HIGHWOOD KEGLERS WIN SECOND PRIZE

In the tenth annual Waukegan Women's City Bowling association tournament which ended last night on the Recreation alleys, the Highwood Whitehouse tavern team won second prize with a score of 2,608. Members on the winning team were Mary Somenzi, Evelyn Lawrenz, Katie Orlandi, Phyllis Jacobs, and Clara Bernardi.

The tournament this year proved to be a record affair in every department, attracting the biggest entry in the association's history. Huge crowds jammed the recreation drives on Saturday and Sunday to watch the feminine keglers vie for honors.

A group of friends entertained at a baby shower for Mrs. Angeline Ugasti last Thursday evening at her mother's home on Highwood avenue. They played bunco with first prize going to Mrs. Rose Bianchini, second prize Pia Romano, and booby prize going to Olympia Fabbri. Refreshments were served after the game.

Mr. and Mrs. Allen Murphy are receiving congratulations on the birth of a son born at the Alice Home Hospital on January 29.

Mr. and Mrs. Otto Cortesi entertained at a house warming party for a group of their friends last Wednesday evening at their new home on High street.

Mr. Ted Benvenuti, John Leonardi and Dominic Sheroni left on Monday for a short stay at Hot Springs, Arkansas.

Last week Highwood's volunteer fire department answered two calls in 24 hours. Wednesday afternoon they extinguished a chimney blaze at the home of Jack Breakwell, 36 Prairie Ave. On Thursday morning a cigarette tossed from an upper story window set fire to an awning at the Cooperative Trading company store at 320 Railway Ave. Damage was slight.

W. W. Gillis, 237 Everett place, escaped serious injury despite the 12-foot drop, when his car slid into the Skokie drainage ditch from the Prairie Ave. pavement in Highland Park. As the auto skidded off the pavement, it demolished a utilities pole.

Mr. Julio Campagni returned home from Carroll college for a few

days between semester exams to visit with his parents.

Fifth of a series of six parties for the benefit of the Highland Park-Highwood drum and bugle corps will be held at the Labor temple, on Tuesday, February 20, at 8 p.m. These parties are sponsored by the Parents club and money received will go to purchase new equipment for the corps.

Mr. and Mrs. Joe Muzzarelli were hosts to a group of friends on Saturday night at their home.

Among those leaving for Florida last Tuesday were Mrs. Mary Lenzi, Mrs. Diana Bertacchini, Miss Bernice Weinacht, and Miss Mary Bertacchini. They will vacation there for several weeks.

At the last meeting of the Italian Women's Prosperity club the following new members were initiated: Helen Manfredini, Mrs. Eva Mancini, Millie Greco, Evelyn Dinelli, Rosalie Grocci, Margaret Peterson, Elsie Risdon, Rose Ugolini, Lena Demilio, Minnie Croso and Louise Corso.

Highwood's amateur radio broadcaster, Ben Guido, has extended an invitation to all persons interested in Broadcasting to visit his home on North Ave., and enjoy the thrill of sending a message over the air.

HIGHWOOD P.-T.A. TO ARRANGE DANCE

Plans for a dance were completed Tuesday night when Oak Terrace school of the Highwood Parent-Teacher association held its regular monthly meeting. Arrangements for the dance, to be held February 17 at the school, are being handled by Mrs. L. J. Morano, general chairman; Mrs. V. William Briddle, tickets; Mrs. A. Grovetti, music; and Mrs. Joseph Phillips, cloakroom. Proceeds will be used for the school.

Tuesday's program included a party by the mothers. Mrs. Catherine Dinelli and Mrs. Thomas E. Galoway were co-chairmen. Mrs. Andrew Wysocky, president of the Oak Terrace P.-T.A., has also appointed Mrs. Ed. Shapiro as chairman and F. Allender, Mrs. Dante Gheli and Mrs. E. Stevens as members of a nominating committee to name new officers.

Several friends helped little Peter Mezetta celebrate his birthday on the 31st of January. They played games and a good time was enjoyed by all.

Expect to Add 1250 New Members to "The Seeing Eye"

More than 250 new contributing members were obtained in Chicago and suburbs last week by volunteer workers of The Seeing Eye, famous school in Morristown, New Jersey, which "educates" dogs to guide blind men and women, it was announced Monday.

According to Mrs. Frederick A. Preston of Lake Forest, chairman of the current Chicago membership enrollment, the goal of this year's effort is 1,250 new members in the metropolitan area of greater Chicago. Since The Seeing Eye school is a non-profit institution, and the price paid by blind students is but a small part of the total cost of preparing the student and the guide dog, such public support is ever

used, Mrs. Preston stated, and The Seeing Eye employs no paid solicitors in order to raise funds for its support. All enrollment activity is in the hands of volunteer committee workers, who conduct an intensive program of public education in the principles of The Seeing Eye each year in the major cities of the United States. This is the second annual Chicago enrollment and will be repeated each year at this time, she explained. Twenty-three teams comprising more than 275 workers will devote most of their time to the enrollment between now and March 2.

