Deerfield Board To Meet Parents To Discuss Finances

The Deerfield Grammar School Board of Education last week issued a statement in the Press telling of the curtailment and retrenching necessary to conserve funds in order to operate the school. This week the board is sending out a letter inviting parents to a conference on school finances on Monday, Feb. 12, at 8 p.m. The letter:

February 5, 1940

Dear Parent:

As you know, certain restrictions have been made in the school program for the balance of this school year. These restrictions were made necessary because of reduced income from taxes and reduced state aid. Further, our school district has reached its legal limit of borrowing. Unless there is an increase in income from some source, present retrenchments may have to be continued next year and perhaps further retrenchments made.

From our conversations with parents, we feel that the program should not be cut further until the parents have had an opportunity to discuss the problem and aid us in determining ways and means of meeting our educational needs.

For this purpose the Board of Education is having a joint meeting with the Parent-Teacher association on Monday, February 12, 8 o'clock in the Grammar school community room. All parents and interested members of our community are invited to attend and participate in the discussion.

Sincerely,

BURTON B. McROY,
President District 109

Broadway Success To Be Presented in Deerfield February 16

February 16, the date of "Kind Lady," the Stagers' winter play, is fast approaching, and definite plans to attend it should be made now. The performance will begin at 8:15, in the auditorium of the Deerfield Grammar school.

"Kind Lady," adapted by Edward Chodorov from a story by Hugh Walpole, was first produced at the

Booth theatre, in New York City, in 1935. Grace George and Henry Daniell played the leading roles. Since its successful run on Broadway, the play has been a popular one with little theatres all over the country. It is being produced in Deerfield through special arrangement with Samuel French, dramatic publisher.

As the play opens, Lucy Weston, Mary Herries' best friend is waiting with the maid, Rose, for Mary to return from the opera. When they are waiting, they are visited briefly by Phyllis and Peter, Mary's niece and prospective nephew. When Mary does come, she brings Henry Abbott, a hungry young beggar into the house with her. Being a wealthy and sympathetic, middle-aged woman, Mary gives generously to Henry before he goes.

Henry re-appears a few days later, to continue his campaign for sympathy. He is joined later by his wife, Ada, and his friends, the Edwards family. The tangled consequences are revealed masterfully as the plot progresses, and the audience is led breathlessly to the most unusual ending.

The complete cast for the play is as follows:

Mr. Foster, a banker	Jirah D. Cole
Mary Herries	Marion Hyett
Lucy Weston	Adelaide Alexander
Rose	Doris Hunter
Phyllis Giening	Kathleen Galloway
Peter Santard	Jack Covington
Henry Abbott	Aubrey Gould
Ada	Lois Clark
Doctor	James Russell
Mr. Edwards	Jim Tibbets
Mrs. Edwards	Geneva Ritter
Agie Edwards	Janice Galloway
Gustav Rosenberg, art dealer	Anthony Mercuro

This cast is under the direction of Kenneth Hunter. Properties will be taken care of by Beatrice Cole and Barbara Potter. Staging is under the direction of Milt Merner, James Russell, and Robert Alexander.

Everyone is urged to remember—The Play: "Kind Lady." The Time: February 16, at 8:15 p.m.

The Place: Auditorium of Deerfield Grammar school.

Tickets: Advance sale now or at the door from members of the Stagers.

No-passing zones at hills, curves, and other hazardous spots marked by yellow lines at many points in Indiana are being strictly enforced, the Chicago Motor club warned today.

Sanatorium Head Expresses Thanks to Supervisor O'Connor

James O'Connor, Supervisor of West Deerfield Township, was asked last fall by the Lake County Sanatorium officials, as were all supervisors of the eighteen townships of Lake county, to lend their road trucks and men for a week's service in the grading of the grounds of the new sanatorium. James Mailfald, road commissioner of the township, represented this township in that service.

The following letter was received last week from Dr. Charles K. Petter:

James O'Connor, Superintendent, West Deerfield Township
Deerfield, Ill.

Dear Mr. O'Connor:

Just a few words to let you know that we are indeed very grateful to you for donating the service of your truck.

Without the aid of the various township officials and their equipment, it would have been impossible for the Sanatorium Board to carry out this landscaping project.

Very truly yours,
Chas K. Petter, M.D.,

Superintendent and Medical Director Lake County Tuberculosis Sanatorium for the Sanatorium Board.
