

Deerfield Board Revokes Tavern Owner's Cash Bond

The Deerfield Village board of trustees met Tuesday evening for the regular monthly meeting. Another piece of property in the village is to be subdivided in the near future. This is the five acre tract at the corner of Waukegan road and Greenwood avenue. Last month the Easton farm property plat was presented to the board for discussion, but nothing was done at this meeting concerning that property.

The Deerfield A. & P. Tea Co. made application for a beer license which is to be granted. John D. Schneider, chairman of the license committee, also reported that the vehicle tags are now available. The board voted to take up the \$100.00 cash bond of Tavern Owner Cassius Easton, who forfeited it three months ago, and did not appeal the case. Village Clerk Chester Westling was instructed to send registered letters to the three present tavern keepers to inform them that only two licenses would be issued on May first and that a special meeting will be held on Tuesday evening, Jan. 16, to discuss the license fees and that all three are requested to be present. Applications for licenses must be made on or before March 15.

Again the question of reports from the judges on police cases came up for controversy. Another motion was approved which will require monthly accounting to the board. Routine reports of the various committees were heard. All members of the board were present.

Dr. William F. Weir, minister of the Deerfield Presbyterian church, introduced the Rev. Mr. Lowe and Mr. McConnell of the Christian Industrial League of Chicago and told of the gift of a three story hotel to this organization which reclaims men. Both Rev. Lowe and Mr. McConnell asked for permission to resume their work in Deerfield to pick up used articles to carry on their work in Chicago. Because of a peddlers ordinance they had been barred from the village the past year. The board voted to allow the Industrial League to continue to operate in Deerfield.

Funeral Services Held Sunday for Richard Canterbury

The funeral services of the late Richard C. Canterbury, engineer and building contractor with offices in Chicago, who passed away at his home at 765 South Greenway road early last Thursday morning, were held at the Highland Park Presbyterian church Sunday afternoon at 2:30. The Reverend Dr. Sherwin officiated at the services.

Mr. Canterbury was born in Franklin Grove, Ill., and received his education at the old Chicago Manual Training school and at Purdue university from which he was graduated in 1904. After a brief period in engineering practice, he took charge in 1906 of a farm mortgage business founded by his father. He later expanded this business into a home building and real estate development enterprise. Mr. Canterbury served as a major in the army during the World War and aided in the construction of the Hog Island ship building project.

He moved to Highland Park from the south side of Chicago in 1921, and shortly began some noteworthy home building developments on Greenway and Kimball roads. He was very active in local club affairs and served in an advisory capacity in many community projects.

Mr. Canterbury was a member of the Sigma Alpha Epsilon Fraternity, the University Club of Chicago, and the Exmoor Country Club. Surviving are his widow, Mrs. Greek Miller Canterbury, and two sisters, Miss Maurice Mandeville of Lake Bluff and Mrs. George West Wilson of Glencoe.

The pall bearers were Messrs. Morton Mavor, LeRoy Towle, Luther Durkes, Roy Keith, G. Ray Schaeffer, and Howard Smith. Mr. Ranius sang accompanied by Mr. Lewis Eldridge, organist. Interment was at Franklin Grove cemetery following cremation at Grace-land.

Illinois Relief Situation to Be Discussed Jan. 17

"What Do You Know of the Relief Situation in Illinois?" will be the subject discussed at the next meeting of the League of Women Voters, Wednesday, January 17, at 1 p.m. at the Y.W.C.A.

Miss Lea D. Taylor and Mr. Neal H. Jacoby, the speakers, both in key positions in their separate spheres, are highly qualified to give a comprehensive view of the situation.

No debate, further interest is nevertheless added by the fact that the speakers' views in many ways must necessarily be diametrically opposed.

Miss Taylor is Head Resident at Chicago Commons. She is president of the Chicago Federation of Settlements, and has served on the committee on Adequate Relief since its inception. Very active, this committee meets once a week, and has since last October. Because she

contacts actual cases, she views the relief situation in terms of the humans involved. "When we assume any relief," says Miss Taylor, "we also assume the responsibility for these people. We must look ahead and ask ourselves whether a more adequate relief fund would not, in the end, be a better investment for the city." Miss Taylor added that when men are forced to work without sufficient clothing to keep them warm, in order to receive their share of the relief funds, a new problem may arise from a health standpoint.

Mr. Jacoby represents the opposite camp, as chairman of the Illinois Emergency Relief Commission, which must reckon with a set appropriation, and the allocation of relief funds to some 1,400 administrative units, auditing their expenditures, supervising the work of the units.

In view of the fact that Illinois' relief load is 35% higher than it was two years ago, and the appropriation about 25% less, it is hard to see how the present appropriation can possibly prove adequate.

