Inklings from Neighboring Towns
 It was almost like the re-enactment of a wedding scene of 45 years ago, when Mayor R. F. Rouse and his wife, Julia Harden Rouse, members of prominent Lake county families, celebrated their anniversary with 125 guests at their home at Mundelein last Wednesday.
 The Rouses have lived all their lives in Mundelein. Mr. Rouse has been mayor since 1919, and a member of the village council since 1909 when the village was incorporated as Rockefeller. The scene of the wedding on June 5, 1895, was the O'Donnell hotel, formerly the Harden hotel.
 Work began Monday on the remodeling of the old tile works building on the south side of Wauconda to make a modern distributing station for the Omar Baking company, large midwest bakery producer. The company operates 25 trucks.
 Members of the Lake Forest Horse Show Association are busy receiving entries for the fortieth annual Horse Show to be held at Onwentsia Club June 19, 20, 21 and 22. Last year, the Lake Forest show was rated the second largest in the United States and early prospects point to an increase in numbers this year.
 War has prohibited the entry of the military riding teams which have featured the show for the past several seasons.
 Governor Henry Horner, whose health has been the subject of much concern for several months, arrived in Winnetka last week where he will spend a few months resting. He has taken the home of Ayres Boal, 701 Sheridan road, for the summer.
 From this quiet retreat, on the shores of Lake Michigan, the governor will direct the affairs of his office in Springfield.
 The shore of a beautiful lake on Hawthorn Farm Estate, Libertyville, will be dotted with many excellent Holstein cattle on Thursday, June 20, when Lake county Holstein breeders hold their annual Black and White Show.
 A full day of entertainment and educational features beginning at 10 a.m. is promised to everyone of the general public who will attend. Probably the feature attraction will be the fitting and showing contest open to boys and girls between the ages of 10 and 21. The two best boys and two best girls will no doubt enter the state contest at Mooseheart the following week and at that time the winner in each class will be awarded a fine wrist watch.
 All this week the Libertyville Young Men's club will hold its sixth annual carnival in the large wooded lot at South Milwaukee avenue and Lincoln street. The big show will be in session nightly through Sunday, June 30, at 2 o'clock.

Girl Scouts to Hold Rally June 13th-19th
 All the Girl Scout Troops in Highland Park will take part in an outdoor rally at Skokie House from 10 o'clock to 3:30 beginning Thursday, June 13, to the 19th, exclusive of Sunday.
 Each troop is arranging its own program, but each girl is requested to bring the following: lunch, five cents for milk, tin cup, pocket knife, sit upon, sweater, or jacket. Please wear slacks or blue jeans so that your legs will be covered.
 Troops will meet at the following schedule:
 Thursday, June 13—Troop 2, Mrs. Arthur Mason, leader; Ravinia school. Troop 12, Mrs. Allen Dicus, leader; Braeside school.
 Friday, June 14—Troop 11, Mrs. Kenneth Anderson, leader; Elm Place school. Troop 7, Mrs. Eugene Adler, leader; Lincoln school.
 Saturday, June 15—Troop 3, Mrs. George Straub, leader; Braeside school. Troop 4, Mrs. James Davis, leader; Ravinia school.
 Monday, June 17—Troop 9, Mrs. James Skidmore; Lincoln school; Troop 10, Mrs. Robert Williams; Elm Place school.
 Tuesday, June 18—Troop 1, Mrs. Ellsworth Mills; Lincoln school. Troop 8, Mrs. Ralph Archer; Ridge school.
 Wednesday, June 19—Troop 5, Mrs. Jens Erikson; Braeside school. Troop 6, Mrs. Irving Meyerhoff.

The daily vacation Bible school will be conducted at the First United Evangelical church, Green Bay road and Laurel avenue, Monday evening, June 17-28. The session will begin each day at 9:30 a.m. until 11:30. Good teachers have been secured, and this is an opportunity for your child. All children up to 15 are invited.

When death stalked the Mormons. The story of the long trek along the plains and mountains by the followers of a great religious movement seeking a haven in their "Promised Land" of Utah, told by Joseph E. Robinson, noted Mormon pioneer. Begin it in The American Weekly, the magazine distributed with next week's Chicago Herald-American.

