Let's Eliminate Weeds

Heavy rains during the early spring and summer, has resulted in an unusually large growth of weeds on vacant property in all parts of the city. At the present time, these weeds are beginning to pollinate. The most important of these is the ragweed. Spreading of pollen from the ragweed ushers in the hay fever season during the early weeks o August, and causes untold suffering to hundreds of victims.

One who is familiar with the hay fever symptoms which include sneez ing, coughing, difficulty in breathing, discharge from the eyes and nasa! mucous membrane, realize the distress caused its victims.

With this in view we are appealing to every owner of vacant property in the City of Highland Park to cut, or have cut, weeds of this type which are growing on their property. Every individual in this city can help eliminate this noxious weed, by pulling every spear of ragweed which they find up by its roots, and destroying it. We do not mean that you should appear pixilated, running about the streets tearing up every weed you see, but when you do come in contact with ragweed on or near your property, make way with it. In this manner you may help to eliminate a lot of suffering for some poor victim of hay fever.

Now that the garden season is practically at a standstill, Garden clubs might also lend a hand in urging people to become "weed" minded.

#### Ford and Mercury **July Sales Reach** High 1940 Level

Dearborn, Mich., Aug. 7-Retail sales of 90,294 Ford cars and trucks and Mercury cars in the United States during July gave Ford dealers the largest month of the model year with the single exception of March, it was announced today at the home offices of the Ford Motor company here. The July total was the best for that month since 1937.

The commercial car and truck sales for the month not only exceeded every July since the introduction of the V-8 but topped every July total as far back as 1930, it was said.

Used car and truck sales also continued at high levels, with July totals the second highest of the year.

#### **14 Year Old Girl** Runs Away from Home

Highland Park police were notified last Wednesday, that Shirely Jones, 14 year old daughter of Mr. and Mrs. Archie W. Jones had disappeared from her home. There were no apparent reasons for her departure. So far no word has been received from her.

# Former President

Mrs. Frank R. Cain, former Ravinia resident and president of the Highland Park Woman's club from 1921-1923, died Friday in Redwood City, Calif. She had been in health for the past three years.

As president of the Highland Park Woman's club, Mrs. Cain believed that the club should have a home of its own. With this in view she was instrumental in securing the Ritter property at the corner of Sheridan and Elm place on which the present club now stands. Given the chairmanship of the Permanent building fund she demonstrated. how with a little forethought, the money could be obtained for the project. Her first enterprize was a bazaar and dinner which netted the club \$4,000 toward the building fund.

During the erection of the club auditorium, Mrs. Cain served as chairman of the Building committee. Aside from her activities in the Highland Park Woman's club, the deceased did a great deal of civic work both in Ravinia and Highland Park.

Mr. and Mrs. Cain left Highland Park some years ago, going to Melo Park, Calif., where they built an attractive home on a four acre tract and surrounded themselves with California's beautiful flowers. corner of their tract bordered the estate of Mr. Herbert Hoover, former President of the United States.

Ever active, she became interested in Architectural drawing and was awarded several competitive prizes for drawings submitted to California realtors.

She was an ardent worker and was happiest when she was engaged in some educational work or worthwhile project. A lover of the beautiful, she studied nature's wonders and could name every flower. Having been raised on a Nebraska ranch she loved the great out-ofdoors. "She was a loyal friend, possessing a marvellous personality,' was a tribute paid Mrs. Cain by a Highland Park friend.

For years after her removal from Highland Park, Mrs. Cain was a subscriber to THE HIGHLAND PARK

Her only surviver is a niece, Mrs. Roy Moffitt who lives at 1014 Oakwood Ave., Wilmette.
