

Invite First Voters To Meeting Feb. 9 At Lake Bluff

First voters—meaning those voters who have not heretofore been eligible to vote for a president of the United States and will exercise that privilege for the first time in their young careers, are invited to be guests of the Lake County Federation of Young Republicans at the Lake Bluff Village Hall at 8 p.m. on Friday, February 9. Young Republicans from the various clubs throughout the county are urging their younger friends to become acquainted with the aims and interests of the Lake County Young Republican Organization.

The serious business of being a useful citizen and of taking an interest in governmental and party affairs will be combined with activities of a more social nature. It is interesting to note that over 3,000 persons become of voting age each year in Lake county, and it is often many years later that these persons take any active interest in the political affairs of the county.

Clarence Willard of Oak Park, president of the Young Republican Organization of Illinois, will be present at this interesting meeting. Other Young Republican leaders will also be in attendance.

"An Afternoon in St. Moritz" Sunday At Braeside Rink

"An Afternoon in St. Moritz" will be presented at the Braeside Skating Rink Sunday afternoon, Feb. 4, at 3:30.

This will be an exhibition of figure skating by the Figure Skating Club of Chicago. It will include a preview by several of their stars of the numbers they have been rehearsing for competition in the National Amateur Figure Skating Championships to be held in Cleveland next week. Some of the members of the club enjoy the reputation of being among the outstanding amateur figure skaters of the country. Group skating acts will be included, as well as the single and double.

Guests are urged to bring their skates and join in a skating party following the program. Hot beverages, hot sandwiches and doughnuts will be available at the rink, so that guests need not hurry home for Sunday supper.

Augmented warming house facilities and an outdoor log fire will be arranged for the comfort of the spectators.

All Highland Parkers and their friends are invited to attend this "Afternoon in St. Moritz", which is being presented in response to numerous requests from those who recall "A Night in St. Moritz" at the Braeside rink last winter.

This year's figure skating exhibition is being presented on a Sunday afternoon with the thought of better meeting the convenience of families with children. It is sponsored by the Braeside Skating Rink committee in conjunction with the West Ridge School Community club.

N. S. Property Owners Reelect Officers at Meeting January 25

Marion T. Martin of Lake Forest, H. C. Hintsper of Kenilworth, and Gordon L. Pirie of Winnetka will continue as president, vice-president and treasurer, respectively, of the North Shore Property Owners Association, it was decided by the Board of Directors at their annual meeting Thursday, January 25, in the Carson Pirie Scott & Co. dining rooms.

During 1940 the Association plans to enlarge its activities to include a program for improving the appearance of the North Shore and beautifying the communities. It was suggested that the Association might join with the women's garden clubs and other organizations in working on this project.

The property owners are continuing their efforts to have the Route 42 markers removed from Sheridan road, and to preserve that street, and the entire North Shore, as a residential area.

Rabbi Shulman to Talk Before Chicago Executives Club

Rabbi Charles E. Shulman, pastor of the North Shore Congregation of Israel and well known author and lecturer, will address the Executives' Club Friday, February 2, at their noon luncheon in the Bal Tabarin at the Hotel Sherman.

The Executives' Club of Chicago with a city-wide membership of 1,000 men is unique in that the president, vice-president and treasurer all live on the North Shore. Mr. Benjamin F. Affleck, president, re-

sides in Winnetka; Mr. Harold O. McLain, vice president, in Highland Park; Mr. Harold F. Yegge, treasurer, in Evanston. Among the directors of the Executives' Club living on the North Shore are Mr. Ralph E. Himmelhoch, Glencoe, and Mr. O. P. Olson, Kenilworth.

At the large Bal Tabarin meeting of the Executives' Club next Friday, Rabbi Shulman will speak on the timely subject, "The Moral Implications of Democracy." His latest book, "Europe's Conscience in Decline," asserts that the decline of religion is the cause of world confusion.

Rabbi Shulman's original training for the legal profession and his travels here and abroad have given him a wide first hand acquaintance with world conditions.

Retired Motorman Of North Shore Line Dies in Libertyville

George H. Grabbe, 65, a retired North Shore line motorman, died at 7 p.m. Friday at his home, 220 Park place, Libertyville.

Mr. Grabbe was born on June 4, 1874, at Wilmot, Ill. In 1878 he came with his parents to live in Libertyville. He grew up in that village and attended school there. When a young man he did clerical work for the Santa Fe railroad for two years in the Southwest. Returning to Libertyville, he went into business with his father in operating a mineral water concern from the Abana spring in Libertyville and a honey commission enterprise in Chicago. For a time the Grabbes kept their own bees and bought honey from other apiarists.

Thirty-seven years ago Mr. Grabbe went to work for the North Shore line. He was a motorman for 33 years, retiring because of ill health in 1936.

He leaves his widow, Addie, and one son, Kenneth. A brother, Maurice, also survives. He is a ship captain and is now somewhere on the high seas.

"Family Portrait" To Be Presented By Ann Birk Kuper

On Monday, February 5, Anne Birk Kuper will present her monthly reading under the auspices of the North Shore Congregation Israel Sisterhood at 2:30 p.m. in the lounge of the Temple in Glencoe. She will bring to her enthusiastic audience an outstanding play success of the late New York season; namely, "Family Portrait," by Lenore Coffee and William Joyce Cowen.

Judith Anderson starred in this play with her portrayal of the character of Mary, Mother of Jesus. This story of Jesus of Nazareth is particularly opportune, as the book most widely read and discussed at the present time is the "Nazarene."

Mrs. Benjamin Leo Staff, chairman of the committee, feels that the North Shore is very fortunate to have secured the reading of "Family Portrait", and as usual invites all the community to share in hearing Mrs. Kuper read this play. There is a nominal fee. The reading will be followed by tea and a social hour to which everyone is invited.

Movie Benefit at Orchestra Hall for Finnish Relief Fund

The midwest "premiere" of the motion picture "Friendly Finland Fights" will be viewed by Chicagoans on Friday night at Orchestra Hall, where Major James Sawders will give a benefit showing of his outstanding films under the auspices of the women's division of the Finnish Relief Fund, Inc.

Proceeds of the movie benefit will go to the fund for civilian relief in war-torn Finland, where thousands of refugee men, women and children are without food, clothing or shelter as a result of the Red Russian invasion.

Major Sawders is coming to Chicago for a personal appearance with his film, "Friendly Finland Fights," and during the showing will tell his story of what the gallant northern democracy is doing in defense of life and liberty. He took more than ten thousand feet of film throughout Finland before the war, and recently showed them on the Town Hall series in New York City. Sawders, who is known as "the historian with a camera," will add to the Chicago showing a special selection of current war photographs to illustrate his story of "Finland—One Year Ago—and Now."

Originally titled "Friendly Finland," the picture has been re-named "Friendly Finland Fights" in recognition of the valiant efforts of the small republic against Russian invaders. Consul Elmer A. Forsberg, Finnish representative in Chicago, will be guest of honor at the fund-raising event.

Chicago's quota of \$100,000 has been raised and forwarded to national chairman Herbert Hoover and is on its way to Finnish sufferers, but local efforts are being continued "to meet the ever-growing need," according to Mrs. Joseph F. Govan, co-chairman with Mrs. Edward R. Fifield of Chicago women's efforts. Tickets for the benefit show Friday night are moderately priced to accommodate all who wish to aid the fund by attending Chicago's premiere of the Sawders picture, according to Mrs. Govan.
