"Fresh Fields" Ends Fourth Season for Deerfield Stagers

Concluding their fourth season, the Stagers take pleasure in presenting a rip-roaring comedy, "Fresh Fields," on this Friday, April 26. The performance will begin at 8:15 in the Deerfield Grammar school auditorium.

The fun in the play starts when Lady Mary Crabbe decides that, despite her aristocratic forbears, it has become necessary to take in "paying guests" to make the ends of family finance meet. What she doesn't count on is the type of people she does get in the persons of Mrs. Pidgeon, Una Pidgeon, and Tom Larcomb, a group of unpolished colonials from Australia.

Mrs. Pidgeon is a constant source of embarrassment because of her characteristic outspokenness. Una persists in breaking everything in sight because of her awkwardness, and Tom likes nothing better than to practice his golf in the drawing room, under the more or less able tutelage of Ludlow, the butler.

Another thorn in Lady Mary's side is her sister, Lady Lillian Bedworthy (a title conferred long ago by Henry VIII). Lady Lillian contributes her bit to the family finances by writing a column of advice to the Lovelorn, with the assistance of her nephew, Tim, and the social secretary, Miss Swain.

Two one-sided love affairs run their merry course as Una falls in love with Tim, and Tom becomes violently enamored of the delicate, sentimental Lady Lillian. Lady Strawholme is brought into the action, in an effort to get the awkward Una presented in court, but she, too, becomes more than a little overwhelmed by it all.

In this maze of complications and conflicts of character comedy situations abound, and members of the audience will find themselves chuckling about many of these situations long after the play is over.

Members of the cast are:

Miss Swain	Mary Jane Galloway
Ludlow	Martin Decker
Lady Mary Crabbe	Shirley Clark
Lady Lillian Bedworthy	Geneva Ritter
Tim Crabbe	John Clark
Mrs. Pidgeon	Martha Jordan
Una Pidgeon	Josephine Schessler
Tom Larcomb	Kenneth Hunter
Lady Strawholme	Lots Clark

The production is under the direction of Kenneth Hunter. The usual competent backstage crew, James Russell, Milton Merner, Maurice Allsbrow, Kathleen A. Galloway, and Dorothy Boyle, will contribute their important part of providing a traditionally excellent Stagers production.

Deerfield Groups To Sponsor Youth Citizenship Forum

Deerfield is to have a "Citizenship Recognition Day" on Flag Day, June 14, with appropriate ceremonies. The first of the series of forums is scheduled for May 6. Noted speakers who have been asked to appear before the young people's gatherings will be announced next week. The idea, which has been aptly called "a project in maintaining the democratic form of government" has gained momentum in Deerfield and all organizations in the village are cooperating with the Civic Association. E. F. Nelson, president of the Civic Association, explains the citizenship program thus:

"Spurred by the success of the Wisconsin experiment the Deerfield Civic Association last Fall voted to sponsor a similar program in Deerfield in 1940. A civic meeting, addressed by Dr. Tubbs of Morgan Park High school, in September announced the plan. Subsequently, the Woman's Club, American Legion, American Legion Auxiliary, the P.T.A., the Rotary Club, and the Stagers voted to take a hand. An executive committee composed of representatives of these organizations selected June 14, Flag Day, as the day for the induction ceremony and will ask the village board to declare this date official Deerfield Citizenship Recognition Day. Plans call for inauguration of a series of training classes, or forums, conducted by men and women prominently identified with the practice and teaching of political science, during the first week in May. It has been decided to invite participation of all young people attaining voting age between Nov. 4, 1938, and Nov. 4, 1940, thus reaching all who will vote in their first national election this Fall. A program committee is seeking a speaker of renown for the induction ceremony and qualified leaders for the training forums. "We believe that the successful conclusion of this program will do much to revive the flagging spirit of old time community enterprise and to focus attention of the younger generation on the need for immediate acceptance of social responsibility so necessary if we are to successfully defend American principles against the forces of international brigandage, and insure the perpetuation of the democratic process in United States."
