laws which were adopted by the board at its monthly meeting.

The Cradle Auxiliary, less than a year old in Highland Park, is already quite active and has achieved a place of dependability in its service to the Cradle at Evanston. Individual members operate the switchboard at the Cradle three half days per week, hostesses there two half days per week, sew bibs,

sleeping garments, and other articles for the babies, in addition to various clerical and outside activities. The Auxiliary of Highland Park has forty members, and will be limited to that number for the present. There are Senior and Junior Auxiliaries of the Cradle in both Evanston and Winnetka, each doing distinct and separate work for the Cradle.

Mother's Club Meets
The regular December meeting of the Mothers' Club will be held on Tuesday, December 12, at the Y.W.C.A. at 8 o'clock. The meeting will be the annual Christmas party, and a grab bag and Santa Claus will be the features.
