

TWICE-TRANSPLANTED FLOWERING ANNUALS

IN FLATS

Containing Approximately 50 Plants
from \$1.00 to \$1.50 per flat

WE OFFER OVER 35 DIFFERENT VARIETIES, INCLUDING ASTERS, BACHELOR BUTTONS, CALENDULAS, COSMOS, FORGET-ME-NOTS, LARKSPUR, MARIGOLDS, PANSIES, PETUNIAS, SALVIA, SNAPDRAGONS, SCABIOSA, VERBENAS, VIOLAS, ZINNIAS, AND OTHERS.

Annuals in Pots

While transplanted seedlings will, with little care, give good results, for those requiring only a limited amount of plants we strongly recommend potted plants, which not only consist of much heavier stock, but, coming out of pots, are not checked when planted out. These range in price from 60c, 75c and \$1.00 per dozen, according to variety. Among them we call special attention

to Petunias in eight different named varieties; yellow Supreme Marigolds; wiltproof Asters; eight named varieties of giant and pompom Zinnias; Snapdragons, white, pink and dark blue Bachelor Buttons; Mayflower and Beauty of Oxford Verbenas; double early flowering pink and white Cosmos, and many others.

Noteworthy Novelties and Specialties

Hardy Chrysanthemum, Clara Curtis, lavender pink flowering from August on; new extra early Pom-poms, in white, bronze, pink and yellow; Scabiosa, Blue Moon. Stulbs Ageratum, a giant long stemmed cut flower variety. New Hybrid Carnations, pink, red and

white; Summer Lilac, or butterfly bush Ile de France, single lace flowering Asters in pink and white. Double flowering new tuberose, Delphinium, improved Bella Donna Hybrids, Veronica subsessilis, the most showy of all Veronicas.

Various Other Desirable Plants for Bedding Out or Window Box Filling

Tuberous rooted Begonias in 6 distinct varieties; Browallia, azure blue; Torenia, Lantanas, Heliotropes. New Ageratum, Midget blue, growing only four inches in height, with a dense mass of flowers. Ageratum Mundelein; Thunbergia or Black-eyed Susan and Lobelias. Over 6,000 Geraniums, Cannas, Cobeas, Impatiens in

four colors, pineapple Salvia and Rose-scented Geraniums, the new dwarf Salvia, St. Johns Fire, double pink and blue Fuchsias, Coleus, semidouble dwarf cut flower Dahlias, Ivy-leaved Geraniums and still many others, including Hardy Hybrid Tea Roses and Hardy Pink Lilies.
