

CHURCH NEWS

First Church of Christ, Scientist
 First Church of Christ, Scientist
 Highland Park, Ill., 387 Hazel Ave.,
 is a branch of The Mother Church,
 The First Church of Christ, Scient-
 ist, in Boston, Mass.

The Sunday morning service is held at 11 o'clock, and the Wednesday evening meeting, which includes testimonies of Christian Science healing, is at 8 o'clock.

Sunday school is open to pupils up to the age of 20 years, and is held Sunday morning at 9:30.

The text of next Sunday's Lesson sermon, "Man."

A free public reading room is maintained by this church at 43 N. Sheridan road which is open daily from 9 o'clock in the morning to 6 in the evening and on Saturdays until 9 o'clock. On Sunday the reading room is open from 2:30 to 5:30. Here the Bible and all authorized Christian Science literature may be read, borrowed or purchased. All are cordially invited to attend these services and make use of the reading room.

CHRISTIAN SCIENCE CHURCHES

"Christ Jesus" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 1.

The Golden Text was, "God sent not his Son into the world to condemn the world; but that the world through him might be saved" (John 3:17).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And, behold, there came a leper and worshipped him, saying, Lord, if thou wilt, thou canst make me clean. And Jesus put forth his hand, and touched him, saying, I will; be thou clean. And immediately his leprosy was cleansed" (Matthew 8:2,3).

The Lesson-Sermon also included the following passages from the Christian Science textbook "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Though demonstrating his control over sin and disease, the great Teacher by no means relieved others from giving the requisite proofs of their own piety. He worked for their guidance, that they might demonstrate this power as he did and understand its divine Principle. Implicit faith in the Teacher and all the emotional love we can bestow on him, will never alone make us imitators of him. We must go and do likewise, else we are not improving the great blessings which our Master worked and suffered to bestow upon us" (p. 25).

North Shore Methodist Church

Hazel at Greenleaf, Glencoe

Frederick J. Schnell, minister

755 Vernon. Phone Glencoe 2055

Fall services will be resumed at the North Shore Methodist church in Glencoe, next Sunday, Sept. 8, at 11 o'clock. "The Splendor of Labor" will be the sermon subject as announced by Rev. Frederick J. Schnell, pastor. Mr. James Preston, organist, will play the following selections during the service: "Pastoral Romance" by Douglas, "Prayer" from Finlandia by Sibelius, and "March Occasional Orotorio" by Handel. People who have moved into the community during the summer or those who have no church home are most cordially invited to worship with the members of the North Shore Methodist church located at the corners of Hazel and Greenleaf streets in Glencoe.

Parents with children of Sunday school age are asked to note that the Sunday school will not open until a week later. Dr. A. G. Humphrey, superintendent of the school, announces that there will be teachers and classes for all ages

and that the school will open at 9:45 a.m. Sept. 15.

Persons wishing to sing in the choir are invited to come to the church on Thursday nights for rehearsal. All voices can be used.

LIBRARY

Fall Gardening

"September is your real chance to make or remake your flower garden, your plantings and perennial beds." In order to plan this garden you will want helpful aids that you may attain the very best results, and carry out the details of your plans. You will find helpful aids and suggestions among the garden books at the Public library. Among this collection you will find:

"Small garden" — Katherine and Arthur Storm. A book designed primarily for the average suburban home owner, covering the essentials of good gardening.

"Grow your own fruit" — M. G. Kains. Tells you everything you need to know to grow most any fruit you wish to grow.

"Book of bulbs" — F. F. Rockwell. A guide to the selection, planting and cultivating of bulbs for spring, summer and autumn flowering. Includes information on winter blooms from bulbs indoors.

"House plants and how to grow them" — D. T. Barnes. A discussion about house plants which are sure to succeed. Cultural statements made are based on the authors practical experience as a grower, yet the testimony of amateurs has been included to give beginners encouragement.

"Indoor gardener" — D. T. Abbott. Daisy Abbott says, "There is help for anyone who wants to grow plants, whether in the home, office or school, in dark apartments or in sunny windows."

"Be your own gardener" — Sterling Patterson. How to make, maintain and find satisfaction in intimate flower gardens. Contains a chapter on garden equipment and a garden calendar.

"Lilies for Americans" — G. L. Slate. Contains information on choice of bulbs, kind of soil needed and its preparation, the diseases and pests and their control. The author is associate in research at the New York state Agricultural Experiment station.

"Hardy chrysanthemums" — Alex Cumming. A study of the history, varieties, culture, disease and pests. Information on the propagation and breeding of chrysanthemums.

"Gardening Indoors" — F. A. Rockwell and E. C. Grayson. The enjoyment of living flowers and plants the year round, and new opportunities for home decoration. Illustrated with photographs and drawings. A practical, readable and worthwhile book.

"Hill's book of evergreens" — L. L. Kumlien. This book is published by the D. Hill Nursery Co. of Dundee, Ill.

High School Teams Start Practice for Football Season

Over one hundred boys reported for the first football practice of the season held on Labor Day by the Highland Park high school football team. Head Coach David Floyd is enthusiastic over the prospects for the coming season. For the varsity he has several good boys who earned letters last year, in addition to some stars who are coming up from last season's undefeated frosh-soph squad. Floyd is being assisted in his coaching duties by Allan Werbelow, Richard Hamill, and Walter Hargesheimer. Hargesheimer, who formerly coached at Oberlin college in Ohio, is a new addition to the coaching staff.

The team has a tough seven game schedule as it will play the following high schools: Riverside, Downers Grove, Morton, Evanston, Waukegan, New Trier and Glenbard. The season will open with two games against Riverside at the Highland Park high school athletic field on Saturday, September 14. The frosh-soph game will start at 12:30 p.m., and the varsity game at 2 p.m.

Early Farmers Travel Far to Find Smithy

Blacksmith shops in pioneer Illinois days were so few in number that early settlers often traveled scores of miles to find a smithy. An 1831 record of one such journey, for example, reveals that two Bureau county pioneers, in need of new

plough-shares were forced to travel 165 miles to and from the nearest blacksmith shop.

Starting from the mouth of Bureau Creek, the settlers set out in a canoe for Peoria, where they knew a shop had been established. When they arrived at Peoria, however, they found that the smithy had been moved to Pekin. The trip, according to the Illinois Writers' Project, WPA, took nine days time.

Preparedness

The nation is entering upon the greatest defense program in its history. Expansion of governmental and industrial activities to meet this program will require prompt, adequate communication.

Just as the telephone company is prepared to handle your next telephone call, so it is also organized to meet the communication needs of this program and to play its full part in national defense.
