

Deerfield Civic Groups Stage Citizenship Pageant June 14

Continued from preceding page)

Citizenship Recognition day, the village will stage its big citizenship show as a conclusion to the program. A packed auditorium is expected to view the ceremony which will open with the salute to the flag and invocation by Rev. F. G. Piepenbrock. A mass responsive reading, reaffirming faith in the American way of life will be followed by presentation of an historical pageant, "The Heritage of Courage" by the local dramatic organization The Stagers. Presentation of certificates of Electorship to the new citizens will be followed by an address to be delivered by Dr. Thomas Parry Jones of Sheboygan, Wisconsin. The ceremony will close with the hymn "America the Beautiful" and the National Anthem, followed by the benediction by Father James V. Murphy.

Headed by Anthony Mercurio, Americanization chairman for the American Legion and aided by the Boy Scouts the Decoration committee is urging every resident to display a flag on June 14 and the merchants are making the business section an Avenue of Flags.

Long a local favorite and fresh from dramatic successes of the winter season, the Stagers will present an excellent cast in the pageant "The Heritage of Courage." This will trace the steps leading to the Revolution, the establishment of the Union and formation of the Constitution. Costuming, which will be of the colonial period will be handled by Kenneth Hunter. The cast:

- George Washington..... John Derby
- Alexander Hamilton..... Donald Clark
- Chancellor Livingston..... Rev. Wm. Brusco
- Chancellor..... James Tibbetts
- Congressman..... Jirah D. Cole IV
- Horseman..... Vernon Gise, Dwight Merrill, Cecil Barrett, E. V. Jordan.
- Citizens—Robert Haus, Howard Anderson, Wm. J. Galloway, Lawrence McDermott.
- British Lords—John Strzyker, Herbert White
- Ladies..... Shirley Clark, Beatrice Cole
- Soldiers—Michael Cole, Robert Tennis, Ralph Sheridan, John Anderson.
- Chorus—Choirs of Bethlehem and Presbyterian Churches.

The principal speaker, Dr. Jones, a native of Wales and a naturalized American, is minister of the Sheboygan Methodist church. Coming to the United States in 1923, he married and after the birth of his first child worked his way through high school the University of Wisconsin and theological seminary. Deeply appreciative of the opportunities afforded him under the American system, he has made the preaching of Americanism literally an avocation. A forceful and commanding speaker, he has had no little part in promulgation of the citizenship training idea.

It is the plan of the committee to make this event an annual affair and to foster sponsorship of future citizens by this year's participants. Aim of the program is also to foster a closer community co-operation and to promote active Americanism as a part of daily life.

"The First Rose of Summer." A delightful painting by the well-known artist, Henry Clive, with verses by Phyllis McGinley, popular poetess. See the colorful reproduction on the front page of The American Weekly, the magazine distributed with next Sunday's Chicago Herald-American.

"We Present"

The children's department in the public lib . . .

"Eyes which see the values as reflected in a mirror . . .

"But not as light is broken in a prism . . .

"The world is full of eyes
"Which think they see
"But fail to see."

So are children. The circulation of scopes and views from the Highland Park Public library continues to grow and would undoubtedly be larger if there were more scopes. Total circulation from the main library is 33,225, comprising 20,723 fiction and 8,211 non-fiction. Primers and easy readers number 3,651. Total circulation of scopes and views are 326 and 22,077 respectively.

Another avenue for introducing good literature is the story hour. Folklore, myths, stories of past and present, stories inspirational as well as for information are the stock in trade. Continued stories told this past year have been Kingsley's "Water Babies" and McDonald's "The Princess and the Goblin."

Schools continue to take advantage of the Public library. Ninety-eight classroom collections have been prepared and sent out. Just before the beginning of the vacation reading project, the various schools were visited in order to acquaint teachers and pupils with summer opportunities.

With the exception of West Ridge school, school stations show increases in circulation. The number of pupils at West Ridge school is lower this year and considering that West Ridge circulation actually has gone up.

The Braeside collection is now too small for the growing numbers of pupils attending that school. Books this last year there have been limited in number taken out by each pupil—one or two.

Gifts from the children and P.-T. A. at Oak Terrace school in Highland Park made the purchase of a number of books possible for that collection. Proceeds of a West Ridge fair went to buy new books for the library at that school. The books belong to the school, but are circulated through the library station situated there.

The values of child library work are elusive and intangible and cannot be measured in figures and so-called reliable statistics.

Gordon Rollman, the little son of Mr. and Mrs. Clarence Rollman (Lelah Kreh) returned home Saturday from the Highland Park hospital and is recovering from an appendectomy.

Learn to Sew at "The Sewing School" Opening, Tuesday

Woman's creative instinct and love of beautiful things constantly tempt her to try to fashion some one of the lovely dresses she longs to own, and which the price prohibits her buying outright. In this day and age dressmaking methods have become so simplified that with economy and a bit of effort, a gown may be constructed that may be a credit to the one who fashioned it. The making of lovely dresses, alterations, re-styling, and pattern adjustment becomes an easy accomplishment, if one would attend the sewing classes which are to be held at the Y.W.C.A. beginning Tuesday afternoon, June 11.

This will be known as "The Sewing School" and it will be under the direction of Mrs. Irene Nicholson, who is a college graduate, has done post graduate work in designing and dressmaking and is a charter member of the New York Fashion Guild. Call the Y.W.C.A. for registration and information as to the price of the course. Evening classes may be arranged if desired.

Highwood Premiere Takes Place Tonight Oak Terrace School

All the fun and festivity of real, gala Hollywood premier will take place on Thursday (this evening) June 6, at the Oak Terrace school auditorium for the first showing of the picture, "We're in the Movies" being sponsored by the Highwood Lions club.

There will be music, sound effects, klieg lights, and all the thrills of a true first night performance for the Thursday premier. The Movie Queen and her Court of Honor will be announced by Dr. N. C. Risjord, Movie Queen chairman, and will be presented to the public at this time. Microphones will be set up at the entrance of the auditorium, where

amid flashing spotlights, participants in the movie will be asked to say a few words to the throngs awaiting their arrival.

Over 2,000 local people will appear in the film, and have cooperated with the Highwood Lions club to make the motion picture a moving legend of their own lives against a background of every point of interest in the community. Natural scenic beauties of the North Shore have been woven into an engrossing story of tense dramatic interest, relieved by several hilarious comedy sequences.

Proceeds derived from the picture will benefit the Highwood Lions club Sight Conservation fund to aid local boys and girls.
