NUMBER 5

Administration By ELMORE M. MURPHY Comments

Since there was no regular City Council meeting scheduled for last Monday evening several members of the council including Mayor Frank Ronan got together at that time to discuss and work out some of the excessive executive detail that has been piling up on their desks for the past several weeks.

The incinerator problem is playing what one may term as a return engagement. Ever since the location of the new incinerator was selected by the committee in charge of this phase of the undertaking work has been progressing slowly but surely toward the point where bids could be requested for the actual construction of the building and the installation of the incineration equipment. A steam shovel was employed to level off that part of the property to be occupied by the new building and borings made to ascertain the type and extent of the foundation necessary to support the structure itself. The boring operation constituted just one of the many problems connected with the whole enterprise. After the ground was leveled off and the drilling started it was discovered that a large amount of refuse remained below ground level. Apparently at one time or other the surrounding terrain was a swamp or hollow subsequently filled with all sorts of refuse. Naturally these obstructions had to be cleared away before the boring operations could be continued.

The next problem to meet the engineers on the job was several pockets of quicksand that were encountered and it is around this point that that real trouble may possibly develop. When the pilings for the foundation are sunk these quicksand pockets will have to be bridged which will necessitate the spending of several thousands of dollars not originally contemplated.

The borings have not been completed to the point where an accurate estimate of the additional cost involved can be determined. At the present time it is hoped the extra cost of the foundation operation will not be excessive to the point where construction of the incinerator at this locality will be prohibitive. However, that probability is very much in the picture at this writing. It is the opinion of those in charge of the work that if the cost of the foundation operations at the present site are too high the incinerator will have to be built elsewhere. For the present, however.

Akcyon Theatre Is Now Showing "The Birth of a Baby"

Tonight and Friday the Akcyon theatre is presenting the full length film "The Birth of a Baby," which shows for the first time through the motion picture the story of maternity. The picture is beautifully presented and should be seen by every young man, woman, father and mother.

Always amazing, and at times amusing "The Invisible Man Returns" easily rates the recommendation as genuinely unique entertainment. Sir Cedric Hardwicke, Nan Grey and Vincent Price head the cast. To be featured at the Akcyon on Saturday along with the film "The Five Little Peppers at Home."

Let's all see "The Fighting 69th." There have been exciting films before, but not this kind of excitement. Let's see grand screen stars like Jimmy Cagney, Pat O'Brien and George Brent give to their parts from their hearts; for of all the roles they've portrayed, of these they'll be proudest ever. Screening on Sunday, Monday and Tuesday.

"Invisible Stripes" which the Akcyon will present next Wednesday, Thursday and Friday is the film drama based on a book by Lewis Lawes and features in its cast George Raft, Jane Bryan and William Holden.

Trinity Church To Hold Spring Sale Early Next Month

The Trinity Guild and Women's Auxiliary of the Episcopal church, Laurel avenue, are holding their annual Spring Rummage Sale on Friday and Saturday, May 3 and 4, at the Parish House. As this is the combined sale of the two organizations of the church, it is expected to be quite a large one, and advanced information indicates there will be many grand bargains both in clothing and household items as well as in the better dress section. Further details will be announced later.

CANDIDATE FOR GOVERNOR VISITS HERE SUNDAY

Commissioners Sharp and Swanson, Dwight Green, Mrs. Green, "Pete" Gilroy and Commissioner J. P. Bowes, as they greeted Highland Park voters Sunday when Dwight Green, Republican candidate for Governor, visited this city. The meeting was held in the Highland Park Woman's club on North Sheridan road.

Two Local Men Are Candidates In Coming Primaries, Tuesday

A state wide primary election will be held next Tuesday, April 9, for the nomination of state and county candidates, from United States Senator down to Precinct Committeemen. Those nominated at the primaries will be candidates on their respective tickets in the biennial election to be held in November.

This year's election is of even greater significance to Highland Park voters, because for the first time in several years Highland Park is represented on the ballot by two of its residents who are seeking nomination. Richard B. Martin is a Republican candidate for State Senator and Brown Pierce is seeking nomination as Representative to the General Assembly.

The Highland Park Non-Partisan Citizens committee which has undertaken the task of aiding Mr. Martin in his campaign reports that its candidate has an excellent chance of winning the nomination if a large local vote is polled on next Tuesday. Mr. Martin's chief opposition will naturally come from the present incumbent, Ray Paddock of Round Lake. However, there are two other candidates for the post and most political observers contend that these two will pull away more votes from Mr. Paddock's total than Mr. Martin's.

