

Men of Bethany To Hear of Hobby of Kenneth Kiest

The members of the Laurel League, a men's organization in the Bethany Evangelical church, will have the privilege of hearing a man tell the story of his hobby of "In-laid Woodwork" at their meeting next Tuesday evening. The men will gather at the home of Mr. George Bray, 607 Homewood avenue, at 7:45 p.m. Following a short devotional service, Mr. Kenneth Kiest of LaGrange, Ill., will tell the men of his experiences that have become fascinating not only to himself but to his wife as well. Mr. Kiest is connected with the First National bank in the city, but he spends much of his spare time on his hobby. He is so enthused about his hobby that he enjoys sharing it with others. He and his wife have formed groups of boys and girls in their community and give a number of evenings showing them how they too can do this fine work. Mr. and Mrs. Kiest are active in church circles and frequently tell their story to other church groups, showing them how they can make good use of leisure time. All men interested in this subject are invited to be guests of the Laurel League.

Virginia Wilson Sings Selections of Local Writer

Mrs. Rowenna Bennett will lead the open session of the "Manuscript Morning" at the Highland Park Y. W.C.A. this morning (Thursday).

Miss Virginia Wilson, who is a protegee of Rosa Raisa, will sing several selections from the new book compiled by Rowenna Bennett and Berneice Bentley. She will also sing a popular song composed by Mrs. Lester Olson, one of the class members.

Several writers will read their works, which include poetry, children's stories, excerpts from a detective novel, essays, short stories and plays.

George Abernathy Elected to Fill Vacancy in Office

At the last meeting of the Dumaresq Spencer Post No. 145 of Highland Park, Thursday, Jan. 11, 1940, an election was held for the office of senior vice commander. Mr. George Abernathy was elected to fill the vacancy made by the resignation of Mr. Ed Eitel, whose business hours kept him from devoting as much time to the office as was necessary. With regret, he resigned January 1, 1940.

Mr. Abernathy has always been a very active member, a hard worker at Legion functions and a past officer. As a former service officer he has achieved an enviable record, and so has earned his way to the office he is now intrusted with.

January 10th at 8 p.m. in the Legion hall, the post will have its monthly korno party. Chairman John Peters assures anyone attending a good time with lots of prizes and refreshments. No advance sale of tickets. Mr. Peters has always tried to bring something new to these parties as a surprise and he promises to have that surprise again.

Thursday, Jan. 25, a combined meeting of the Legion and the Legion Auxiliary will be held in the Legion hall. The speaker of the evening is a wonderful orator and psychologist. After a very educational talk he will choose members of the audience and give an analysis, which will be both interesting and amusing.

N. S. Hadassah to Hear Dr. Garfiel Next Wednesday

The next regular meeting of the North Shore Hadassah will be held in the Temple on Wednesday, January 24, at 2 p.m. Dr. Evelyn Garfiel will be the speaker of the afternoon. Dr. Garfiel is a native of New York City and received a B.A. degree at Barnard college and Ph.D. in psychology at Columbia and became a teaching fellow at the U. of Chicago during the year 1920-21. Dr. Garfiel taught in the medical school of the U. of Wisconsin for several years. She also spent some time in Palestine. Tea will be served following the program.

There will be a Hadassah Oneg Shabbat, Saturday, January 20, at the home of Mrs. A. O. Gilbert, 1096 Laurel avenue, Winnetka, at 2:30 p.m.

Mr. E. L. Nudelman, director of all the Chicago Sunday schools, will explain and demonstrate the use of Jewish ceremonial objects. Mrs. Max Shulman will talk on Zionism, and Mrs. Ben Schenker will lead the singing. Tea will be served.

Illustrate Talks With Colored Slides of European Gardens

Mr. Robert Pyle, president of Conrad-Pyle Co., and one of the world's leading rosarians addressed the Men's Garden Club in the auditorium of the Women's Club the evening of January 9.

The talk was illustrated by a series of beautiful color slides taken by Mr. Pyle in the gardens of the principal rose hybridizers of Europe.

In introducing the speaker, Mr. C. Eugene Pfister, president of the Men's Garden Club, announced his intention of collecting the roses hybridized by the late W. C. Egan, Highland Park's nationally famous rosarian of the last generation. He solicits the cooperation of gardeners everywhere.

The next meeting of the club will be held February 16. Mr. Charles Rice, one of the outstanding authorities on the conservation and cultivation of wild flowers, will be the speaker. His talk will be illustrated.

