Reelect E. F. Nelson Head of Deerfield Civic Association

The Deerfield Civic association re-elected E. F. Nelson president at their annual meeting last Tuesday evening at the Town hall. Erwin Seago is first vice president; Lester B. Ball, second vice president; George Scott, retiring secretary; third vice president; Burton O. Johnson, secretary; and Michael Palermo, treasurer. The new constitution and by-laws were adopted and the old board of directors is succeeded by an executive board of seven members, which includes the newly elected officers and the immediate past president.

President Nelson summarized the work of the association for the past year which is to be climaxed by the Citizenship program on June 14. Through the efforts of this civic group better railroad protection is to be obtained. A fence is to be erected between the north and south bound tracks at the depot to prevent passengers from walking into the path of another train. This will be done about the first of July and commuters will then have to use the subway.

Julius Reader was complimented for his work with the Sea Scout troop, sponsored by the civic association, and he appeared in his new uniform to tell of the 100% increase in membership in the scouts since its beginning last winter. The scouts gave their skipper, Mr. Reader, a hat in appreciation of his work. The hat matches his new uniform.

The next meeting of the Civic association will be held the last Tuesday evening in June.

Deerfield Civic Groups Stage Citizenship Pageant June 14

Envisioned and planned by a small group of citizens a year ago, before any thought of the "blitzkriegs" presented challenge to Democracy, a significant Citizenship Recognition Pageant will be staged by Deerfield's citizens on Friday evening, June 14, in the Deerfield Grammar school auditorium. Inspired by the success of the Manitowoc, Wisconsin, experiment initiated by the Deerfield Civic association, and aided by the University of Wisconsin Extension Bureau, the plan was inaugurated last August.

Enthusiasm was generated at a public meeting in September when the plan was announced at the con-

Dr. Thomas Parry Jones

clusion of an address by Dr. Eston V. Tubbs on "Citizenship Training in a Democracy." With more than two million Americans coming of age yearly without any provision for formal recognition the Civic association proposed to hold a series of training forums to be concluded with a public induction ceremony. All native born residents of the community coming of age between the two national elections November 4, 1938 and November 4, 1940 were to be eligible.

During the winter the Village Board proclaimed June 14, 1940 as

Deerfield Citizenship Recognition Day. The American Legion American Legion Auxiliary, Board of Education, Rotary club, Chamber of Commerce, Parent-Teachers association, Presbyterian church, St. Paul's Evangelical Reformed church, Bethlehem Evangelical church, Deerfield Stagers, the Boy Scout organizations the local newspapers the Deerfield Press and Deerfield News elected to get behind the plan and elected representatives to serve on the Executive committee headed by President E. F. Nelson of the Civic association the committee includes Lester Ball, Mrs. C. W. Boyle, Mrs. Wm. Cruickshank, Raymond Cox, Jirah D. Cole, Mrs. C. J. Turner, Anthony Merourio, Phil Johnson, Rev. Wm. Piepenbrok, Mrs. R. E. Pettis, Arthur Pearson Edward B. Crush, Mrs. Chester Wessling, Dr. Charles E. Pope, Burton B. McRoy, Mrs. Walter B. Metcalf, Kenneth Hunter, Michael S. Palermo, Mrs. R. F. Hamill, Harry L. Thomson, Edward H. Selig, village president, C. M. Willman; Mrs. Agnes Tennerman, Dr. Wm. Weir and Marshall Pottenger.

A system of sponsorship was developed so that each First Citizen had an older citizen who was interested in his activity. At the conclusion of the program each man will be given a membership in the Civic association and each woman a membership in the Women's club. In this manner the young citizens are to be taken into the activities of the community.

On Thursday, May 9 the first forum presented Dr. Eston V. Tubbs as leader in the discussion of "The Citizen and His Government." Carl Schuessler of the High school led the second discussion on the subject of "Local Government" on May 16. The subject of "State Government" was discussed by Mrs. Marc Law of the North Shore League of Women Voters on May 23. On June 6, C. C. Kapschull, past state commander of the American Legion is concluding the forums with the discussion of "National Government." June 14 Flag Day and Deerfield (Continued on following page)
