## CHRISTIAN SCIENCE CHURCHES

"Truth" was the subject of the Lesson Sermon in all Churches of Christ Scientist, on Sunday, January 28.

The Golden Text was, "O Lord, thou art my God; I will exalt thee. I will praise thy name: for thou hast done wonderful things: thy counsels of old are faithfulness and truth" (Isaiah 25:1).

Among the citations which comprised the Lesson Sermon was the following from the Bible: "O Praise the Lord, all ye nations: praise him, all ye people. For his merciful kindness is great toward us: and the truth of the Lord endureth forever. Praise ye the Lord" (Psalm 117:1, 2).

The Lesson Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The divine Principle and idea constitute spiritual harmony,—heaven and eternity. In the universe of Truth, matter is unknown. No supposition of error enters there" (p. 503).

# Former Rent Payers Now Home Owners

Just an interesting word on the FHA plan. Under it, rent payers have become home owners.

This plan, sponsored by the Federal government, has proved its worth and popularity over a period of years. It has grown in attractiveness. Monthly service charges have been eliminated and the interest rate has been reduced to 4½%.

We have accumulated three quarters of a million of such loans and we are prepared to add another quarter of a million to our holdings.