Community Choral Club Holds Monthly Business Meeting

The Community Choral Club's monthly business meeting was held Wednesday evening, January 10, at 8 p.m.

Reports were rendered by officers and chairmen of the various committees. Mr. William Pearce was elected treasurer following the resignation of Mr. T. H. Morris. Also under discussion was the music to be presented by the Choral Club at their annual spring concert. Refreshments were served following the meeting.

The second semester will begin on Wednesday evening, January 24, at 8 p.m. at the YWCA. New members are welcome and can register at that time.

Synopsis of Lecture Given Friday Evening

Thomas E. Hurley, C.S.B., of Louisville, Ky., gave a lecture on Christian Science, Friday evening, January 12 in the Elm Place school auditorium. He was sponsored by First Church of Christ Scientist, Highland Park. A brief synopsis of the lecture follows:

The divine demand, "Work out your own salvation," confronts each of us today, and the method prescribed and used by the Master is as available and as effective now as when he told his followers, "Ye shall know the truth, and the truth shall make you free." The truth about what? The truth about one's self—the Science of true selfhood. And from what is this truth to free us? Jesus did not say that to know the truth would free us merely in some particular respect, such as from sin, but that it would make us free—free in every respect—which means freedom not only from sin, but also from sickness, disease, death, lack, old age, unemployment, unhappiness, inharmonious, and imperfection of every kind. And he proved this liberating power of Truth in his own ministry.

According to his statement, "I have given you an example, that ye should do as I have done to you," Christ Jesus expected us to follow him. This means that it is possible to do so. Jesus marked out the way, and Christian Science shows us how to follow the Way-shower.

An image and likeness, being the perfect reflection of its original, must be exactly like it in quality; hence man, in the image and likeness of God, perfectly reflects every quality of divine Mind, Spirit, Soul, Principle, Life, Truth, and Love. For instance, as the image of perfect Mind, he reflects infinite intelligence, understanding, wisdom, ability, capability, capacity, and so on. He knows exactly as God knows, for he derives his every thought from God, divine Mind.

God's thoughts, or ideas, express Him, and so are Godlike. Whatever does not express divine Mind, Spirit, Soul, Principle, Life, Truth, and Love is not of God and so has no cause, no existence, no power, no reality. It has no presence in divine consciousness which, in our true being, you and I individually reflect—and there is no other real consciousness. The understanding that there is, in reality, no error in consciousness is the law of annihilation to the claim of error to presence in individual human consciousness. And when error's claim to presence in one's consciousness is destroyed, its claim to manifestation in his experience as disease, lack, inharmonious, and so forth, vanishes. In brief, we remove the discordant effect from individual experience by dealing with and destroying its suppositional cause—the belief of wrong thinking claiming presence in individual human consciousness.

Even as a human being, man's consciousness is not in a material body, but this so-called material body is a mental concept included in human consciousness. This is why the human body may be healed by correcting one's thinking. If this body were something separate and apart from mind, it could not be affected in one way or another by thought. But since one's so-called material body is merely his concept of himself, his thinking about himself, to improve this thinking through spiritualization of thought must necessarily improve his body. Consequently there is no possibility of thought being corrected without improving the body.

Recommends French Lick Springs Stop For Florida Bound

The Highland Park branch of the Chicago Motor club, 41 North Sheridan road, is recommending French Lick Springs Hotel to Florida-bound motorists in quest of a desirable stopover spot for their first night on the road.

Located in Southern Indiana, 280 miles south of Chicago, the resort stands at the gateway to the south, being directly north of Nashville, Tenn., focal point for Florida traffic from three directions.

The Motor club, upon request, routes Highland Park motorists to Florida via French Lick Springs over a short route. The spa's facilities make it particularly attractive to tired motorists. The mineral baths are an unusual incentive to vacationists anxious to get into top physical condition for travel, work or play.

It is expected the spa will find favor with travelers as a "last night" stand enroute back from Florida. Excellent highways lead to French Lick Springs and the resort anticipates many will find it convenient to spend not only one night, but several days "resting up" before returning to their social and business affairs.

The hotel is making special rates for overnight tourists.

Candidates Get Ready For Race at Primaries April 9

Only 14 days remain for first filing day on Feb. 8, nominating petitions of county, district and state candidates for the April 9 primaries. Many petitions are now in circulation in all parts of the county, while several office seekers have already filed.