Police facts
by CRAWFORD

Do you know your police force? Most of us are ignorant of the various duties, activities and outside interests of the police officers in Highland Park.
 Supplementary to the daily routine of the officers, they have bowling matches, golf and shooting competition.
 On their one-day-off every two weeks, the police devote much of their time to home and the family. In the summer months, they play golf at the local country clubs. During the winter the force has a bowling team which competes with other Northshore police organizations.
 In the basement of the city hall, our police have access to a shooting range. Officers have individual matches within the force, or compete against Wilmette, Winnetka, Lake Forest, Glenco and Lincolnwood police departments.
 Officer Wilson Richardson makes the practice bullets for the local police. Each man is issued 50 shells monthly. Shooting is done at times of leisure, usually before going on duty.
 Several men on the local force boast of low scores on the local golf courses. Officer Harry Rogan claims the lowest score of 72 in the department. Other scores of note are: Officers Patrick White, 76; Ed Patton, 78; John Nizzi, 80; Mike Bonamarte, 85; Wilson Richardson, 90, and Ted Loesch, 100.
 A motor-driven boat is at the disposal of the department for use in emergencies on the lake. It is stationed at Central beach.
 There are three shifts in the 24-hour-a-day service. Four men are patrolling the streets in the three specially constructed squad cars and one officer is stationed at headquarters.
 The first 'trick', or shift, is from 8 a.m. to 4 p.m., followed by the second trick which extends from 3 p.m. to midnight. The "graveyard" or midnight shift continues from midnight to 9 a.m.
 Most of the night calls concern dogs, prowlers, family arguments, accidents, and fires. A greater percentage of the intoxication cases are transients through Highland Park. Donations of one hour a day for patrolling school crossings is given by each man. Funeral and accident traffic is also directed free of charge.
 "The forgotten man" stationed at headquarters during the night not only records all the complaints filed, but also registers recent property, fine and arrest reports.
 The day desk man checks dogs, vehicle and restaurant licenses.
 Equipment is plentiful at the Highland Park police station. Our community was one of the first in the Chicago area to use the station-to-squad car radio system.
 One receiver is from the Lake county sheriff's office, and the other communicates with North Shore towns.
 Being six years old, the one-way radio is outmoded by other towns along the lake. Every other community in this vicinity possesses a

two-way radio system, but Highland Park still utilizes the out-of-date method.
 Hot and cold running water is provided for inmates of the local jail. There are four double cells for men and two single cells for women. Food for the inmates is purchased from local merchants and taken to the station.
 Ringing in the police station as well as the fire station, the emergency fire telephone gives simultaneous reception in the two stations. This obviously saves much time and is the reason why the squad cars precede the fire engines.
 Every resident of Highland Park is cordially invited to visit the local police headquarters.

Events are coming thick and fast as the golf season ripens on the local golf courses.
 On June 11, Exmoor Country club held its monthly Ladies' Guest day. A large crowd turned out for the event. June 15 will witness a men's tourney of match play vs. par at the Highland Park club. Prizes will be given to classes A, B, C and D.
 "The Ball Sweepstakes" will be featured by Exmoor men on June 15, according to Alex Stuppel, professional.
 Sunset Valley Golf club will feature a Blind Bogey of mixed foursomes on June 16 according to Tom Kelly, local professional. The event will be played by men only.
 The annual "Hullabaloo" will be presented by Bob O' Link Golf club June 19 and 20, Earl Dean, manager, announced today. Dean said that he expected a large national attendance for the two day tourney. There will be 20 prizes given to winners.
 Lakeshore Country club will have the qualifying round of the Men's President's Cup handicap tourney on June 15. It will be 18 holes. On June 16 the first round of the event will be featured.
 "The Sunset Tourney" is to be given by Lakeshore on June 20. This unique event includes nine holes of golf played backwards. It is for men and women both.
 "The Least Puts and Least Traps" tourney was held by Lakeshore June 8. H. W. Froeman won the event with 29 putts and two traps, while John Wyle took second with 30 putts and one trap.
 Northmoor Country club is getting into full swing with golf events as the summer progresses. Harry Cooper, nationally known golfer, who recently became professional at Northmoor, plans to give an exhibition match with Tommy Armour of Medinah, at Sunset Ridge Golf club early next month.
 Playing against the two famous golfers will be two women golfers of equal fame in this sport. Patty Berg of Minneapolis and Shirley Ann Johnson of Sunset Ridge will vie for honors against Cooper and Armour. Funds raised from the event will be given to the Hadley Correspondence School for the Blind in Winnetka.

N. S. Debutantes to Appear in Ravinia Fashion Show June 21

To spur the Ravinia Festival coupon book campaign, a Ravinia Fashion Show will be held on Friday, June 21, in the Marshall Field loop tea rooms, it was announced this week. The Ravinia Festival opens on Tuesday evening, June 25.
 The fairest debutantes of Chicago and the suburbs will appear as models in the show, presenting a preview of the latest fashions for concert-goers.
 Sponsors for the show are Mrs. William B. Cudahy, Mrs. Winston Elting and Mrs. Lloyd A. Laffin of Lake Forest and Mrs. Byron S. Harvey, Jr., Mrs. Thomas S. Tyler and Mrs. Burke Williamson of Chicago.
 The sponsors are now selecting the girls who will model costumes that will range from afternoon frocks to formal evening attire—for Ravinia's concerts are held on Sunday afternoons as well as on Tuesday, Thursday and Saturday evenings.
 This year's show is the second presented by the smart young people who are associated with Ravinia's hard-working committee and the sponsors expect it to exceed the great success of last year's initial show.
 Meantime, more than 300 members of the coupon book committee, under direction of Mrs. Ernst von Ammon of Winnetka, are keeping telephone wires busy in their campaign throughout Chicago and the suburbs.
 Eugene Ormandy will conduct the opening week of Ravinia and his "soloist" on Saturday evening, June 29—is Vladimir Horowitz, the world's foremost pianist. It will be the first appearance Horowitz has ever made during the summer in the United States and the engagement is considered a coup for Ravinia's program committee.
 Artur Rodzinski, Nicolai Malko and John Barbirolli are the other guest conductors who will be heard with the Chicago Symphony Orchestra during the six-week season. Other soloists include John Spalding, the foremost American violinist; Kirsten Flagstad, the great operatic soprano, and Paul Leyssac, distinguished commentator and narrator.
