**Legion Members Donate Blood to Ex-German Soldier**

Although born in Germany, and served as a human target for an American bullet during the last World war, Otto Schewing, S. Green Bay road, and ex-German soldier, can boast not only of being an American citizen, but of having American blood in his veins.

A week ago Sunday, an urgent call came from the Highland Park hospital, where Schewing was a patient, asking for help for one of their patients. Four members of the newly organized Blood Donors group, William Logan, Herman Zischke, William Hart and Saylor Shanafelt, submitted to transfusions in an effort to restore this man's life. Although Schewing's condition is still serious, he is much improved and is apparently getting along fairly well.

The Blood Donors group consists of a group of Highland Park Legion members who organized a year ago in an effort to further their humanitarian work. This was their first opportunity to prove their service to their community.

**Josephine Lloyd Is Selected Candidate To Washington Trip**

Miss Josephine Lloyd of East Central avenue was selected by her classmates and faculty of the Highland Park High school as the young woman in the senior class who expresses outstanding qualities of dependability, service, leadership and patriotism which constitute good citizenship. She is now the candidate from the North Shore Chapter of the Daughters of the American Revolution for nomination for the Good Citizenship Pilgrimage to Washington, D.C., in April. Every year a young woman is chosen from each State in the Union and the District of Columbia and is given a week's trip with all expenses paid, to our Capitol, during the annual Continental Congress of the National Society of the Daughters.

At the last meeting of the North Shore Chapter, Mrs. Warren Danley, regent, presented a dictionary to Miss Lloyd in appreciation of the honor conferred on her by her classmates.

The state representative will be selected at the annual conference of the Illinois Daughters to be held in East St. Louis at the Broadway hotel, March 13, 14 and 15.

*Inklings from Neighboring Towns*

Preparatory to erecting a \$120,000 four-story concrete and steel building for the John M. Smyth furniture store, Evanston, wreckers last week began razing the old 1-story structures on the 55-foot lot on Church street immediately to the west of the present Smyth store. The Smyth company purchased the site for this new building three years ago from Cornelius Hayes.

The new building will have a depth of 128 feet, extending from Church street through to Postoffice place. It will be of fireproof construction throughout and will have a full basement.

Dr. E. H. Smith, prominent Libertyville dentist, was reelected president of the Lake County Tuberculosis association at its annual dinner last Tuesday night at the Karcher hotel, Waukegan. Dr. Theodore Proxmire, Lake Forest, was returned as vice president; Mrs. Gerard Fossland, Winthrop Harbor, secretary; and Harry Hall, Waukegan, treasurer.

Fire caused by spontaneous combustion early today destroyed a truck and garage at 215 Evolution Ave., Highwood, and damaged two dwellings.

The blaze, according to Fire Chief Ollie Englund, started in the garage. A truck, owned by Sylva Traini of the above address, housed there was burned up.

Flames spread to the Traini home and to an adjoining residence occupied by the Pierce family. Several windows were broken and the buildings scorched. Total damage was estimated at \$300.

John B. Morse was named president of the Lake Forest Young Men's club at the recent election of officers. Mr. Morse succeeds L. O. Wilson, who has served as president of the club for several years.

Other officers named were John Peale Bent, first vice-president; Bruce Thorne, second vice-president; George Robertson, secretary; and Emerson Rundquist, treasurer. Elected directors were Edgar Lindenmeyer, Keith Brown, M. C. Lackie, and Daggett Harvey.

Only three members of the board of directors, Messrs. Robertson, Lindenmeyer, and Lackie, have served previously. The others are on the board for the first time.

Provisions for elevators are included in the proposed plan of the new station of the Chicago, North Shore, and Milwaukee railroad at Hubbard Woods, which was submitted to Winnetka authorities last week.

The proposed station is to be studied by the plan commission. Riveting operations on the Winnetka avenue viaduct of the North Shore line in Indian Hill was completed this week.

The Illinois Commerce commission on February 16 issued to the Glenview Bus company an order to operate a bus line between Glenview and Wilmette. The order does not show schedules or rates of fare, these to be filed later.

R. J. Nehmzow of Glenview, president of the company, has announced the rates of fare to be 10 cents between points in either village, and 15 cents between inter-village points for adults, and 5 cents and 10 cents, respectively for children.

The bus line has been in operation

for several weeks on assurance that the order would be issued. The Wilmette terminal is at the Wilmette avenue station of the North Shore electric line.

Two homes and one business place changed hands in Libertyville during the past week as highlights in a period of activity reported as encouraging by local brokers. One firm tagged the first two months of 1940 as the busiest it had encountered for many years.

**Opens March Exhibit Of N. S. Art League With "One Man Show"**

The March Exhibition of the North Shore Art League will open on the tenth of the month with a reception and tea at 4 p.m.

The work exhibited will be a "one man show" of the North Shore sculptor, Nancy Coonsman Hahn. Approximately seventy pieces of statuary will be on display. These will include the original sketches for the Missouri State Memorial in France (now a national monument), the Kincaid Fountain of St. Louis and other public works.

By far the greatest number of pieces will be portraits, including many of North Shore personalities

which Mrs. Hahn has completed since residing in Winnetka. Prior to coming here she worked in St. Louis, New York, Paris and Buenos Aires, and examples of her work are in public and private collections in each of these countries.

Many garden pieces are also shown, some of them being originally designed for the North Shore gardens in which they now stand. There are also others which have been erected in distant cities and foreign lands.

The public is, as always with North Shore Art League exhibitions, invited to attend the reception or to visit the exhibition during the two weeks it will be open to visitors.

Mrs. Hahn is a member of the North Shore Art League.
