

School Elections To Be Held April 13

Annual school board elections will be held Saturday afternoon, April 13, between the hours of 12:30 and 7 p.m. As each school district's election is individual, balloting is done at the polls designated by the various districts.

In the High school district which is District 105 the polling places will be in the foyer of the auditorium in the Highland Park high school; in the city hall of Lake Forest; in the town hall of Deerfield; in the grade school in Highwood; and in the Village hall, Lake Bluff. Two members of the High School Board whose terms expire at this time are Mr. Edward J. Fucik of Highland Park and Mr. Edward R. Seese of Bannockburn. Mr. Fucik is a candidate for re-election while Harold W. Norman of Bannockburn has filed for the position formerly held by Mr. Seese, who is not a candidate for re-election.

Since this is a township high school and the district is comprised of Shields, Deerfield and West Deerfield townships, there has always been a gentlemen's agreement to the effect that the high school Board be comprised of two members from the north, two from the south and one from the west, thereby spreading the representation over the entire district.

ARE WE CIVILIZED? The foregoing question has been asked repeatedly by eminent American pulpit orators, distinguished literary men, educators, scientists, philosophers, and historians, nearly all of whom cite some evidences that the present generation of humans is not far in advance of some peoples who lived several centuries ago.
