Ask for a Republican Ballot RE-ELECT

Thos. J. Houston
REPUBLICAN CANDIDATE
State Central Committeeman for the Tenth Congressional District
PRIMARY APRIL 9, 1940
Polls Open 6 a.m. to 5 p.m.
Has served you faithfully for the past 6 years and Deserves Re-Election

To the Voters and Taxpayers Of Lake County:

In submitting to you my candidacy for the Republican nomination as State's Attorney of this County, I again call your attention to the fact that four years ago I was defeated for this office by only 23 votes with both of my present opponents working against me. With four years additional experience in active trial work and in the practice of the law, I believe I am better qualified now than I was then.

I am running for this office strictly on my own qualifications and merit. I am not allied with any other candidate for any other office in this primary. I have no entangling alliance in any way, shape or form and will make none.

If nominated and elected my office will be open to all the people equally and will at no time be under the control of any clique, interest or faction. I will personally try all the important cases handled in that office.

I invite investigation of my record as a lawyer and lifelong citizen of this community and on that record solicit your vote and support.

Respectfully,
HARRY A. HALL
