have, and what an honor it will be to be in one of the three music groups.

At the Friday night concert, the High School Band, which recently won a first rating at the district contest, attired in its attractive uniforms, and under the leadership of Mr. Harold Finch, will play some especially appealing music. The chorus, which is directed by Mr. William Fischer, which did such outstanding work recently in "Student Stunts," will also give a few numbers, thus producing a varied and delightful evening's entertainment. The small entrance fee will insure a large attendance, which is stimulating the young people who so ably perform.

The program follows:

Symphony in C Minor, Larghetto—Williams

### School Elections Are Saturday in Local Districts

(Continued from Page 1)

The voters of the Deerfield area were informed by legal notice that elections are to be held for the Deerfield Grammar School District and the Highland Park High School District on Saturday, April 13. The Grammar school election is to be held in the Deerfield Grammar School building from one to five. The Highland Park High School District election will be held at the Town Hall in Deerfield from 12 to 7.

In the Deerfield Grammar School District, a president and two members are to be elected. Mr. Burton B. McRoy is candidate for president and Mrs. Myrtle A. Weiss and Mr. Raymond T. Meyer are candidates for the two Board offices. For the High School District, Mr. Harold Norman is the candidate for the High School Board from this area and Mr. E. James Fucik is candidate from Highland Park. Two are to be elected in this election.

While there is no contest in either election, it is felt that a large vote should be cast in these elections.