Last week's report meeting was held in the home of Miss Frances E. Whedon, 3 East Banks street, with Morris Frank, blind vice-president of The Seeing Eye, as the principal speaker.

This week's meeting will be held Friday morning (Feb. 9), in the Casino club, 195 East Delaware place. Raymond Massey, now starring in "Abe Lincoln in Illinois," will address the committee members on the subject of The Seeing Eye, and reports of the second week's progress will be given. Samuel S. Holmes, Chicago attorney, is chairman of The Seeing Eye Chicago committee, the permanent committee structure there. The enrollment committees are active only during enrollment periods.

Henry G. Saathoff, 83, a former resident of Highland Park, died Saturday at his home in Chenoa, Ill. Masonic funeral services were held Tuesday at 2 o'clock in Chenoa cemetery. Mr. Saathoff was a member of Chenoa Lodge No. 292 A. F. and A. M. for fifty-four years. He received a gold medal four years ago for fifty years of service. The deceased is survived by his widow, Louise, and two sons, William of Highland Park and George of Montgomery Ala., and three grandchildren, Mrs. Geo. Ehlen, Mrs. Leslie Southerton, and Miss Virginia Saathoff. Mr. and Mrs. William Saathoff and daughter Virginia went to Chenoa last Saturday and will return this week end, bringing with them Mrs. Henry G. Saathoff, who is quite ill. She will make her home with her son.

Deerfield School Announces Changes In February Vacations

The Deerfield Grammar school will be open and conduct regular classes on Monday, February 12 and will be closed on Thursday, February 22, and Friday, February 23. This change in program was made because of the fact that the National Conference of the Progressive Education association will be held in Chicago on February 19th to 24th, and many of the teachers in the local school are interested in attending its sessions.

In order to make such a change in schedule possible, no visiting day will be allowed the teacher this year for the Friday meeting will be used in its place.

Many fine sessions are planned for this conference on the two days on which the school will be closed. Outstanding educators from all over the nation will be at the convention, which is being held at the Palmer House in Chicago. The action taken by the Deerfield Grammar school in changing its dates is in line with that of other schools in the North Shore area. Most of the schools in this area are closing on February 22 and 23 in order to give the teachers a chance to participate in this national convention.

Ravinia Women to Learn How to Select And Place Furniture

It is no longer a matter of buying any table simply because its legs are even and its top nice and shiny nor is it a matter of putting any vase on the table, nor even any flowers in the vase. There is the right table for every room—even for every position in the room—the right vase for every table and the right flower for every vase. Consequently, at their February meeting the members of the Ravinia Woman's Club will benefit by the advice of two experts on the correct selection and arrangement of furnishings and flowers.

Mr. John C. Murphy, well known Chicago decorator, will give a lecture, illustrated with slides, on "Interesting Chicago Homes," to be followed by a talk by Mrs. Mahlon Bradley on "Flower Arrangement in Relation to the Home." Mrs. Bradley, who is a resident of Highland Park and a lecturer of enviable reputation throughout the middle west, was for several years a member of the board of the Connecticut Horticultural society and recently attended the New York Judging school, conducted by the New York Federation of Garden

Clubs. The February meeting of the club will, as usual, be held on the second Wednesday of the month, February 14, at 2:30 at the Ravinia Village House.

Soldier Struck by Car, Dies Saturday; Chauffeur Is Held

George Banas, 26, Fort Sheridan soldier, died Saturday of injuries received when he was run down by an automobile in West Lake Forest, Thursday evening.

Banas died in Fort Sheridan hospital where he was taken following the accident. He and a companion, William Hall, 26, were struck by an automobile driven by Moses Jenkins of this city while doing repair work on their own car in front of the Ogden Armour t-stare in Lake Forest. Banas suffered a fractured skull and jaw and Hall a compound fracture of the arm.

Jenkins is out on property bond of \$2,000 on an open charge. The hearing will not be held until the seriousness of Hall's injuries has been determined.

Ravinia Garden Club Postpones Meeting

There will be no regular meeting this month of the Ravinia Garden club. The members will meet, instead, with the Men's Garden club on Tuesday night, February 27, at the Highland Park Woman's Club, to hear Harry O'Brien's lecture. Mr. O'Brien is with "Better Homes and Gardens" magazine, and will talk at 8:15.
