

10% Discount on Golf Memberships at Sunset Valley

Sunset Valley Golf course is attracting many golf enthusiasts these fine spring days. The course is in readiness for the opening of the season which will take place within a few weeks.

Tom Kelly, pro, says that he has never seen Sunset Valley in a more perfect condition for playing at this season, than at the present time. The fairways, green and tees are in excellent shape.

A discount on memberships has attracted many members to enlist early, but there are probably many more who would like to take advantage of the special offer. All those purchasing memberships before the 15th of this month will be allowed a 10 per cent discount. If you are looking for a bargain, here's one in golf which you seldom hear about. It may seem a little early to some to think of playing golf, while there are others who can't hardly wait for the arrival of spring, so that they may get out to play. Remember April 15th is the deadline for the 10 per cent discount on memberships.