Announce Polling Places and Judges For Election April 9

Next Tuesday, April 9th, is primary election day. Every citizen of Highland Park is urged to vote, regardless of party affiliation. The men chosen on their respective tickets at this election will be candidates for election next fall. Every voter should feel it his civic duty to cast a vote, for it may be that vote which will determine the outcome of the final election. Polls will be open from 6 a.m. to 5 p.m. There are 16 polling places in Deerfield Township which are as follows:

Precinct 1, South Park Field house, Lake Forest; Precinct 2, City Hall, Highwood; Precinct 3, Robinson's Barber shop, 310 Railway Avenue, Highwood; Precinct 4, Oak Terrace school, 230 Prairie Ave., Highwood; Precinct 5, Delicatessen store, 506 N. Greenway Rd.; Precinct 6, H. P. High school, 300 Vine Ave; (Continued on page 4)

Announce Gift Of Colonial Mantel To Community Center

Mrs. Warren E. Danley, Regent of the North Shore Chapter, Daughters American Revolution, has announced the gift of a "Williamsburg" type mantel to the new Community Center.

The Jubilee Committee of which Mrs. Laura B. Sinclair is chairman, after careful study, decided that the new fireplace now being added to the reception lounge would probably become the hearthstone of the activities and thus the mantel would prove an appropriate and useful gift.

The mantel will be placed in the lounge of the new Community Center and will harmonize with the colonial type of woodwork and the furnishings of the room.

Therefore, the committee is stressing the vital importance of a large Highland Park vote for Mr. Martin. As a final step in the campaign, the committee has arranged for a ten car automobile caravan accompanied by music and appropriate signs to tour the three counties, Lake, Boone and McHenry, this Saturday in Mr. Martin's behalf. While this tour will undoubtedly pick up a few votes in the outlying areas, the committee is counting heavily on the citizens of Highland Park to go to the polls on Tuesday and roll up enough of a majority in this area to offset any deficiency in the rest of the district.

Deerfield is likewise interested in the coming primaries as Daniel S. Hunt is candidate for Representative to the General Assembly.

In the county contest, the only real battle lies in the offices of States Attorney and Coroner. Three contestants will battle for each of these offices in the Republican primaries Tuesday.

The county candidates are as follows—For Clerk of the Circuit Court: L. J. Wilmot, Republican; James E. Powers, Democrat. For Recorder of Deeds—Howard L. Scott, Republican; Fred A. Galiger, Democrat. For States Attorney—Charles E. Mason, George S. McGaughey, Harry A. Hall, Republican. (Continued on Page 7)

Students Dance Enjoyable Affair; Another April 27th

The High School Students Dance at the Y last Saturday night was voted a great success, and plans have been made for another one on Saturday night, April 27. The three hours of dancing without instruction seems very popular and one of the chief reasons for it is the excellence of the orchestra.

Bob Beck's High School Orchestra is composed entirely of students, and they are increasingly in demand all along the North Shore playing frequently in Glencoe and Lake Forest for school and for private dances, and on other occasions. The town has reason to be very proud of them.

Candidates Will Be Heard Friday At Meeting at "Y"

A strictly non-partisan candidates meeting will be held by the Highland Park League of Women Voters tomorrow night, (Friday) April 5 in the Y.W.C.A. assembly room at 8 p.m.

All the candidates from this district, for State's Attorney, State Senator and State Representative of both major political parties have been invited to come and speak.

The league has sent questionnaires to all candidates for State Senator and State Representative asking them to be prepared to express their views on such important issues as: 1. State school board; 2. Enabling legislation for municipal manager plan; 3. Calling of a constitutional convention; 4. Elimination of offices of school township treasurer and trustees; 5. Administration of public welfare, including relief; 6. Aid to dependent children.

The candidates for State's Attorney, the league sent this message: "The law specifically states your duties of office. We are interested in knowing what measures you propose to take, if elected, to insure the successful execution of that office."

Three minutes will be allotted each speaker. A question and answer period will follow. Also, a brief biography telling the background of the candidates, will be presented in printed form to those attending the meeting, so that the speakers' time may be employed for the purpose of expressing views on current issues.

There are four candidates for State's Attorney, four for State Senator, and twelve for State Representative. All are expected to attend.

Mrs. J. Sigurd Johnson, president of the Highland Park League, will conduct the meeting. The public is urged to attend.

