CHRISTIAN SCIENCE CHURCHES
"Substance" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 17.
The Golden Text was, "Holy, holy, holy, Lord God Almighty, which was, and is, and is to come" (Revelation 4:8).
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "I will extol thee, my God, O King; and I will bless thy name for ever and ever. Thy kingdom is an everlasting kingdom, and thy dominion endureth throughout all generations. The eyes of all wait upon thee; and thou givest them their meat in due season. Thou openest thine hand, and satisfiest the desire of every living thing" (Psalms 145:1, 13, 15, 16).
The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Spirit, the synonym of Mind, Soul, or God; is the only real substance. The spiritual universe, including individual man, is a compound idea, reflecting the divine substance of Spirit" (p. 468).
