

### Local Chapter of British War Relief Society Opens Drive

The Highland Park Chapter of the British War Relief Society opened their drive on Tuesday morning with a meeting at the home of Mrs. George Childs. The object of the drive, which is a national one, is to raise funds to equip complete hospital beds, and mobile kitchen units. These "Kitchens on Wheels" are a major necessity as the war progresses, they are feeding units capable of swift transfer from point to point, and are indispensable for feeding rescue crews and evacuated families in bombed areas. This is a great opportunity for a service to a people now in need of all our help. Highland Park's objective is 30 beds, which cost \$40 each and one mobile kitchen unit which costs \$2,500.

Mrs. George Childs is chairman of the local chapter, with Miss Helen Bergstrom as vice-chairman, assisted by the following committee: Mrs. W. A. Alexander, Mrs. Wm. Barker, Mrs. S. Bingham Jr., Mrs. Ray Calkins, Mrs. J. Carry, Miss P. Carver, Mrs. R. Carver, Mrs. R. Cleary, Mrs. R. Cobb, Mrs. T. Creigh, Mrs. H. D'Ancona, Mrs. J. Erskine, Mrs. Wm. Frank Jr., Mrs. Lee Gatewood, Mrs. E. Gilroy, Mrs. H. Gleason, Mrs. J. Gildren, Mrs. D. Gutman, Mrs. R. Hafner, Mrs. F. Hartman, Mrs. D. Hall, Mrs. R. Herbst, Mrs. Jackson, Mrs. R. Keaton, Mrs. Wm. J. Kelley, Mrs. F. Knight, Mrs. J. Lackner, Mrs. R. LeClereq, Mrs. C. Mason, Mrs. G. Mason, Mrs. H. Mason, Mrs. A. L. Mills, Mrs. L. Meyer, Mrs. M. J. O'Brien, Mrs. C. Parliament, Miss R. ### YMC Gridders Start Football Practice; First Game Friday

Over fifty candidates reported at Sunset Park field for the first Y.M.C. football practice last week. Practically all of last year's Highland Park Merchants footballers are out for the team.

Dar Inman, athletic chairman, is proud to announce that such stalwarts as "Beans" Sheahan, Frank Schmidt, George Bowden, former St. George high school star, George Hall, Jack Allen, one time Deerfield-Shields star, and many others have been coming to practice.

The Y.M.C. open the season against the Kenosha Moose on Friday night, Sept. 20, at Sunset Park, the kickoff will be at 8:30.

The teams will appear under the new lighting system attired in the finest football equipment the town has seen, as no expense was spared by the athletic board in purchasing the necessary supplies. \$450 was the amount allotted to the football team and not one cent of this amount was saved. A word about the lighting system: Highland Park is second to no town along the North Shore in respect to its lighted playground. The park lights, erected at a vast expense, clearly light up every inch of the playing area. Don't forget the date, Sept. 20 at Sunset Park, see the new lights, new uniforms, and a new, scrappy football team.

Publicity manager, Tommy Brennan, wishes to express his gratitude to Joe Nield of Nield's Sport Shop, who made it possible for the Y.M.C. to have such fine football and baseball equipment, and to the Highland Park Press who were so generous in giving space in their paper for announcements and publicity.

Mr. Crampton, who died Oct. 21, 1939 left an estate with a net value of \$390,728.

The distribution of the estate gives a daughter, Mrs. Louise Biggs, of Highland Park, \$43,814, and the granddaughter, Beverly Biggs, \$10,000.

### Large Enrollment As Lake College Opens Fall Term

Lake College of Commerce opened its fall term with an excellent increase in enrollment. Added to the regular enrollment were 50 new students coming from Waukegan, North Chicago, Highland Park, Libertyville, Zion, Lake Forest, Lake Villa, Deerfield, Ingleside, Downey, Highwood, Antioch, and Barrington.

Misses Clara Melchiorre, Gloria Cole, Loretta Brandt, and Peyton Allen of Highland Park; Tim Shugrue of Deerfield, and Raymond Garrity of Highwood are enrolled as students in the new classes.

Including several students who will start the first of October this will give Lake College close to a capacity enrollment, a situation that indicates better times. If enrollments continue during the next two or three months as in previous years, the holiday season should find the school at peak attendance, which will necessitate new classes for the beginning of the year.

As soon as classes are well under way and the regular work schedule completed, class officers will be elected and social plans for the winter months will be made. Officers for the boys' and girls' clubs will be elected as soon as reorganization has been effected. Announcement of these new officers will be made later.

The typewriting course has been streamlined, using a new text entitled "Typewriting Technique College Course" by Harold H. Smith and published by the Gregg Publishing Co., replacing "College Typewriting" by Rowe Publishing Co. "College Secretarial Practice" by Charles G. Reigner and published by the H. M. Rowe Co. replaces the "Applied Secretarial Practice" text used in the class for secretarial training and office management.

### Skidmore Blanks Glencoe A C 4-0 In Last Home Game

Last Sunday afternoon the Highland Park Young Men's Club's nine defeated the Glencoe Athletic club baseball team 4-0 behind the three hit pitching of Ace Harry Skidmore. The game closed the home schedule for the season with a record of 14 wins, 11 losses and 1 tie for YMC. The team has been undefeated in their competition since moving to the new Sunset Park diamond having won their last three home games.

Lefty Skidmore fanned nine batters, including the first three men to face him, and permitted only one pass. The three hits were well scattered as the winning hurler was not pressed at any time, and the team coasted to the win with the heavy hitting of Thurston, Dalla Valla and R. Skidmore.
