The dramatic sketch which and cereal. was scheduled for this meeting has been postponed.

ST. PAUL'S HERALD

Rev. F. G. Piepenbrok is issuing a very attractive booklet called "St. Paul's Herald." The January issue contains a sermonette by Rev. Eugene Miller of the Dorcas Home; also births, baptisms, deaths, and announcements of interest to his parishioners. He also announces that 707 people attended the Christmas service at the church as follows: Sunday morning (cantata)237 Christmas Eve (children's serv-

Designate State or

Springfield, Ill., Dec. 27 — If you happen to note passenger cars with 1940 license plates carrying the prefix M don't make the mistake of thinking that the cars are carrying truck licenses or that the millenium is at hand or M Day for that matter. The M is a new method of designatng state, county, and municipally owned cars.

Secretary of State Edward J. Hughes inaugurated this new system for 1940 in order that an accurate count of such vehicles, a count which the legislature has strongly urged may be made. Secretary Hughes also explained that the accounting department of the automobile division also will be materially aided inasmuch as all state, cation is found. It is a big oldcounty, and municipal cars used for official purposes are licensed on a small flat fee basis under sections 8 to make it formidable. West Deerand 9 of the Motor Vehicle laws and field has one at the detention home. designating the numbers given for these cars with an initial letter make them easily identifiable in the 36 cases which included 118 persons.

This letter system applies to all motors of this class with the exception of police cars detailed to special duty which requires secrecy.

Relief Clients Cost \$3.39 Per Day at County Hospital

Many people are not familiar with Lake county institutions. Eighteen townships in Lake county send their relief clients to the County hospital. The average daily quota for the past year has been 75 patients per day (there were 90 in December) at a day by the county for each patient, and \$6 a day for a mother and baby. This includes all expenses including ly salary of \$4,975 to the county hospital. Dr. Charles Lieber has as members of his staff, Dr. Karl M. Beck, Dr. John Foley, Dr. Joe Foley, Dr. Louis Kompare and Dr. E. P. Sundwall. Dr. L. F. Waldman is hospital eye, ear, nose and throat specialist. Mrs. Marguerite Effinger directs a staff of 15 nurses and 11 other employes. The Lake County General hospital is situated in Waukegan. During the month of December West Deerfield had one maternity case and one operation.

The Lake County Home, sometimes called the Poor Farm, is located in Libertyville. West Deerfield has one inmate at this farm at present. Here the cost is 80 cents per day. This includes all care and clothing. Philo Burgess and his wife have charge of the farm.

There is also a detention home in Waukegan, but children are never housed there for very long. It is just a home until the courts have completed action. Judge Perry L. Persons and Mrs. Mary P. Funk send children there until a permanent lofashioned home on Jackson street and there are no bars nor fences

During the month of December West Deerfield township cared for This included one poor farm case and one Dorcas Home case.
