

Dr. E. T. McSwain to Address Joint P.T.A. Meeting Jan. 11

A joint meeting of Elm Place and Green Bay Road P.T.A.'s will be held at the Green Bay school auditorium Thursday, January 11, at 3 p.m. It promises to be of very special interest.

Mrs. Daniel Davitt, chairman of programs has engaged the services of Dr. E. T. McSwain, professor of education at Northwestern university. His topic will be "The School's Contribution to the Child." Dr. McSwain is an outstanding speaker and nationally known authority on elementary education who has much to offer his hearers in that field. He has but recently returned from a speaking tour of California where he lectured at Parent-Teacher conventions and numerous other teacher groups and was very highly acclaimed.

The members await his lecture with eager anticipation and expect a large attendance.

Previous to Dr. McSwain's talk, tea will be served in the kindergarten room.

Everyone interested is asked to take notice of the fact that this is a Thursday meeting.

H. S. Students to Dance January 13

The dances which have been held at the Y.W.C.A. for high school students directed by James Martine are very popular and much enjoyed. Heretofore they have been held on Friday nights, so please note change to Saturday, thus avoiding the conflicting diversion of basketball games.

It has been noted with interest that Highland Park has set the ball rolling in this innovation, the idea having appealed to other groups on the North Shore, and one of the Evanston papers recently told of the North End Mother's Club sponsoring this type of fortnightly dances at the Lincolnwood school. Mr. Martine directs this group, the price and registration follows our plan, and it is meeting with great success and enthusiasm.

Instruction is given every evening, supervised dancing follows, Bob Bock's orchestra furnishes the music, and only a limited number can be accommodated. Registration for Saturday night, January 13, must be made at the Y.W.C.A. and the doors are closed at 8:30.

Thrills Galore Draw Large Crowds at Shrine Circus

Thrills galore are greeting the public every afternoon and evening at the Shrine Winter Circus which opened last Saturday and will continue with matinee and night performances daily through January 14 in the International Amphitheater, Halsted and 42nd streets.

Attendance likewise has soared to new heights, being double the record of a year ago. Officials attribute this to a better appreciation of the fact that the circus engages the top talent from the nation's leading tented organizations.

"Every act is a circus headliner," states Joseph G. Rowley, illustrious Potentate of Medinah Temple, the sponsoring organization. "Furthermore, there is no honor quite so high among circus folk than to be chosen for the circuit of Shrine Winter circuses throughout the United States, of which Chicago's is the first. Net proceeds of the Chicago circus will go to the Shriners' Hospital for Crippled Children at 2211 North Oak Park avenue."

While it is difficult, if not impossible, to single out the outstanding act of the circus, Captain Ramon Proske and his Bengal tigers; the Great Wallendas, high wire dare-devils; Lee Powell, the original motion picture "Lone Ranger" and his company of wild west buckaroos; the Flying Solts, trapezists; the Picchiana troupe of acrobats; the Loyal Repenskys in daring bare-back riding feats; Rudy Rudynoff and his educated Liberty horses; Roland Hiber's trained seals and the aerial Voices, are sharing the enthusiastic plaudits of the crowds in notable manner.

Otto Griebling of international note heads a congress of sixty clowns. A herd of 15 performing elephants and other animal acts from the jungles add zest to the program.

New Year's Day Baby
The honor of having the first baby born at the Highland Park hospital this year goes to Mr. and Mrs. Hugo Beinlich of Glencoe. Their son was born Monday morning, January 1.

Two Accidents Are Recorded Here on New Year's Day

Although two accidents were reported locally on New Year's day, it is hoped that Highland Park's accident record during the coming year will be far below any previous years.

With clear weather prevailing throughout the holiday season, accidents were held to a minimum. The first accident on New Year's day occurred at 2 a.m. when a car driven by John G. Cherry, 27, 196 Central avenue, crashed into two cars on Central avenue at the intersection with Hickory street. Cherry, who was headed east, was driving too far over on the wrong side of the road when he crashed into the automobiles of Ed. F. Ream, 3344 W. Hermitage avenue, Chicago, and P. J. McMahon, 130 S. Second street, who were both headed west on Central avenue.

Little Joan Cherry, 17 month old daughter of John Cherry, who was riding with her parents, sustained bruises and a cut over her eye. She was riding in the rear seat, alone at the time of the accident. No one else was injured.

Miss Dorothy Roberts, 42, of 5142 Dakin street, Chicago, sustained cuts on her face and a broken left wrist, when she fell from a car on Skokie highway at 2:01 a.m. Monday. She was riding with Leonard Elliot, 4823 W. Huron, Chicago. She told the local police that she fell from the car when the car door opened as they were riding along. he was taken to the Highland Park hospital for treatment and later released.