Exhibit Camera Studies At Twilight Tea In Ravinia

Time was, when it was fighting language to tell an artist that his work was photographic. In the past few years, however, photography has outgrown its scientific beginnings so that it is perfectly unrevolutionary and normal for the arts committee of the Ravinia Woman's club to sponsor an exhibition of camera studies at its twilight tea on April 7. The fact is, merely very welcome news to residents of Highland Park especially to those interested in photography, and who is not, these days? The collection to be shown will represent not only some of the best work turned out by local photographers, but will also include work done by residents of other north shore suburbs.

Sharing honors with the exhibition of camera studies, will be a talking picture of wild game hunting in the Matto Grasse section of Brazil, taken by Mr. John F. Jennings who has recently become a resident of Ravinia.

In inviting all members of the community to attend the exhibition and tea, which will be held at the Ravinia Village House, Mrs. Rene Lavenant, chairman of the club's art committee, especially calls attention to the fact that the date has been set forward one week, and will be next Sunday, April 7, instead of 14th, as originally planned. The exhibition of stills will be open at four o'clock, and Mr. Jennings' pictures will be shown at five.

Lincoln School P.T.A. To Sponsor Spring Card Party, April 10

A new spring hat of her own choosing will be won by some "lucky lady" at the Lincoln school P.T.A. Spring Card Party to be held Wednesday afternoon, April 10. The winner will receive a credit slip on an Evanston hatshop. Unusual door prizes will also be given by Geill's, Baum's Bakery, Public Service company, and the Blue Goose as arranged by Mrs. Arnold Sunstrom and Mrs. James Skidmore. Mrs. Jess Halsted, chairman of the card party, and her co-chairman, Mrs. Edwin Hadley, with Mrs. Walter Colbath are planning individual table prizes. Tickets may be reserved through Mrs. Kenneth Smith or Mrs. Whitt Schultz. Tables may play any card or table game and refreshments will be served.

The annual Spring Card Party at Lincoln school is always one of the most popular affairs in the P.T.A. calendar so the committee has set itself the goal of at least matching last year's record of ticket sales for 86 tables.

Collectors' Antique Show At Woman's Club April 10-11

Collectors' Antique Show of china, glass, silver, pewter, Staffordshire, in table settings and exhibits at Highland Park Woman's Club.

April 10th—10:30 a.m.-10:00 p.m.

April 11th—10:00 a.m.- 4:00 p.m.

Details in adjoining column.

Collectors all along the North Shore are looking forward with interest to the very fine exhibit of antique glass which is to be held at the Highland Park Woman's club on April 10-11.

Mrs. Wilford C. Shipnes and her committee have obtained many rare items for this exhibition, and in addition to the beautiful showing which will include old glass, lustre, silver, pewter, majolica and Staffordshire, there will be table settings for breakfasts, luncheons, formal dinners and buffet suppers using varied china and glass of interest to collectors.

The exhibition will be open on April 10th from 10:30 a.m. to 10:00 p.m. and on April 11th from 10:00 a.m. to 4:00 p.m. A special feature of Wednesday, April 10th will be a talk by Mrs. Clifford S. Brewer at 10:30 in the morning which will be included in the nominal admission fee. Mrs. Brewer will be at the club all day to answer questions and make suggestions for possible combinations of old glass and china.

Table settings are to be arranged by the following: Mrs. Clifford Brewer, Mrs. R. G. Brooks, Mrs. Robert L. Johnson, Mrs. Charles G. Mason, Mrs. L. F. McClure, Mrs. A. J. McMaster, Mrs. Theodore L. Osborn, Mrs. Francis F. Patton, Mrs. David T. Sanders, Mrs. Wilford C. Shipnes, Mrs. Warner B. Spangler, Mrs. Ernest W. Sundell, Mrs. Charles E. Timson and Mrs. George J. Winterhalter.