Clerk L. J. Wilmot, Recorder Howard L. Scott and Auditor Robert J. Pearsall in the Republican party circles, have already obtained signed petitions to have their names on the ballot. Coroner J. L. Taylor has also taken out petitions.

George S. McGaughey, well known Lake county attorney, has also announced his candidacy for state's attorney on the Republican ticket.

Republican county candidates must have at least one-half of 1 per cent of the Republican 25,392 votes cast at the last general election, or 128 signatures, on their petitions. Democratic candidates must have at least 61 signatures based on the total Democratic vote of 12,048 at the last election. While there have been different county offices in Democratic circles, none is known to have nominating petitions out.

The last day for filing of county candidates with County Clerk Jay B. Morse, and of district and state office seekers with Secretary of State Edward J. Hughes in Springfield, is Feb. 19.

Reps. Nick Keller of Waukegan and Harold Kelsey of Barrington have been getting signatures for reelection. Former Sheriff Lester T. Tiffany of North Chicago has already obtained enough signatures of Republican voters to have his name on the ballot. The first filing day for these candidates is Feb. 3 with the secretary of state at Springfield.

Petitions are being circulated for Sen. Ray Paddock of Waukegan for re-election in the senatorial district. Albert E. Nordstrom of Waukegan is another candidate for the Republican senatorial nomination.

Nominating petitions for state candidates for the Republican primary have been prominently displayed in Lake county for Richard J. Lyons of Libertyville, for governor; and C. Wayland Brooks of Chicago, for U. S. senator.

CHRISTIAN SCIENCE READING ROOM
43 NORTH SHERIDAN ROAD
Open: WEEK DAYS 9 a. m. to 6 p. m.
SATURDAYS 9 a. m. to 9 p. m.
SUNDAYS 2:30 p. m. to 5:30 p. m.
You are cordially invited to visit the Reading Room, where the Bible and authorized Christian Science literature may be read, borrowed or purchased.

Highland Park

James E. Simpson Jr. of Wadsworth has thrown his hat in the ring for Republican state central committeeman from the Tenth Congressional district. Simpson, a former congressman from the district and active in Republican party circles, will have opposition in Louis Andracki of North Chicago, an assistant supervisor from Waukegan township and a former North Chicago alderman Thomas J. Houston of Chicago, the incumbent committeeman, will also be a candidate.

Republican and Democratic party voters will elect 95 precinct committeemen on April 9 to form party county central committees. The scramble for the precinct posts of both parties will start with the first filing day of candidacies on Feb. 9. The last filing day is Feb. 29.

George S. McGaughey Announces Candidacy For States Attorney

George S. McGaughey, who has been engaged in the practice of law in this county since 1928, has announced that he will be a candidate on the Republican ticket for nomination of State's Attorney.

Mr. McGaughey was born on a farm in Madison county in this state in the year 1899. He attended grade and high school in his community and after graduating from high school was enlisted in the World War. After being discharged from the Army, he was employed for a time and afterward entered the University of Illinois and was there graduated with degrees in Science course and course at law. He acquired all of his education after that of high school through his own earnings. While at the university, among activities he was on debating teams and took prominent part in athletics.

After his graduation and admission to the bar of the State of Illinois, he was connected with the office of Corporation Counsel of the City of Champaign until entering upon the practice of law at Waukegan in August, 1928. Since that time he has been actively engaged in the practice of his profession and has had wide experience in trial work. He was assistant State's Attorney for two years under Colonel A. V. Smith, now deceased. He was Corporation Counsel for the Village of Deerfield for six years and at present is Village Attorney for the Village of Antioch and Corporation Counsel of the City of Waukegan.

Mr. McGaughey is married and resides with his family at 614 North Genesee street, Waukegan. He has a son and two daughters, all of whom are attending the North school in the City of Waukegan.

Mrs. Mahlon Bradley Attends Judging School in New York

Mrs. Mahlon Bradley of 558 De-Tamble avenue left Monday for New York City to attend the Judging School held by the New York Federation of Garden Clubs. John Taylor Arms, the noted author, etcher, and architect, will talk on "Balance and Mass Arrangement." Mrs. Lillian Kearfoot will lecture on "Color." On the second day Gerard Smith will speak on "Exotic Material and Exotic Containers," followed by Ray Lincoln, who will do Exhibition Judging. The last day of the Judging School will be given over to horticulture and judging of exhibits.

About two hundred people from the eastern part of the country will attend the school, which has been famous for many years. Mrs. Bradley will return this weekend.
