**Qualifications**  
As to my qualifications, I wish to call attention to the following: During the past 14 years I have been actively engaged in the practice of law in this district. I have served as Police Magistrate of Mundelein and also as Justice of the Peace in Libertyville township. In addition, I have served as attorney for the Village of Mundelein, as attorney for School Districts and a Fire Protection District, besides engaging in an extensive private practice involving various types of matters. As a lawyer and a justice, I have had considerable experience in analyzing and interpreting laws and legislation. Outside of my professional capacities, I have served both as secretary and president of the Libertyville Lions Club, as president of the Libertyville Municipal Band, as a member of the executive committee of the Libertyville Public Forum and in other civic and social capacities. Because of my varied contacts and experience, I believe that I have a broad outlook upon our social and governmental problems, and can deal fairly with the various interests in our society on the consideration of legislation.

## Gardener Bill says:

FEED YORE LAWN NOW! SAVES YUH WORK...GITS MUCH BETTER GRASS.

Bill is right. Put a complete plant food on your lawn now, before the frost is out of the ground, and you can let the late snows and spring rains water it in for you.

Besides, the plant food will be down at the roots in time to nourish early, vigorous grass growth which chokes out weeds.

Take this easy way to a lovelier lawn with Vigoro. Get in your order now; all you need is 4 pounds per 100 square feet.