In addition to table settings, the following collectors will exhibit: Mrs. Benjamin Auerbach, sugar bowls and cup plates; Mrs. Carl G. Bingham, goblets and flint glass items; Mrs. F. P. Biggs, spatterware; Mrs. John K. Davenport, tray set for breakfast; Mrs. Everett L. Easton, tinsel pictures and other items; Mrs. James H. Freudenthal, miniature Staffordshire dinner service and flint glass; Mrs. Leon Harris, lustre and early English silver; Mrs. Bruce Hastings, plates; Mrs. Charles J. Haynes, earthenware jugs; Mrs. Harry Hooker, Staffordshire figurines; Mr. Robert L. Johnson, decanter and whiskey glasses; Mrs. D. A. Kittermaster, salt shakers, Mrs. Neal B. Howard, blue and historic Staffordshire; Mrs. Edward J. Loewenthal, china with mottoes; Mrs. L. F. McClure, tulip glass; Mrs. George W. McGhie, footed salts; Mrs. Charles Piper, loop glass; Mrs. Wilford C. Shipnes, plates and flint glass; Mr. Wilford C. Shipnes, Westward Ho glass; Mrs. Ernest W. Sundell, flint glass and other items; Mrs. John R. Todd, frosted ribbon glass; Mrs. Cloud Wampler, glass slippers; Mrs. Frederick A. Watkins, plates and flint glass; Mrs. William B. Wrenn, pewter and lacy sandwich glass; Mrs. Clark G. Wright, three face glass.

Others who will be exhibiting individual items are: Mesdames Osborn, Wonnell, Behanna, Ham, Preus and Williams.

Ravinia Women To Hear Noted World Traveler, April 10th

In this highly budgeted age, with vacation jaunts too often items dependent on the cost of repairing the furnace or straightening sister's teeth, it is always refreshing to encounter those rare individuals who have the courage of their desires. Stimulation of such a contact will be afforded members of the Ravinia Woman's club on April 10th when they will have the opportunity of listening to the lively experiences of Anita Willets Burnham, who claims as one of the secrets of her extensive and interesting journeying, that where others weigh pro's and con's and ways and means, she simply starts. World traveler, lecturer, author, artist and above all, vivid personality, Mrs. Burnham needs no introduction in Ravinia where she has so many friends that she is practically a non-resident member of the community. Much of her wider recognition is based on her fascinating book, "Round the World on a Penny."

Bahr's Pansies Again Awarded at Chicago Flower Show

Our readers will be glad to hear that our local florist, Mr. Fritz Bahr, again this year carried off the much coveted prize for the best 100 pansies at the great Chicago Flower show now being in progress at the Navy Pier, competing against competition of some of the largest growers in the country.

Many of the blooms measured over four inches across, the result of many years of painstaking efforts in crossing and reselecting for still further development. At Mr. Bahr's greenhouses, Park avenue and Ridge road, a 150 foot long bed of these silver medal winning pansies can now be seen in full bloom and visitors are always welcome.

Democrats to Hold Meeting Tonight At Labor Temple

A Democratic meeting will be held this evening (Thursday), April 4, at 8 o'clock in the Labor Temple, North avenue. John Stelle, Democratic candidate for Governor, Benjamin S. Adamowski, candidate for U. S. Senator, and Edward J. Barrett, candidate for Auditor of Public Accounts, will address the meeting. The public is invited to attend.

Appoint L. Sinclair Temporary Head of Community Council

Close to a hundred representatives and interested citizens of the community were in attendance at the Public Library on Tuesday evening for the discussion and organization meeting of the proposed Community Council.

The League of Women Voters, sensing the need for a clearing house through which the various clubs and organizations in the city could meet for the interchange of ideas and community needs acted as sponsors of the gathering. Mrs. J. Sigurd Johnson, president of the League, conducted the meeting until a temporary chairman was later named from the floor.

Mrs. Johnson first called on Mr. George R. Young, City Manager of Glencoe, to address the group on the benefits to be derived from a Community Council from the point of view of the city government. He stressed the point that such an organization acted as a medium through which the various groups of the community could come to some agreement as to what acts of government were most desirable from the whole town's point of view.

Later in the program, Mrs. M. H. Grauer, secretary of the Glencoe Community Council, gave a de-

150 Local Voters Greet Dwight Green In Meeting Sunday

Dwight H. Green, Republican candidate for Governor, was greeted by more than 150 prospective Highland Park voters at a meeting held last Sunday evening in the Highland Park Woman's Club. The Highland Park Green for Governor Committee consisting of Edwin Gilroy, Arthur Swanson and Jerome B. Bowes were on hand to supervise the program and act as official hosts. Several members of the City Council including Mayor Frank Ronan officially greeted candidate Green on behalf of the city.

Mayor Ronan stated that until after the primary he would have to defer supporting Mr. Green as he was a supporter of Richard Lyons, Mr. Green's opponent, on next Tuesday. He added, however, that if Mr. Green should win the primary he would be glad to vote for him next November.

After the meeting sandwiches and coffee were served those in attendance.
