Plan Benefit Bridge For Dorcas Home

Plans are being formulated for a benefit dessert bridge party to be given by the Board of Dorcas Home, day, April 5.

This is the first time since the institution of the Dorcas Home, twenty-five years ago, that the public has been solicited in any form for the benefit of the institution. Private subscriptions have always maintained the up-keep of the home.

Highland Park members of the Board who are helping to sponsor the party are Mrs. George Bliss, Mrs. George Gaidzik and Mrs. H. H. Small.

The Winnetka members who are in charge of the affair are: Mrs. Frank Reynolds, chairman of the Dorcas Home Board; Mrs. Stanley Simpson, Mrs. Lincoln Maythem,

Mrs. Charles Hollis, and Mrs. Cur- Rare Plant Grows tis O. Steen. There will be table and door prize awarded.

"Life With Father" to Be Read March 4 by Ann Birk Kuper

The widely read book, "Life With Father," by Clarence Day, and much heralded play adapted by Howard Lindsay and Russell Crouse, will be the subject of the next Ann Kuper reading. It will be presented under the auspices of the North Shore Congregation Sisterhood on Monday, ing its growth. There was not a March 4, at 2:30 p.m. in the temple leaf on the long stem.

with this delightful episodic play of the every day life of a Mr. and Mrs. of the 1880's, when every man was lord of his castle, when woman's place was in the home, and when children were seen and not heard. Lillian Gish and Percy Waram are now co-starring in the play in Chi- should have-fun, frivolity and fewcago, where it is receiving press notices couched in Hollywood superlatives.

is invited to remain for tea.

51/2 Feet in Short Span of Five Days

A rare and interesting plant was displayed this week at the home of Mrs. George W. Roberts, 912 S. Sheridan rd., by her chauffeur, Clifford Boose, who grew the plant from a bulb, which he received from a friend in a trade of bulbs last fall.

The plant, which was termed "Amorphophallus," by Fritz Bahr, noted local florist, grew five and a half feet in five days, displaying a huge spotted red blossom similar to a lily. The blossom gave off a very obnoxious odor, and the plant consumed all of the soil in the pot dur-

The Amorphophallus is a native Mrs. Kuper charms her audience of temperate and sub-tropic North America, Asia and parts of Africa. It produces a curious mottled flowering spathe in advance of the large compound leaf.
