Riverview Park Offers Many Thrills

More than one hundred thrilling rides, shows and attractions, miles of brilliantly lighted, gaily festooned midways, comfortable benches and cool shade trees are several reasons why Riverview has been acclaimed Chicago's permanent World's Fair of Fun.

Thrills and excitement in the forms of high coaster rides, speedy ground and aerial attractions jam-pack Riverview's gay midways afternoons and evenings.

Grand-daddy of all the park's amusement devices is the majestic "Chut - the - Chutes." Towering above the park's 144 acres, and second only in height to the giant "Pair-O-Chutes," the water chutes has never failed to thrill and entertain. Children and adults find the cool chutes the answer to sweltering heat problems.

Another popular park attraction with young and old is Riverview's new air-cooled roller rink. Park patrons can enjoy pleasant moments roller skating in Chicago's most beautiful rink at reduced rates. Skates and checking are included in the rink's one admission price. Music for the skating sessions is played by Bob Rhodes on the Rink's new Hammond organ.
