The question as to which is the faster on ice, a good horse or an automobile, remains unanswered, even after the race on the ice at G-ayslake, Sunday, because the affair was never really decided.

A large crowd attended, and everyone enjoyed the two heats which were pulled off. The horse, Hollyroot, owned by Judge Oscar F. Nelson, and driven by "Peg" Behning, threw a shoe in the third heat, and that ended the race.

Lake county homesteads, activity about which centered in Libertyville when the plan was instigated a few years ago, are for sale by the government, according to word reaching Lake county from Washington this week.

The report stated that C. B. Baldwin, assistant administrator of the Farm Tenant act, in making the announcement of the decision of the government to sell several similar projects located throughout the country, asserted that on several of them the government would take severe losses.

As the second month of 1940 goes into its second day, five of the six cities in Lake county have a clean record on the traffic fatality chart.

Last year the month of January saw five fatalities, one of which was in Waukegan on Jan. 22. In 1938, however, only one person was killed in traffic mishap, that one suffering fatal injuries in Highland Park when a skidding auto hit another machine.

Waukegan police and fire departments, aided by representatives of the state fire marshal's office, redoubled their efforts Monday in another attempt to uncover the identity of an insane arsonist, responsible for 15 fires of incendiary origin.

Chief Adolph J. Francke estimated damage at \$1,500. The loss was partly covered by insurance. Including Sunday's fire, the arsonist has been responsible for fires which have, since Sept. 22, caused losses totaling \$58,120.

Clarence Willard To Meet County's First Voters, Friday

First voters, young men and young women who have not previously been eligible to vote for a president of the United States are invited to be the guests of the Lake County Federation of Young Republicans at their First Voters' party in the Lake Bluff Village Hall Friday evening at 8 p.m.

Robert McClory, chairman of the County Federation, has announced that Clarence A. Willard, president of the State Young Republican Organization, will be present to describe briefly the important position which "First Voters" occupy in the national political picture.

Charles E. Neal, Jr., of North Chicago, vice-chairman of the County Federation and head of the County Program Committee, will discuss the many ways in which a well intended ballot may be spoiled. The common errors committed by elderly as well as young voters will be cited and questions concerning the proper marking of the ballot will be answered.

There will be music and informal dancing following the business meeting. Refreshments will be served by the members of the Lake Bluff Young Republican Club.

Eva Lips, Noted Author to Address Meeting in Glencoe

The Sisterhood and the Men's Club of the North Shore Congregation Israel wish to make a date with the entire community for Wednesday, February 14, at 8 o'clock at the temple. Eva Lips will speak on the Methods of Hitlerism, and not only members but guests and neighbors are invited.

Her address will embody firsthand information and impressions gained from personal observation.

Mrs. Lips, along with her husband, is a voluntary exile from Germany. There they both publicly waged a fight against the Nazi regime. Their reward was to have their home and fortune confiscated and to lose their German citizenship.

Mrs. Lips is a pure-blooded "Aryan" as is her husband, the world renowned anthropologist, Professor Julius Lips. Both come from old German families. She is the only "Aryan" woman speaker in this country who left Germany for ethical reasons alone.

Mrs. Lips' best seller, "Savage Symphony," won universal acclaim. It appeared in 1938 and described her experiences in Nazi Germany in vivid and penetrating fashion. She is also the author of many other short stories, novels and essays, and is a noted illustrator as well.

This meeting will be the only one

held by either the Sisterhood or the Men's Club during February. It represents the concerted effort of both organizations to give their members a significant and important program.
