Here, a list of the dates for week, month, and year will be recorded in permanent form. In discusing the Community Calendar, Mr. Ball, superintendent of the school, pointed out that the success of such a project will depend on the 100 percent cooperation of all the organizations in reporting the dates of their meetings. The following is the letter mailed to the heads of organizations in Deerfield.

"Many of us have felt for sometime that there is a pressing need in Deerfield for some kind of agency through which all club and social activities can be checked in order to prevent duplicates in dates and times. Several communities have worked this problem out well by instituting community calendars.

Big Plans Being Made for Benefit For Deerfield Dept.

Letters are being put into the mail today sent to residents of Deerfield by Fire Chief Conrad Ucht-

To the Citizens of Deerfield and Bannockburn:

Please accept the enclosed tickets for the Firemen's ball to be held at the Briargate Country club on Saturday, April 27, at 8:30 p.m.

For the benefit of those who do not know, the fire department gives these annual dances to increase a fire truck fund they started three years ago with the Deerfield Building and Loan. We now have a fund of \$565 and trust the people will cooperate with us in raising money for this much needed fire equipment.

The money for tickets may be left with the Deerfield State Bank, with Mrs. Florence Page Stryker at the Village Hall, or with me. Sincerely,

Conrad Uchtman, Deerfield Fire Chief.
