Those communities in which celebrations will be held this year include Waukegan, John Kelley, chairman; North Chicago, John P. Dromey, chairman; Lake Forest, Albert Lucas; Winthrop Harbor, Lydia Morrissey; Deerfield, John Welch; Fox Lake, Hilmer Carlson; Antioch, James Horan; Lake Villa, Joseph Hucker; Round Lake, Joseph Mollitor; Grayslake, Fanny Brandstetter; Libertyville, Raymond Kennedy.

Supplies for the community parties have already been forwarded to the chairman of the local committees and a meeting of the Lake County Chapter, for the purpose of organizing, is to be held within the next week, according to Rause.

As was the case last year, one half of the proceeds raised as a result of these parties, will be sent to the National Foundation at New York. Last year close to \$500,000 was appropriated by the National Foundation for further research into the cause and the treatment, of infantile paralysis.

The other half will remain in Lake County, to be made available for the purchase of needed equipment and supplies for the relief of those who may become afflicted. Chairman Rause today announced

the appointment of an Emergency Relief committee composed of Mrs. F. E. DeYoe, North Chicago; Mrs. William I. The purpose of this committee will be to immediately investigate each case which is called to the attention of the Lake County Chapter, and in conjunction with the local chairman, make recommendations to the county chapter for the aid to be extended by the organization.

Rabbi Shulman to Return to Pulpit Next Sunday A. M.

Rabbi Charles E. Shulman will return to the pulpit of the North Shore Congregation Israel on Sunday morning, January 28, after an absence of two weeks during which he visited the universities of the West Coast under the auspices of the National Conference of Christians and Jews.

Heywood Broun, his influence on the American scene, will be the subject of Rabbi Shulman's sermon on that date. In speaking of Broun, Rabbi Shulman says: "He was one

of the most unusual personalities in the American scene. He was a newspaper man who elevated daily writing to the level of fine art and gave dignity to the journalistic profession by his sentiments and his labors. Some of the classic writings of this late lamented decade appeared in the daily columns of this unusual character.

Services at the North Shore Congregation Israel are held at eleven o'clock every Sunday morning. Visitors are always cordially welcome. The Temple is located at the corner of Lincoln and Vernon avenues in Glencoe.