No League member can afford to miss this meeting and will want to bring her friends. Relief problems fall in the province of the Department of Economic Welfare, whose local chairman is Mrs. George W. Carr. The State Chairman of Economic Welfare, Mrs. Maurice Pollock, will act as Chairman of the Day.

The February meeting promises to be equally interesting, and will be presented in the form of a debate on "Federal Aid to Education."

1939's Queerest Accidents. A farmer was electrocuted by a bucket of water, a boy was shot by a falling pear, a bicyclist looped-the-loop to the top of an automobile—and other freakish mishaps, all of which are described in words and pictures in *The American Weekly*, the magazine distributed with next Sunday's Chicago Herald-American.

Do Men Cooks Rate the Freedom of the Kitchen? The average man thinks of himself as a pretty good cook, while his wife often regards his culinary activities in terms of messing up her neat kitchen. Read the interesting conclusions reached by an investigator into the subject, as told in *The Housewife's Food Almanack* feature of *The American Weekly*, the magazine distributed with next Sunday's Chicago Herald-American.

Mrs. Mary Longstreth Passes Away Jan. 5

Mrs. Mary Longstreth passed away January 5 at the age of 69. She was a true pioneer of early American ancestry. Born in Ohio, she had lived most of her life near Creston, Iowa. Her husband, Orlando C. Longstreth, died in 1904, leaving her four young children to rear.

For the past ten years she had made her home with her son and daughter, Albert and Cerena of this city. Two sons also survive, Dr. Calvin of Bellingham, Wash., and Dr. Ewart of Elma, Iowa.

Mrs. Longstreth was a member of the D.A.R. and the Order of the Eastern Star. Short funeral services were held at the home Sunday afternoon, then her body was taken to Iowa for burial services and interment beside her husband.

Vesper Services Sunday at Y.W.C.A.

Another of those fine monthly services of worship and inspiration will be held on Sunday next at 4 o'clock at which time the United Evangelical church will sponsor the service, with the Rev. F. P. Robinson, speaker. These programs are meeting a real need in this community, enabling many who can not attend church services at other hours to partake of them, and all folks in Highland Park are welcome and cordially invited to be present.

Tea will be served after the meeting.

Celebrate Anniversary With Big Fur Sale

Moldaner and Humer, 10 N. Sheridan road, Tailors and Furriers, are celebrating their twenty-seventh year in business in Highland Park by offering a special sale on fur coats.

Having closed a most successful year of business and being desirous of showing their appreciation for the splendid cooperation shown them during the past year, they are offering their patrons, drastic savings during this anniversary sale, which is now in progress.

Libertyville Group to Present Play in Deerfield Tuesday

"The Murder at Loring's" with an all feminine cast, will be given by the Libertyville Drama Club at the regular meeting of the Stagers, local dramatic club, in the Deerfield Presbyterian church on Tuesday evening. The cast includes Miss Quintina Gotti as Jane Peterson; Dr. Henderson will be played by Ruth M. Newbore; Mrs. Loring, by Marie Riley; Celia Porter by Mrs. LaSota; and Emma, the housekeeper, by Mrs. W. L. Miller. Mrs. Loring lives in fear of murder and will keep her audience in close attention as the drama unfolds.

Deerfield Post Don't Want 'Possum

Deerfield Post of the American Legion will have 100 percent membership by the end of the month is the assurance of Legionnaire LeRoy Meyers of the membership committee. This statement was made at the meeting of the Post on Monday evening, and the members are quite certain that they will not be keepers for the county opossum which is being passed around at each district meeting to the Post having the lowest membership. For the past two months Gurnee has had to "feed the kitty," which is still in their possession. Deerfield's quota last year was 58 and

this year's is about 62 members. Ralph Dunham, commander, appointed John Klemp, LeRoy Meyers and W. K. Hout to act as a committee for the next card party, to be held in the near future. Legionnaire Marshall Pottenger made the announcement that all veterans are now eligible for enrollment in the CCC regardless of age.

Campbell Chapter To Initiate Jan. 17

Campbell Chapter No. 712 O.E.S. will have initiation of four new members at their regular meeting on Wednesday, January 17. All members are invited to attend and see the newly elected officers officiating.

Discusses Europe's Problems Monday at Chamber Meeting

William E. Dietz, director of the midwest office of the League of Nations, gave a very stirring and vibrant talk on "Adjustment to Chaos—Reaction and Revolution in Europe" before a goodly attendance of members of the Highland Park Chamber of Commerce. It was one of the finest talks heard by this group of men.

Because of the interest in the speaker's subject, the business meeting was very brief, with only the appointment of committees being made. Other reports will be given at the next meeting of the Chamber.

Now In Progress . . . JANUARY SALES

Mayflower
