**CHRISTIAN SCIENCE CHURCHES**

"God the Preserver of Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 10.

The Golden Text was, "The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore" (Psalms 121:8).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And the Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom: to whom be glory for ever and ever. Amen" (11 Timothy 4:18).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "In divine Science, where prayers are mental, all may avail themselves of God as a very present help in trouble: Love is infinite and bestows. It is the open font which cries, 'Ho, every one that thirsteth, come ye to the waters'" (p. 12).
