

**Young Men's Club Lose to Dacks K. of L.**

The H. P. Y. M. C. were stopped by Dacks K. of L. last Sunday to the tune of 8 to 2 at the Highland Park High School field. The loss was the club's first of the season and was attributed to the many errors by the infield.

Pitcher Elmer Maiman started for the Y.M.C. and was relieved by Harry Skidmore after a flock of errors filled the bases. With no one out and the bases crammed, Skidmore struck out two batters and the third rolled out to the infield.

Allen Sordyl, the team's leading batter, hit safely in three trips to the plate, bringing his batting average up to .357.

Robert "Bokker" Peterson, regular right fielder of the team, gave the fans a thrill when he raced back and made a one-handed circus catch of one of the K. of L.'s would-be homers. Peterson, the youngest member of the team and all-round athlete is batting .571 and fielding faultlessly.

Next Sunday the Y.M.C. battle St. Joes of North Chicago at the High School field at 2:45 p.m.

**Appreciate Response To Fireman's Dance**

Through its chief, Conrad W. Uchtman, the Deerfield Fire Department wishes to thank its many friends in this village and in Bannockburn for the support which made the Firemen's ball a success. The proceeds, after paying expenses, were all deposited with the Deerfield Building and Loan Association in the fire truck fund which is gradually growing and making possible, eventually, the purchase of a new fire truck of which we have great need.

Also, Mr. Uchtman and his staff are extremely grateful for the interest in prize events consisting of a roaster and radio. The profits of

this event were put into the firemen's insurance and miscellaneous operating fund.

**Youth and Progress Keynote of Present Day Republicanism**

When the Illinois State Republican convention convenes at Springfield, June 14, it will represent a thoroughly united and completed rejuvenated party. Youth and progress is the keynote of present day Republicanism in Illinois.

Not only is this political virility evident in the rank and file, but it is particularly significant that a large percentage of the leaders and candidates have been selected by the people from the younger element of the party.

Evan Howell, youthful Springfield attorney and first president of the Illinois Young Republican organization, has been selected temporary chairman of the convention and will sound the convention keynote. Howell was born in Marion, Ill., September 21, 1905, and has resided in the state since. He attended the public schools of Villa Grove and was graduated from the Village Grove High school at the head of his class. His parents moved to Champaign, and young Howell attended the University of Illinois, graduating from the law school in 1930.

During his college years, Howell earned his living as an instructor at the university and as a school teacher at Harvard, Illinois. Leaving the University of Illinois after his graduation, he began the practice of law at Springfield as a member of one of the capital city's largest law firms. He has participated actively in civic and political affairs and recently was nominated Republican candidate for congress from the 21st district.

In connection with his appointment as convention keynoter, Howell today said:

"The youth of Illinois, and the youth of the nation, look to the Republican party for salvation, for escape from regimentation of opportunity and advancement and for the right to achieve their own destinies by their own efforts. "After years of watching the Democratic New Deal rob them of the natural opportunities they deserve and should have, the young people of Illinois know now, better than ever before, that with state and national affairs once more directed by the Republican Party, the shackles of restraint, interference and blundering, will be torn from private business and enterprise. "With this accomplished, with confidence and common sense prevailing, Young Americans will be able to drop their W.P.A. shovels, team up their food stamps, throw away their relief cards, and get a job."
